## Pittsburgh Is Doomed!

OUR university is on the spot this week end. Eyes of the east will be focused on the Memorial stadium field, expecting to feast themselves on the sight of a Panther eagerly gobbling the Huskers. Sports scribes from the east coast don't know yet that Nebraska will beat Pittsburgh. They expect the Smoky City boys to take Coach Bible's team in good Panther style.

Too bad! Too bad! The eastern sports writers are wrong. **NEBRASKA WILL BEAT PITTSBURGH THIS SATURDAY! THE HUSKERS CAN'T LOSE!**

Coach Bible came back from the Golden Bowl in the Pennsylvania city after witnessing the Pittsburgh-Notre Dame game with the word that Coach Sutherland's machine is as good as or better than Minnesota. The Gophers trimmed the Panther team 13 to 7, but victory came to the Minneapolis team only because of superior reserve power.

Back in 1925 Notre Dame had the best team in the country. At least that's what everyone but the Nebraska student body said. As usual the Huskers had no respect for reputation. The Ramblers tumbled under a 17 to 0 score compiled by Ed Weir and the other Nebraskans. Notre Dame athletic officials haven't arranged a game with a Nebraska team since that fateful Thanksgiving day.

Right now the highly-vaunted Panthers wouldn't believe there is analogy between the above situation and that which will exist following the afternoon of Saturday, Nov. 10. But the Nebraska student body, behind the team to the last man, Coach Bible, and the team know enough about Cornhusker

spirit, skill, and reputation so they easily understand the similarity.

We hope that Pittsburgh athletic officials don't sever athletic relations with Nebraska following Saturday's trimming.

Fellow students, you all know **NEBRASKA WILL WIN!**

This will be a week end of school and national patriotism, numerous rallies, spontaneous spirit, and victory.

Nebraska's newly formed rally committee that has been functioning so efficiently this fall has planned a stirring series of pep demonstrations for this week. Students will be gathering in enthusiastic groups starting with the Wednesday evening house-to-house rally.

Thursday afternoon a student petition to Coach Bible and the football team will be presented to those men at 4:30 by a crowd that will congregate at the stadium for the purpose. It is at that time that student spirit can put in its work in encouraging the team to trim those far from invincible Panthers. Response is assured.

Friday morning at 11 o'clock pep demonstrations will gather in front of Social Sciences to witness the official hanging of the Panther in effigy. The team will see to the completion of the program Saturday.

Climactic in the rally program is the bonfire scheduled for Friday night at 7 o'clock back of the coliseum. The largest student rally crowd in years will boost Nebraska to the skies that night. If this student body doesn't attend at least 3,000 strong there's something wrong.

Saturday morning at 11 o'clock, three hours before the game Nebraska's R. O. T. C. regiment, the Tassels, and Corn Cobs will meet in the final rally preceding the game.

Of course the really huge rally is that set for the stadium at 2 o'clock, game time.

Corn Cobs, Tassels, Innocents, Mortar Boards, N club, the R. O. T. C. band, R. O. T. C. regiment, all fraternity and sorority members, and all un-affiliated students are duty-bound to turn out for these rallies. Nebraska's football reputation rests in the balance Saturday. When a school is on the football map in a prominent place it is also prominent in name as an educational institution. What the University of Nebraska lacks is good publicity. A Pittsburgh victory will boost this school to new heights.

In the past Nebraska teams have stopped Red Grange, Illinois' Galloping Ghost; Red Franklin, Oregon State's All-American back; Oze Simmons, famous Iowa ball-carrying eel; the Four Horsemen of Notre Dame, and held Red Cagle short on yardage as did any other team competing against the Army flash.

Pittsburgh should feel honored to be included in such fine company as that listed above. It will be included.

**PITTSBURGH IS DOOMED TO DEFEAT!**

## Varsity Party Ends Saturday Activities

### Affair Planned as Best Party Of Year According to James Marvin.

In celebration of the Husker-Pitt game Saturday afternoon, the fourth varsity party of the season will be held Saturday evening in the coliseum. Negotiations for an orchestra will be completed shortly, according to Jim Marvin, chairman of the orchestra committee of the Barb council sponsoring the dance.

"We have planned this week's affair as the best party staged so far this year," Marvin stated. "We promise a good orchestra and expect the largest turnout of the year."

Permanent decorations in the coliseum will again be used. Only one more Varsity party is scheduled for this semester, while four, including two in the Ag college activities building, are on the second semester calendar.

## Predict Sellout of Pitt Game Tickets By Thursday Night

Complete sellout of tickets for the Pitt game by Thursday night if good weather continues, was forecast by the athletic department Tuesday. Indications were that standing room which it is planned to offer after stadium and bleachers are filled, will be in great demand by Saturday.

Tickets for the Kansas game at Lawrence have arrived, John K. Selleck, of the athletic department, has announced and students may obtain them at the Activities of-

fice. Situated on the 50-yard line, the duets are selling for \$2.20.

The special train for the student migration to Lawrence will leave Lincoln Saturday morning, Nov. 17, it was announced.

## To age and mellow tobaccos just right to give Chesterfield its milder better taste...

# it takes Time

WE have tried a good many methods to age cigarette tobacco, but we have never found any method that equals the slow old-fashioned plan of aging it in wooden casks for two years or more.

All the tobaccos we use in Chesterfields are aged this way.

It takes time, money, and miles of warehouses—but it's the one way to make a milder better cigarette.

PRIZING TOBACCO in 1000-pound hogsheads for ageing.

TOBACCO AGEING in storage warehouses.

INSPECTING TOBACCO before going to the factories for blending.
