

CAMPUSOCIETY

THE KNITTING CRAZE IS UPON US. Everywhere everybody is knitting sweaters, skirts and even purses. The prevalence of the pastime isn't confined to Nebraska either, for masculine followers of the sport (if it might be called that) at Columbia have organized a new fraternity, Knitta Knatta Nu, designed to further the hobby, and maybe make it national. Here, gals are taking their knitting hither and yon, and we saw one in class, purling, casting off, and casting on, just as though the professor weren't delivering a highly educational lecture. It all goes to show, however, that it's possible to do two things at once, and if we can knit and get "iggieated" at the same time, by all means let's do it. It will be a fine demonstration to prove that Nebraska students aren't as one-track minded as many people think.

RECENTLY elected officers of Delta Delta Delta are Rowena Miller, president; Frances Knuteson, vice president; Maxine Smith, secretary; and Wilma Jordan, treasurer.

AT THE home of Mrs. Florence Reed, yesterday evening, members of Phi Chi Theta, women's honorary business sorority, met for a buffet supper. Spring flowers furnished the decorations, and Alfreda Johnson, national president of the organization, and Mrs. Reed were in charge of arrangements for the affair. After the supper, the twenty-two guests watched an impromptu character sketch presented by alumnae members of Phi Chi Theta.

WEDNESDAY night Mary Gerlach burst into the Cornhusker wearing an ultra smart pair of blue pajamas. We are sure that she wasn't walking in her sleep, and that she wasn't trying to make an 8 o'clock run we put two and two together and it added up to the dress rehearsal of the Coed Follies.

TONIGHT the Barb A. W. S. and the Interclub council will sponsor a party for all unaffiliated students at Grant Memorial hall. Committees in charge are, decorations, Aletha Forell, Dorcas Crawford, Ardeth Graybiel, Alvin Kleeb and Joe Runzika; door, Rowena Swenson, Elmer Wittman, Selma Goldstein, and Dorothy Beers. Chaperons for the party are Mr. and Mrs. O. W. Reimnuth and Mr. and Mrs. Stephen M. Corey and about 150 are expected to attend. This party will be the last affair of this type to be held this year but plans are being made for several functions of a different sort, according to Evelyn Diamond of the Barb A. W. S. league.

—so far as we know tobacco was first used about 400 years ago

—throughout the years what one thing has given so much pleasure..so much satisfaction

It was a matter of pride with a host in Colonial days that his guests should smoke tobacco grown on his own plantation.

Today the Governor of North Carolina says to the Governor of South Carolina—
"Have a cigarette"

TODAY people all over the world use tobacco in one form or another. They chew it, they smoke it in pipes, they smoke cigars and cigarettes, and here is what an eminent physician said about cigarettes:

"I have been something of a student of cigarettes, and it is my belief that they offer the mildest and purest form in which tobacco is used."

Yes, nowadays the cigarette is the most popular form in which tobacco is used. A good cigarette certainly gives men and women a lot of pleasure.

Have a Chesterfield—
For one thing—they're milder.
For another thing—they taste better.
