Reporter Laments Fact That Beauty, Glamor, and Interest in Valentine's Day Nearly Given Way to Cynicism

From the freshman, we go to the superficially suave, nonchalant, superior, sophomore. Valentine's day he greets with the sneers and scorn of the cynic.

The average senior returns to the days of his childhood worship, and with an aloof attitude goes about his business of spending money, sending lace, flowers, candy, pictures, and what-have-you to the object of his affections.

Valentine's day is just another day in an already overpacked year to people of middle age. To the octogenarians, however, it is a day of reminiscences in which they look back a bit fondly, perhaps on the life, loves, and follies of their childhood.

Last, but far from least, to the reporter, Valentine's day means just another excuse to unburden his soul by spending hours pounding a typewriter, endeavoring to get out an acceptable feature, having done which, he plods wearily homeward and falls into his bed.

Y.W.C.A. ELECTS FOUR MEMBERS FOR BOARD

Cabinet Chooses Advisory Group at Meeting Wednesday.

Four new members were elected to the advisory board of the Y. W. C. A. by members of the cabinet at a meeting held Wednesday evening in Ellen Smith hall.

Mrs. Samuel Avery and Mrs. Dan DePutron are the two newly elected members who will serve for a three year term.

Mrs. Herbert Brownell and Mrs. C. Feirus Peterson were re-elected. Mrs. Roscoe Hill, chairman of the advisory board, was present at the meeting and presented recommendations for the various candidates.

Lorraine Hitchcock, newly elected president of the Y. W. C. A., presided at the meeting and plans were made for the coming semester.

Ag Column

BY DICK JACKSON and GORDON HOBERT

Campus Beautiful.

After the drastic drouth of last summer and the large amount of water which was used to keep the struggling grass alive it is a shame that we must cut across the terraces and mounds. Considerable quantities of sodium chloride were applied to control the bindweed which is very hard on the grass.

The paths that have been formed on ag campus this winter are the first that have appeared for many a year. In the good old days when the students began such a habit a barrel of "boards" was placed in front of Ag hall and the pushish-ramenquillo administered to the guilty one.

The university allows ten minutes between classes and the buildings on ag campus are not so far as to necessitate all the diagonal walking which is being done at present. Let's give the grass a chance.

4-H Club.

The university 4-H club elected officers last Tuesday night. Following were elected: Gilbert Erikson... president Frank Svoboda... vice president John Bengtson... secretary

Ag Club.

Some time ago an article appeared in this column stating that the Ag club had passed out of existence as an active organization on the ag campus.

The general reaction of the Ag men seems to be that there are too many organizations on the campus. These last few years in college has been a hard struggle for many students to remain in school without carrying a large number of extra-curricular activities.

It seems logical that this should be a sufficient number of organizations for two hundred and seventy students. Further more there are too few men who are willing to take the lead in another organization, which is superfluous. Ag club has been relatively inactive for its third successive year and it certainly has a difficult procedure to overcome if it again desires to be one of the leading organizations on the campus.

Senning Makes Address On "Congressional News"

Professor Senning of the political science department will address the Lincoln League of Women Voters Feb. 14. His topic will be "Congressional News."

Sipp Has Appendicitis Operation Wednesday

Thurman Leroy Sipp, second year engineering student, was operated on for appendicitis at a Lincoln hospital, Wednesday morning.

GRAPPLERS LEAVE ON TWO-RASSLE JOURNEY

Huskers Go South for Bouts With Missouri, Kansas; Return Saturday.

Coach Jerry Adam's Husker wrestling squad embarked this morning at 6 o'clock on the first lap of its four-meet barnstorming tour in search of holdcatching laurels.

It will be a very difficult road indeed for the Scarlet grapplers, not only because of the four frays in six days but because Missouri, the first opponent of the Crimson performers, is one of the most formidable on the Cornhusker slate.

The octet making the trip consists of Jerry Swanson, 118 pounds; Clee Smiley, 126 pounds; Adam Green, 135 pounds; Neal Hill, 145 pounds; Rodelle Severson, 155 pounds; Don "Flash" Flanick, 165 pounds; Benno Funken, 175 pounds; and Wally DeBrown, heavyweight.
