

# Fight For Top Honors in Big Six Meet Prophesied

A wide open race for top honors seems imminent to critics of the track and field as Big Six cinder camps go through final preparations for participation in the annual track carnival in Memorial Stadium Friday and Saturday.

Two weeks ago, the choice rested on three teams, Kansas State, Oklahoma, and Nebraska, picked to finish in that order. But over the week-end Iowa State and Missouri dropped themselves into the running, and now the cinder classic has taken on renewed interest and vitalization with the realization that every team will be in the running for the championship—a novel situation in the Big Six conference.

Indication of contested individual as well as team competition is foreseen in that each member of the conference has entered a complete team, another novelty to the valley league. The number of athletes enrolled on the record books indicates not warm, but very hot competition in every event on the two-day card.

**Missouri Soars.**  
 Missouri soared like the 1928 streak after the Tigers thumped Kansas 78-1-3 to 52-1-3 at Lawrence Saturday. Mizsou celebrated her first victory at the Jayhawks' expense since 1928. Bright spots in the meet for the Tigers were Sid Cooley's twin win in the short dashes, Walker's slam in the hurdles, and Yates and Hayden's tie in the two-mile event.

Elwyn Dees, Kansas man of muscle, gave notice that he will smash his own Big Six shot put record by shoving the sixteen pound ball 50 feet 7 inches, 5-1-4 inches better than his present conference record.

With Berger, Costigan, and Lyon in the van, Iowa State showed unsuspected strength by downing Drake 68-63. Berger established a new meet record when he slammed the discus 124 feet 4 inches, while Costigan showed all-around versatility with a first in the shot and seconds in the broad jump and discus. Lyon, co-holder of the Big Six vault title, won his event.

**Speed's Loss Surprise.**  
 Harold Jacobson's double defeat in the 100 and 220 were the surprises of the Nebraska-Oklahoma dual. The Husker sprint ace finished third behind Cox and Caldwell in the 100 and followed Cox

### Thetas Get Ringside Seats, New Terrace From Free-for-All

When pre-election rallies encountered factional disputes Monday evening, their engagement centered on a rain-soaked Theta front lawn. Members of the sorority from ringside seats, watched an egg-throwing mob trample hopes for a beautiful green terrace into the ground.

Now, it is rumored, officers of the two belligerent factions, are assessing member fraternities a sum that will replace the damaged lawn. Perhaps the Thetas aren't so unlucky after all. They've seen a good s-llege scrap, and will have grass seed-enough to replant their terrace.

to the tape in the 220. With an indoor championship already to their credit, and a small clan of outstanding stars, Kansas State remains the favorite to cop the outdoor title Saturday. Ward Haylett, while entering a full squad of men, will depend on but a few of them for points, as he did at Columbia last March. And if those few come thru as they did in the indoor, it's all over but the shouting.

Schulte will look forward to second and third places for a majority of his team's points, with the possibility of acquiring a first place in the meet if the Wildcats and Oklahoma start cutting away each other's points.

**Seven Champs Present.**  
 Seven conference record holders will defend their marks Saturday, with Elwyn Dees heading the list. Having thrice broken his last year's mark, Dees is counted on to set a new record with his plaything.

The other 1934 champs who will take to the track and field in defense of their laurels are: Joe Knappenberger, Kansas State, who took the high hurdles in 14.9 seconds; Bart Ward, Oklahoma, first in the 440 yard dash in 49.9 seconds; short, Missouri, who tied with Barnam of Oklahoma for top honors in the high jump at 6 feet 3 inches; and Gray, Kansas, and Lyon, Iowa State, who shared first place in the pole vault with Coffman and White, Kansas, at 13 feet 3-8 inches.

In conjunction with the track carnival conference tennis players and golfers will hold their conference tournament at the Lincoln Tennis club and Lincoln Country club respectively. The racquetees will have a two-day tourney, while the golfers compete Saturday.

Preliminaries in the 1935 jubilee are scheduled to start 3 p. m. Friday and the finals Saturday at 2 p. m. Iowa State, Missouri, and Kansas State were the latest to hand in their list of entries. They follow:

## IOWA STATE SEES R CHANCE FOR BIG 6 BASEBALL CROWN

AMES, Ia., May 14.—Coach Joe Truskowski foresees a possibility of a Big Six championship in baseball for Iowa State despite the fact that his Cyclone nine has done only a mediocre job of hitting in recent games.

Fresh from two victories over the University of Missouri, nine during the Veisea festivities here Coach Truskowski and his team feel full of title hopes providing some other conference contender can fill the office that Missouri performed in basketball and knock the league leading Oklahoma Sooners from their perch.

Iowa State and Oklahoma do not meet this spring, but each of them has a series of conference games to play. Thus the title hopes rest largely with the results that the Cyclones and the Sooners achieve against Kansas State, Missouri, and Nebraska.

The State nine has a fair chance of coming through its remaining four conference games without another defeat. Friday and Saturday, the team faces Kansas State at Manhattan. The Wildcats stand in third place. The following Monday and Tuesday Ames plays Nebraska at Lincoln.

Conference standings are as follows:

| Team         | Won | Lost | Per.  |
|--------------|-----|------|-------|
| Oklahoma     | 6   | 0    | 1.000 |
| Iowa State   | 5   | 1    | .900  |
| Kansas State | 4   | 1    | .800  |
| Missouri     | 3   | 2    | .600  |

## Students Find Long Dosen't Believe in Sharing-Cost Plan

(By Associated Colliate Press.)  
 UNIVERSITY, Ala.—Huey Long may be all for sharing the wealth, but a group of fraternity men at the University of Alabama recently discovered his plan doesn't include sharing the cost of telephone messages concerning the kingfish's plan for solving America's economic ills.

As the result of a bull-session in their fraternity house, the Alabama students decided to call Senator Long on the telephone to straighten out an argument about the merits and demerits of his ideas. The call was put through but one of Huey's assistants refused to call the senator to the phone when asked if the Louisiana boss would pay for the call.

Questioned by the assistant as to the reasons for asking Long to pay the toll, the Alabama student retorted, "Why, we thought that if Huey believed in sharing-the-wealth, he wouldn't mind sharing-the-cost."

Bible stated. "It was made clear that the game will not be commercialized and the university will furnish its own announcer at the 'mike." Bible stated that the advance reservations for the Gopher tilt were far enough along that the department was assured of a "sellout."

## BROWNE SLATES THIRD CAGE DRILL FOR WEDNESDAY

### Practices May Continue Next Week if Rain Keeps Up.

Nebraska's troupe of 1935 spring basketball actors will go into their dance again Wednesday evening on the coliseum floor, staging the third practice cage game of the spring season at 8 o'clock. The contest had been scheduled as the last drill on the spring program, but Coach Browne stated yesterday that if rainy weather continued, practice would continue next week. It is probable, therefore, that one more intersquad game will take place next week before court togs are stored away until fall.

Men who have reported regularly for practice this week will get the nod for the starting lineup Wednesday evening, according to Coach Browne. Both freshman and varsity candidates are expected to turn out regularly for the everyday scrimmages and play assignments.

A somewhat different plan will be employed in visting the lineups for this week's game, the center posts coming in for a bit of revision. Red and white teams will start the ball rolling with two freshmen, the tallest men on the squad, opposing each other at the pivot booths. Floyd Ebaugh, Superior frosh who displaces some 5 feet 5 inches of atmosphere, will do the tipping for the Whites, and Lawrence Nelson, Mansfield yearling who towers upward in the neighborhood of 6 feet 7, will start for the Reds.

Harvey Widman, George Wahlquist, and Bob Parsons, incoming brother of the Huskers' retiring Bud, comprise the trio bidding for the White guard positions, and Henry Whitaker, Leland Hale, and Cal Carsten will divide the two forwards among them. Harry Sorensen will alternate at guard or center on the White five, and Elmer Dohrmann, Paul Amen will start at the Red guard berth, with the two Scott brothers, George and Cliff, at forwards. Morris Fisher will referee.

## Corn Cobs to Make Rally Plans at May 15 Meeting

Corn Cobs will meet Wednesday evening at 7 o'clock in room 6 of university hall to discuss plans for Friday night's rally, according to President Ted Bradley. Bradley urged every member of the organization to be present at the gathering.
