

### KNIGHTMEN PREPARE FOR MINNESOTA TILT

#### Reserve Team Gets Four Runs to Win Monday Scrimmage.

With the Minnesota game on the slate for Friday afternoon at Landis field, Coach Knight put his men thru a six inning scrimmage to round them into shape for the first fracas.

Despite of the fact that the Varsity going to the plate according to a tentative batting order, were more effective with the stick the reserves battered home four runs on six hits to win 4-3.

The Reserves exhibiting a great deal more scrappy brand of ball than the first string, played a fast game, making thirteen assists and completing a double play. Score:

Varsity ..... 000 101 1-3  
Reserves ..... 201 100 0-4

### FORTY PRESENT AT COMENIUS MEETING

#### Informal Club Gathering Is Held at Professor Stepanek's Home.

Professor and Mrs. Orin Stepanek recently entertained at their home for members of the University of Nebraska Comenius club. There were approximately forty guests.

During the course of the evening, Professor Stepanek recounted some of his experiences in his travels in the Orient. Prof. Victor Vraz, also of the University of Nebraska faculty, gave several vocal selections and Mrs. Vraz sang a number of Czech and Slovak folk songs. The remainder of the time was spent in informal visiting, playing cards, and group singing.

### CYCLONE COUNCIL APPROVES SPRING SPORTS SCHEDULES

AMES, Ia.—Schedules for spring sports events for three Iowa State college teams were approved recently by the athletic council.

These schedules call for participation of the track team in the

## Lost to Huskers For Spring Season

Johnny Williams will do no more parading up and down the gridiron for Nebraska during the current spring season—so have ruled the medics, who recently removed a troublesome appendix from his frame. But while he won't do any more footballing this spring, he's going to be in tip-top shape next fall, he claims. Above, he is shown sidestepping in the left hand corner, and smiling all over the right hand half, but those sidesteps will be changed for hard, straight driving next fall when he takes over a running guard's duties. To date, John has played half-

## TEAMS TO FINISH PING PONG MEET THIS WEEK

He began his career as an instructor in the physics department of the University of Chicago in 1896 as an assistant. He became

professor of physics there in 1910, and remained there until 1921, when he became director of the Norman Bridge laboratory of physics and chairman of the executive council at the California Institute of Technology.

During the past few years, Dr. Millikan has centered his studies on the high voltage radiations of the outer universe—cosmic rays, his discoveries occupying an important spot in the ever-changing theories of physics that have been recently advanced.

## Eliason Prints Article In Philology Magazine

Norman E. Eliason, formerly in the department of English, has written an article on "Beowulf" for the last issue of the Journal of English and Germanic Philology. Mr. Eliason is now on leave of absence from the University of Indiana to study toward his doctor's degree.

Professional definition of a kiss, as given at Wako Forest college (N. C.): "A kiss is a symbol of pure affection, or a blister of burning passion, or a smoke-screen of evil design."

## Economics I

No matter how you figure, you can't beat Arrow PAR. Here's one shirt that is tailored to fit like a custom shirt.

With your comfort in mind, PAR (Mitoga) is designed to follow the natural lines of your body. Tapered sleeves, straight front bosom; and, best of all, a draped-in waist which gives a snug (but not too snug) fit at the belt line.

PAR is topped with a low comfortable perfect fitting collar that only Arrow can give you.

If you're going to need shirts soon, we suggest you ask for PAR at the local Arrow shop—it's an
