CAMPUSOCIETY

THRILLS, THRILLS AND MORE thrills for the happy "gais" who received invitations to the Mortar Board scholarship tea Sunday afternoon. One of the few social functions of the term recognizing high scholarship of university women, the tea honors Barbs and Greeks with averages of eighty or above. People who have managed to keep their intelligence a secret, find that a little studying isn't so bad after all, and that some concentration, combined with a high "1. Q. works wonders as far as the university is
