

# Scarlet Gridsters Stage First Scrimmage Today

## NEBRASKANS DEFY WEATHER CHANGES

D. X. Bible and Squad in Spring Session Debut, Barring Sudden Turn-Arounds in Temperature Which Have Cut Short Previous Attempts at Games.

VARSIITY RED AND FROSH WHITE GROUPS PLAY

Short Drill on Monday's Program as Husker Coaches Prepare Men for Set-To Tuesday; Most of Time Devoted to Aerial Fireworks.

Nebraska's Husker touchdown getters, foiled in their attempt to run off the first regular game of the season last Saturday before an assemblage of high school athletic coaches, will get back at old man winter this afternoon unless the hasty old gentleman turns loose another snowstorm. Coach Dana X. Bible will give his Scarlet proteges their first chance of the spring session this afternoon to really show their wares, conducting a regulation game affair on the stadium greensward.

The fracas will have as a cast a varsity Red eleven and a frosh White unit, both of which will give most of the candidates for the Crimson first-team this fall an opportunity to get into the game. It will be the first set-to of the season featuring drives for the goal line and six points, the previous scrimmages having been limited to alternating offensive and defensive drills with the ball returning to the same spot after each endeavor.

Monday's workout gave the seventy-odd enthusiasts an easy workout, Coach Bible holding the stimulus of the gridiron artisans in check for Tuesday's scuffle. After a chalk talk school which laid special stress on defense maneuvers, the Husker gridmen took to the soggy terrace at the south end of the stadium arena for an aerial workout with the leather air-inflated sphere. Two squads of offensive specialists wrote the finish to the session in a series of plays which had the ball in the air in an attempt to run through a white-shirted defensive eleven headed by Johnnie Williams, versatile last-year's letterman.

Promising men who lead the way on the list of candidates: Ends: Lester McDonald, John Richardson, Elmer Dohrmann, John Merdier, Paul Amen, Bernard Scherer, Virgil Yelkin, Hugo Dean. Tackles: Victor Struve, Carrol Reese, Charles Shirey, Jimmie Heldt, Harold Holmbeck, Wally De-Brown.

Guards: Johnnie Williams, Gus Peters, Ladas Hubka, Pat McGinnis, Clyde White, Fred Ugal, Paul Faulkner, William Doherty. Centers: Paul Morrison, Lowell English, Bob Mehring, William Fitzgerald, William Horchem. Backs: Jerry Lanoue, Marvin Plock, Harold Brill, Harris Andrews, Lloyd Cardwell, Ralph Eldridge, Jack Dodd, Ronald Douglas, Sam Francis, Henry Bauer, Art Ball, Johnnie Howell.

## GULFORD CONTRACTS RIGHTS OF NEW BOOK 'Psychometric Methods.'

Prof. J. P. Guilford of the department of psychology has recently signed a contract with the McGraw-Hill Book company for the publication of a book he is writing on "Psychometric Methods." The book will be a complete treatment of statistical methods as applied in psychology. The approach is novel in that emphasis is placed upon problems in experimental psychology and psychophysics rather than upon mental tests, and for the first time these fields are given a unified statistical basis. The manuscript will probably be completed during the summer.

SENIORS SELECT BAND FOR DANCE (Continued from Page 1.) all, it is a class matter, and they should take it as such. There should be no hesitation because a girl does not have a date, for if there is, the whole spirit of the affair will be ruined. We want everyone to come as a member of the class of 1935. We want them to come and get acquainted with classmates whom they don't know. If all these inane ideas are forgotten, everybody will be there and they will all have a good time."

## PHI PSI SQUAD TAKES CLASS A FRATERNITY CAGE CHAMPIONSHIP

Ag Boarding Club Victors In Barb Basketball Competition.

Monday night saw the crowning of the Phi Kappa Psi team as the fraternity Class A basketball champions, the Phi Kappa Alpha team the victors of fraternity B competition, and the Ag College Boarding club as the rulers of the barb basketballers. The Phi Psi's annexed the Class A crown by beating the Delta Tau Delta team by the score of 16 to 12. The Phi K A's won from the A. G. R.s 41 to 30. The new barb champs took the Panthers into camp by the score of 40 to 9. The new champs will receive plaques emblematic of their victories.

In the Class A finals the Deltas assumed the lead in the opening moments of play with a fielder by Howell. The Phi Psi's then knotted things on Coy's counter. Then they forged ahead on Gridley's two pointer. From then on they were never headed. At half time they led by the score of 7 to 6. In the second half they drew farther away from the Deltas as Coy scored two baskets. Then the Deltas counted on Howells' two charity tosses. The Phi Psi's counted on Rowe's basket to go into the lead by five points. The Deltas picked up two points on them and then Christensen's goal and Gridley's free toss accounted for their 16 points. The Deltas picked up two more points on Brill's free throws and the game ended shortly after 16 to 12. The game was a rough and tumble affair, twenty-three fouls being called. Rowe starred for the victors and Howell was the losers' big nose.

The Class B affair was the most liberal scoring game of the year. It was a single scoring duel between Wurtz, the Phi K A shooter,

## COLLEGE PICTURE AT ORPHEUM

ANITA LOUISE and TOM BROWN have the chief roles in the truest picture of college life yet produced, Fox Film's "Bachelor of Arts." In this John Erskine story hokum is out—and humor is in.

and Anderson, the A. G. R. dead eye. For the first time this year Anderson was bested as he scored eight field goals and three free throws for a total of 19 points while Wurtz accounted for 24 points on twelve field goals. The Phi K. A.s assumed the lead at the start and were never headed, Wurtz registering whenever points were needed. The Phi K. A.s led 20 to 12 at half time.

Showing the sparkling brand of basketball which carried them to the finals the Ag college team trounced the highly touted Panthers 40 to 9. The Ag team amassed 16 points before the Panthers registered. They went on scoring at will. They presented a

## REGULARS WIN FROM HUSKER YANNIGANS IN FIRST DIAMOND DRILL

Scarlet Have Difficulty Hanging On to Ball In Workout.

The Regular's victory over the Yannigan hurriers marked the initial workout of Coach Knight's baseball squad this season. Apparently well pleased with the performance of his players, he smilingly expressed his high expectations for the coming season. Hustling, fighting, and on their toes every minute of the eighth inning, the rookies and regulars alike allowed errors to run rampant. This was attributed by Coach Knight to the fact that the men were trying too hard. Having only had one workout previous to the game, the infield found the hopping, bouncing "pill" difficult to capture.

Ed Pohlman, last season's regular backstop, was behind the plate for the Regulars, and according to his performance, will experience another bangup season this year. Two hits in four innings was the neat bit of tossing done by Jerry Spurluck, leading hurler of the staff.

Keith Vogt finished the game with a change in pace and fine bit

of work which marked him an almost certain berth with the Huskers.

An approving eye was cast upon Reed Carsten, speed ball king from Claytonia. He fanned three straight in the first inning with the bases loaded, and raised his total to five in the second. Graham and Mohlar finished the game for the rookies but were held down by faculty fielding which tallied six against the Yannigans. Gene Stanberg, Max Graham and Bob Joyce qualified for outfield posts. Stanberg came through for two hits out of four trips to the plate.

Ed Orcutt of the infield, who last year patrolled the orchard, has been shifted to first. The lanky left hander can handle the initial sack with ease.

....I'm the welcome third=  
 I'm your best friend  
 You find me the welcome third. I am always the same, always mild, mellow, fine-flavored, friendly to your throat. I am made of center leaves, only. Those small, sticky top leaves are sharp and bitter. Sand and grit destroy the flavor of the bottom leaves. But the choice center leaves grow to mellow ripeness, preserving every bit of fragrant tobacco flavor. I am made from these fragrant, expensive center leaves. I do not irritate your throat. This gives me the right to sign myself "Your best friend."

I am your **Lucky Strike**
