

HUSKERS FAVORITES IN CONFERENCE SWIM MEET THIS WEEKEND

Big Six Splashes Gather in Coliseum March 8 and 9 For Championships.

Coach Jack Minor's Husker splashing squads, riding the crest of a victory wave two wins long, writes the high sport of the season in the aquatic sport Friday and Saturday as the coliseum tank plays host to the Big Six conference swimming championships.

With the best mermen of Kansas State, Kansas university, Iowa State, Oklahoma and Nebraska thrown into the same pool together, the waters of the reservoir under the coliseum stage promise to make the "breaking waves dash high," higher than at any other time since the championships a year ago.

Nebraska, by virtue of the 46-38 licking she administered Iowa State's protesting but ineffectual mermen two weeks ago, holds the choice of professors of the dope bucket as the chief contender of the Cyclones, Big Six champs last year. However the Huskers were given a heavy setback last week when the injury bugbear, uncommon to the natatorial sport, hit Coach Minor's Scarlet camp. Harry Kuldin, crack backstroke and diving artist, broke his toe in the meet with the Kansas Aggies last week and seems definitely out of the competition for the weekend. In addition a portion of the Scarlet squad is just recovering from sickness in the form of the measles epidemic and will be thus impaired by lack of practice.

Oklahoma will send a one man team to the fracas. Jack Davis, record holder of the 220 and 440 yard free style classics, pointing toward wins for the Sooners in those departments.

Preliminaries will be held Friday to determine who is to swim Saturday in the finals. Prelims will consist of time trials, the five fastest men earning a ticket to the final competition the following evening.

PREVENTION OF WAR COUNCIL GROWS DESPITE LIMITATIONS.

(Continued from Page 1.)

staff of the Foreign Policy association, issued invitations to the organization meeting and was the first acting chairman. The headquarters has been from the first opposite the state and war departments' building.

Three guiding principles were made the basis of this co-operative movement to promote peace and prevent war. They are today the recognized policy of all peace-minded governments: Progressive world organization, worldwide reduction of armaments by international agreement, and worldwide education for peace. These principles which have characterized the council, are stated in the slogans: "Avoid duplication. Co-operate!"; "Step-by-Step" and "Educate, educate!"

NCPW Staffs Actual Workers.

The NCPW has distributed 1,595,000 pieces of literature of all sorts in the past twelve months, largely on orders from members of other organizations. Its staff members made 2,030 addresses during the year in forty of the forty-eight states, to a half million people, the meetings being arranged largely by members of other organizations.

The foes of the peace movement

have been guilty of much misrepresentation of the aims and methods of the NCPW. Since that may have been due to misunderstanding, it will be well to state categorically what the NCPW is not. It is not communist nor socialist, nor does it serve the interests of any other political party. It advocates no specific theory of social reconstruction.

The national council remains today a clearing house for its member groups. At the same time it co-operates with many groups not affiliated. It does not find cooperation with the communists nor with the American Legion.

During the past year its cooperation with the League of Nations association, headed by Raymond B. Fosdick as president, has been particularly close. The offices of each organization are used by the other and the program of the NCPW, as readers and workers for the organization know, emphasizes the importance of canvassing with the LNA petition.

AG CAGESTERS DEFEAT BRISTOL CLUB 15 TO 14

Boarding Club Team to Meet Panthers in Barb Finals.

The Ag College Boarding club team earned the right to meet the Panthers in the final round of the Barb basketball tournament by defeating the Bristol club 15 to 14. The game was undoubtedly the best barb game played thus far this season. The Ag college team will meet the Panthers at a date to be decided later.

The game Monday night started out to be a breeze for the Bristols as they scored 4 points in quick succession while the fast Ag college team was held tallyless. Then the Ag team awoke and scored 6 points on baskets by Borman, Newton and Carsten. The Bristols evened the count as the half ended. The second half started out to be the antithesis of the first half. The Ags ran the score up to 12 to 6 before the Bristols connected with a fielder. Then a basket by Borman and a free throw by Newton sent the Ag five 7 points ahead. Then began one of the Bristols' famous belated rallies. T. Fager sank two fielders and Bristol connected with one. The rally stopped there, however, as the Aggies got possession of the ball and kept it until the game ended. Newton, Carsten, and Borman were mainstays for the winners while the Fager brothers and Bristol starred for the losers.

Saturday afternoon the Sigma Nu fraternity team beat the Chi Phi 13 to 10 in a quarterfinal game. The Sig Nus won by virtue of a last minute rally and the stellarwork of Zoesh and O. Thomas. The Chi Phi led 9 to 8 at the half.

Wayne university (Detroit, Mich.) has adopted new methods of rating students of the grauate school, whereby they are now given credit, no-credit, or honors for their grades.

University sports in Germany are still in their infancy, having been introduced only about fourteen years ago by ex-soldiers. Up to now they have considered dueling to be the only sport worthy of them.

Lying and stealing are the underlying causes of war, according to Dr. Paul W. Allen, professor of bacteriology at the University of Tennessee (Knoxville).

SCARLET GRAPPLERS TURN TO CONFERENCE MEET THIS WEEKEND

Nebraska Bone Benders to Ames, Iowa, for Big Six Contract.

With the dual competition of the season at a close after the driving finish made by Coach Jerry Adam's Scarlet grapplers last Saturday against Minnesota's Gopher bone benders, interest on the mat under the coliseum maples turns this week toward preparing for the wrestling championship of the Big Six conference of Friday and Saturday at Ames, Iowa.

Coach Adam will cast the same lineup for the league battles as he sent against the Minnesotas. Don "Flash" Flasnick, crack 165 pounder who received his first setback of the season Saturday, will tackle Kees of Oklahoma, present 165 lb. titleholder, in a drive for wrestling laurels.

Although Iowa State seems the most dangerous contender confronting Oklahoma, the present champs, it will be a highly determined Nebraska grappling team that leaves Saturday for the site of the grappling battle, according to Coach Adam.

Jerry Swanson, 118 lb. muscleman, will be competing under the Husker colors for the last time.

Lineup:

- 118 lb.: Jerry Swanson.
- 126 lb.: Cleo Smiley.
- 135 lb.: Adam Green.
- 145 lb.: Neal Hill.
- 155 lb.: Frederick Mallon.
- 165 lb.: Don Flasnick.
- 175 lb.: Benno Funken.
- Heavyweight: Wally DeBrown.

GEOLGY GRADS RETURN.

Carl Modesitt of Denver, Colo., a graduate in geology at the university in 1910; and Herbert Auchmoedy of Fullerton, a graduate in that department in 1932, were campus visitors during last week.

Keim, Former Instructor, Visits Engineer College

Paul F. Keim of North Platte visited the college of engineering at the university recently. Mr. Keim is a graduate of the department of civil engineering, and a former member of the civil engineering teaching staff.

More than one-third of those enrolled at Case School of Applied Science (Cleveland) are trying out for some varsity athletic team.

Dr. C. W. Spears, Wisconsin's grid coach, wants his centers to be musicians, for then he will have rhythm, he says.

Faculty Minds At Work

(Authors' note: Disguised as students, the undercover operatives of our organization lie in wait for unsuspecting professors in classrooms, and cull these gems from otherwise more or less intelligent lectures. The members of our organization may be obtained by the day, week or month to find lost children, collarbuttons, or can openers or to mow lawns, air the dog, or do the breakfast dishes. They may be spotted in classrooms by their sleepy appearance and by their furtive scribbles in notebooks at odd times such as during a lecture.)

"Now here's something I wouldn't tell my own son."—Dr. Rufus A. Lyman.

"They set words in heavy type so they are more apparent."—R. J. Pool.

"You're a bunch of nincompoops."—Melvin Van den Bark.

"I'd like to find some nice medium swear word—like near beer, you know."—W. K. Pfeiler.

"We were discovered in 1492."—G. O. Virtue.

"I want a roll."—R. W. Frantz.

"Lincoln has no restaurants—it has a few eating houses."—K. M. Arndt.

"It's the angles that really count in history!"—C. H. Oldfather.

"I always use a Gillette myself."—Miss Leva B. Walker.

"Sneak around with your ego."—L. C. Wimberly.

"Boy, that's a lot of wheat!"—W. J. Himmel.

SOONER SPORTSMEN FACE CRUCIAL WEEK

Oklahoma Cagemen Meet K.U. in Important Two Game Series.

NORMAN, March 4.—Four University of Oklahoma athletic teams are facing their most important "Big Six" competition of the school year this week.

The Oklahoma indoor track, wrestling and swimming squads go abroad for conference championship meets and tournaments Friday and Saturday while the basketball team closes its 1935 season with two crucial games against Dr. F. C. "Phog" Allen's Kansas Jayhawkers, "Big Six" champions the last four years.

Since Kansas' surprise 21-23 defeat to Missouri at Columbia Saturday night, the young Oklahoma team, although out of the championship picture itself, finds itself in a position to clinch the elimination of the Jayhawkers from the 1935 race by defeating Kansas in either game here Wednesday or Thursday.

The contest will mark the final competition for four Sooners, Bud Browning, Stanley Tyler, Don Hays and Francis Cobb. After playing seven strenuous games in fourteen days, the Sooners have had a ten day rest for the powerful Jayhawkers who will fight stubbornly to keep the title from going to Iowa State.

Coach Paul Keen's Oklahoma wrestling team will be an odds-on favorite to annex the "Big Six" wrestling championship since they already have decisively defeated Iowa State, Missouri and Kansas State. Following its 31-5 defeat of the Tahlequah Teachers here Friday night, Coach Keen announced that Sisney would wrestle at 135, Martin 145 and Brown 175 at the conference meet at Ames, Ia., this week end.

COACH CALLS DIAMOND WORKOUT WEDNESDAY

Fifty-Six Try Out for Berths On Husker Nine at First Drills.

With one week of indoor conditioning to their credit, Coach Knight's baseball squad has been slated for its first outdoor practice Wednesday afternoon, weather permitting.

A total of fifty-six men have reported since last Monday to display their diamond talents. Special attention has been given to training the pitchers who always need a great deal of drilling before they round into shape for the regular season.

New men that reported Monday are Floyd Mechem, Delos Johnson, Clarence Anderson, Richard Coleman, Cleve Trimble, and Charles Filcher.

SOIL SEMINAR GROUP TO HEAR VONTREBRA

Lecturer Shows Pictures Of Erosion Near Albion.

"Phases of Soil Erosion Control Work in Nebraska" will be the subject to be discussed by R. L. Vontrebra, regional director of the Soil Erosion service at Albion, in the Soil Seminar room of Nebraska hall, Tuesday evening at 7:15 o'clock.

Pictures will be shown of erosion conditions existing around Albion and the methods that are used to control it. This talk is one of a series of lectures sponsored by the conservation and survey division in the university on problems relating to soil conservation. The public is invited to attend.

WHEN DAD COMES THROUGH WITH AN EXTRA TEN

I'm your best friend
I am your Lucky Strike

I make all good news better! I never tolerate the bitterness, the acrid sting of undeveloped top leaves. Why should you? I don't tolerate the harshness of gritty, tough, bottom leaves. Neither should you. I give you exclusively the fragrant, expensive center leaves—the mildest, the best-tasting of all. They permit me to sign myself "Your Best Friend."
