FARMERS' FAIR BOARD HOLDS MIXER FRIDAY

Mel Pester Plays for Large Crowd at Publicity Dance.

The annual Farmers' Fair Board mixer was held at the Ag campus Friday evening with a large number of dancers present. The dance was the second of a series of events that will ultimately turn attention of the ag students to the Farmers' Fair, an all celebration to be held on May 4.

Mel Pester and his orchestra furnished music for the event. Chaperons were Miss Bess Steele, Miss Martha Park, and Mr. and Mrs. T. J. Poefzell with Janice Campbell in charge of arrangements.

The first event in preparation for the Farmers' Fair took place last Thursday in the form of a rally followed by the announcement of all committees.

HONOR SOCIETIES SPONSOR CHICAGO DEAN'S ADDRESS

Dean Boucher, University of Chicago, to Speak at Temple Theater.

STARTED CHICAGO PLAN.

Phi Beta Kappa, Sigma Xi Announce New Members At Convocation.

"What Should Be Emphasized in a College Education?" will be the subject of the address to be given by Dean C. A. Boucher of the University of Chicago before a general university convocation, open to the public, to be held Tuesday, April 2, in the Temple theater under the joint sponsorship of Phi Beta Kappa and Sigma Xi. At that time new members of both societies will be announced, according to the announcement made Saturday by Prof. Clifford M. Hicks, secretary of Phi Beta Kappa.

The two societies will also hold their annual joint dinner at the University club on the evening of April 2, and Dean Boucher, as guest of honor, will make an address on the subject of the "Elements of the Chicago Plan."

Dean Boucher is head of the college of arts, literature and sciences at the University of Chicago, and is widely known as an independent thinker and interesting speaker according to Professor Hicks. Until 1925 Dean Boucher served as professor of American history at the University of Chicago, and is the originator of the "Chicago" (Continued on Page 3.)

250 ATTEND SENIOR ORGANIZATION DANCE AT DORMITORY FRIDAY

Easterday Announces Class Meeting in Social Science Thursday.

Presenting the first university all-senior affair for campus approval, the class of 1935 staged a dance at the Carrie Belle Raymond hall on Friday afternoon from 4 until 6 o'clock, under the direction of the arrangements committee headed by Don Easterday, senior class president. Some 250 members of the class were present.

During the party President Easterday announced a class meeting to be held in Social Science auditorium Thursday evening at 7:30. At this time plans will be discussed for further senior functions.

"The attitude at the dance was very pleasing," declared Easterday in behalf of the senior committee of Jack Fischer, Violet Cross, Herman Rosenblatt, Lamorne Bible, Marian Smith, and Wilbur Erickson. I want to thank the seniors for their splendid cooperation in making this affair a success. I am sure that this function marks the beginning of a better class spirit, and that the result will be the creation of a bond of unity among this graduating class which will be the original and fundamental intention of senior organization.

Fifty prominent women served as hostesses to the seniors, receiving them at the door of the dormitory hall.

DISCUSSION GROUPS TO CLOSE 1935 PROGRAM

Mrs. Schrag to Address the Legislative Club on Tuesday.

Only six more meetings of the Y. W. C. A. discussion groups will be held before the May morning breakfast May 12, after which time the groups will disband for the year. Any girls wishing to join these groups for the remaining time, however, may do so, according to Ann Pickett, in charge of interest groups.

Mrs. A. D. Schrag, president of the League of Women Voters, will speak at the next meeting of the legislative discussion group meeting Tuesday at 1 o'clock. Her subject will probably concern city elections, and lobbying.

The books and poetry group convening Thursday at 1 o'clock will also have a speaker at the next meeting. Former speakers include Mrs. H. G. Deming, Mrs. Roy Green, and Mrs. Ada Matcovich. Lois Rathburn is in charge of the group.

Patricia Vetter conducts the personality development group which will continue the discussion of etiquette at its next meeting. The home development group has been discontinued.

At the handicraft group which meets Thursday at 5 the girls are knitting, and any one wishing to learn is invited.

Museum Receives Giant Fish Fossils Found at Franklin

Fossil bones of giant prehistoric fish were brought last week to the university museum in Morrill hill. Still in chalk slabs, the skeleton parts indicate that these fish were over ten feet in length. They were discovered while work was being done on the government and state highway project near Franklin. L. L. Goldsberry informed the university, and protected them until the arrival of the museum field men, Frank Walker Johnson and Keith Rathburn. Known as Pottsville, the fish lived before the age of mammals when Nebraska was still covered with water. The men spent four days uncovering and packing the fossil remains.

BEACHLER WINS PAPER AWARD AT ENGINEERS' MEET

Nebraska Senior Places First in the \$50 Prize Contest.

Edward D. Beachler, senior of the mechanical engineering department, annexed the first-place \$50 cash award offered for the best technical engineering paper read at the sectional conference of American Society of Mechanical Engineers held here Thursday and Friday. His paper was on "Diesel Boilers." Harold Grasse of Kansas university produced the second best paper winning a \$25 prize. H. C. Bates of Kansas State won \$10 for third, and Howard Simonson of the university received a 6-inch slide rule for fourth.

In "Diesel Boilers," Beachler, local A. S. M. E. member from Lincoln, explained the principal features in the matter of utilizing the heat in exhaust gases of diesel engines to generate steam in a boiler. He pointed out how efficiency might be obtained up to 80 or 90 percent.

Grasse wrote on "Artistic Industrial Design" and referred to beauty and gracefulness in the lines of colors of modern machinery. He stated the trend in construction of machinery is now more toward beauty than formerly. Bates with "A Study of Causes of Failures of Tubes in Refinery Cracking Stills" pointed out that deposits formed from oil in the inside of tubes were directly responsible for tube failures of the disintegration of the metal. War Cannot Be Arranged for This April Despite Tradition

Time Sees Peace Hopes Dim As World Powers Turn to Frenzied Armament Expansion; Germany Seeks To Tear Black Veils From Statues.

By Ed. Murray.

March, 1935, could be set down positively last week by historians as the moment when the great powers frankly abandoned all the hopes and pretenses of the post-war peace period and openly squared away to rearm—is the statement with which Time magazine, March 25 issue, prefaced its article concerning the official first lap in this quarter of the twentieth century's armament classic. Although all major showdowns in last international races of this caliber have begun in April, the reputable commentators on the subject believe that the finals in this contest cannot be arranged this spring.

To summarize the standings in the event so far, Japan and Italy's expansions are least exciting, because the world knows what these countries desire. Japan wants Manchuria and Italy wants Abyssinia. Italy, however, has been

SPROUL SPEAKS AT SENIOR EXERCISES

President of California University, Famous Educator, To Address Graduates at Commencement Ceremonies at Coliseum June 10.

DR. HOLMES TO GIVE BACCALAUREATE SERMON

Writer, Lecturer, One Time Minister of First Plymouth Congregational Church in Lincoln to Present Speech June 9 at 4 O'clock.

Dr. Robert G. Sproul, president of the University of California, and Dr. John Andrew Holmes, formerly minister of the First Plymouth Congregational church of Lincoln, will speak at University of Nebraska graduation ceremonies this spring. Dr. Sproul will be commencement speaker at the exercises to be held June 10 at 10 a. m. in the coliseum. On Sunday, June 9, Dr. Holmes will give the baccalaureate address in the St. Paul Methodist church at 4 o'clock.

As president of the university with the largest full time enrollment in America, Dr. Sproul has made himself internationally known as an educator and leader. He became president of the California school at the age of 39, after five years as vice president. He is a California graduate in the class of 1913 and has been on the staff there during the large part of his academic life. Dynamic, affable and a brilliant speaker, Dr. Sproul also ranks as head of the southern branch of the university at Los Angeles, recently laid out with new campus and buildings.

TED HARRIS BAND PLAYS FOR FINAL ALL-BARB AFFAIR

Interclub Council, A. W. S. League Hold Party March 29.

Selection of the orchestra for the third and final All-Barb affair of the year scheduled for Friday evening, March 29, in the Army, was announced Saturday by John Stover, president of the Barb Interclub council, speaking for the committee in charge. Ted Harris and his well known band will play. The affair will be under the joint sponsorship of the Barb Interclub council and the Barb A. W. S. League, with the place being procured through the courtesy of the regular Friday evening social dancing class. Members of the arrangements committee are Evelyn Diamond, William Newcomer, and Stover. Assisting this group will be four from each of the sponsoring societies. These are Rowena Swenson, Gretchen Budd, Aletha Forrell, and Selma Goldstein of the A. W. S. League, and Milton Wittman, Joe Zuricka, Alvin Kleebe, and Gifford Swenson from the Barb council.

"Although smaller bands have been selected in the past," stated Stover, "we have chosen a larger orchestra this time in order to make the party the highlight of the season. Despite this fact, the price will remain as previously announced, 25 cents per couple."

Stover also stressed the fact that the party was not limited to only members of the league and council and that all unaffiliated students are welcome to attend. Refreshments will be made available to all. Chaperons to the affair will be announced soon.

FERGUSON ANNOUNCES \$500 SCHOLARSHIP TO MASSACHUSETTS TECH

Year's Tuition to M. I. T. Offered by Southwest Association.

Dean O. J. Ferguson of the engineering college received announcement recently of a \$500 scholarship award to the Massachusetts Institute of Technology offered to an undergraduate engineering student. The scholarship includes full tuition for one year and is sponsored for schools in the district of the Southwestern Association of M. I. T.

Any young man of American citizenship interested either in science, engineering or architecture is eligible, the notice stated. The applicant must have shown aptitude along lines of the course he is planning, and he must also have made a good scholastic record in his preparatory work.

The recipient of the scholarship will enroll as an undergraduate at M. I. T. Candidates from high schools and preparatory schools will be admitted upon taking one examination. Those who have completed a year or more of college work can be admitted on a certificate in which case they will be given advanced standing in such subjects they have completed which cover the same ground as those required at the M. I. T.

Additional information may be received at the office of Dean Ferguson.
