

KNIGHTMEN TAKE EASY VICTORY OVER COYOTES

South Dakota Falls Victim 10-2 to Huskers at Vermillion.

In a near-Arctic baseball game at Vermillion, S. D., Thursday afternoon, Nebraska rapped out an easy 10 to 2 victory over the University of South Dakota nine, feeling big John Hisey for nine hits and six runs before he was removed in the sixth inning with the bases loaded. Six errors by the Dakota hurler's teammates helped the Husker cause along. Reed Carstens went the route

for the Knightmen, letting down a trifle in the sixth inning to allow three of the four Coyote runs and both their hits. IOWA STATE ENTERS TEAM IN BIG 6 MEET AT LINCOLN FRIDAY

AMES, Iowa., May 16.—The Iowa State college track team has been drilling seriously this week in anticipation of raising a last place standing attained in the Big Six indoor meet, to at least a notch or two higher, when the conference track and field stars get together in the annual outdoor meet at Lincoln, Friday and Saturday.

The Cyclone team has improved considerably since the winter campaign, as evidenced by victories over Missouri and Drake in outdoor dual meets, after reverses at the hands of the same institutions indoors. The Cyclones have capable performers in the discus and the javelin throw, two events not on the indoor meet program.

Kansas State, indoor champions, Oklahoma and Nebraska are expected to vie for the outdoor crown, with the Wildcats sporting a slight edge. Kansas, Missouri and Iowa State will very likely finish in the lower half of the bracket.

Four to Lincoln. Four boys who figured in the scoring for Iowa State in the indoor meet will try for additional laurels at Lincoln. Wayne Lyon, Des Moines, who finished in a tie for third place indoors, and who soared well over 13 feet in 1934 to annex a share of the outdoor crown, and Elton Whitmore, Coia, who shared the indoor championship with Nichols of Nebraska, are expected to place high again, and if both are at top form, they are capable of placing one-two in their pet event.

Lawrence Costigan, Buffalo Center, weight man, who finished behind Dees of Kansas and Rist of Nebraska in the shot put indoors, will be counted on to hold that rating. Russell Miller, Blanchard, who finished in a fourth place tie in the high jump at Columbia, will battle it out with Short of Missouri, Wellhausen of Kansas, and Nelson of Oklahoma again at Lincoln.

Berger Sets Meet Record. Paul Berger, Manchester, Mo., who last week established a new meet record for the discus throw in the Drake dual meet, and Costigan, are expected to help the Iowa State tally in that event. Lawrence Minsky, El Monte, Calif., a sophomore with a javelin mark of well over 185 feet, should place near the top when the final distances are announced on the Cornhusker field.

Other men who may score for the Cyclones, are Tommy Neal, Sioux City, in the 100-yard dash and the low hurdles, Capt. Tom Scott, Youngstown, Ohio, in the 220 and 440-yard events, and Bob Freeman, Ottumwa, in the high hurdles.

FILINGS FOR POSTS ON AG CAMPUS CLOSE

Applications Reported as Heavy at Deadline Thursday.

Filings for the thirteen posts on the agricultural college were reported as heavy Thursday night after filings closed at 5 o'clock. Names of students filing for the positions are being checked for eligibility and will be announced Monday according to Ruth Wolfe, member of the ag executive board. The election will be held Tuesday, May 21, in the dean's office and members of the board in charge of voting stated that a heavy balloting was expected.

THREE MEETS ON TRACK ROSTER OF STADIUM CINDERS

Big Six, Nebraska College, Telegraphic Contests Run This Weekend.

Nebraska's Memorial stadium track will work overtime Friday and Saturday in an effort to accommodate the task of running off three cinder meets at once. Occupying the center of the stage, of course, will be the Big Six conference carnival, with full-sized squads from every school in the conference jamming the stadium walls. Preliminaries, starting at 8 o'clock, will be held Friday and last until 5 o'clock or after, with the finals commencing at 2 o'clock Saturday.

Immediately after the qualifying rounds in the Big Six Friday, the Nebraska state college conference will conduct its annual championship carnival, with another horde of athletes competing for the cinder laurels of the Cornhusker state. The state meet had been scheduled at Wesleyan college, but the rainy weather early in the week rendered the track there unfit for competition.

The third spike slinging fracas of the week end to which the stadium will play host comes in the form of the Big Six telegraphic meet. Summaries of the school performances must be completed this week and sent to the other valley schools for comparison, after which the winners will be announced. The Husker freshman, under the supervision of Assistant Track Coach Ed Weir, had intended to run off their meet early in the week, but were forced off the track.

Weir's telegraphic entries, of which the main strength lies in the three TriColor teams, will hold part of their competition Friday evening with the college meet and the remainder after the finals of the Big Six Saturday evening. The performances turned in will determine the winners of the freshman numeral sweaters.
