THE MARRIAGE of Miss Winifred Briggs of Omaha to Donald Harvey of Lincoln was solemnized last Tuesday night. Mr. Harvey is a graduate of the university, where he was a member of Phi Kappa Tau.

HONORING Jassamine Dunn, Alpha Phi from Omaha, who will be married June 29, Dorothy Kenner entertained ten guests at the Cornhusker Sunday morning at breakfast. Roses centered the table, and the guests received corsages of the same flower. Mrs. R. O. Dunn of Omaha, and Mrs. C. D. Kenner of Seward were guests from out-of-town.

RECENTLY announced was the engagement and approaching marriage of Mary Louise Carr and Richmond C. Hobson, both of Weeping Water. Miss Carr is a former student of Nebraska, and an Alpha Phi, while Mr. Hobson has also attended the university.

SATURDAY, Nadine Wheeler of Lincoln left for Pasadena, Calif., to attend the twenty-second annual convention of Kappa Delta. She will spend the remainder of the summer visiting in Oakland and Long Beach.

AND BETTY TEMPLE leaves Saturday for Lake Forest, Ill., where she will attend the national Alpha Omicron Pi convention to be held at Faery Hall, June 30 to July 6.

AND WE SEE by the Star that Dean W. W. Burr, head of the agricultural college of the university, will leave for a motor trip to California with his family about the first of July. They will return thru the Canadian Rockies after going up the coast thru Oregon and Washington.

Several other professors who were unwilling to be quoted on the subject expressed their approval. Many of them were particularly enthusiastic because of the possibilities for education for young people.

WITH THE OPENING of the summer session comes the reviving influx of new faces, and new contacts for jaded professors, and still more padded winter students. The campus caking places are crowded, the libraries filled every day, and it looks as though the great educational depression of June 5th to June 17th is about over.

ANNOUNCED Wednesday was the marriage of Myrtle Dusenberry of Beaver City to Clifford H. Colling of Wilsonville which

took place Sunday in Beaver City. Mrs. Colling is a former student of Nebraska and a member of Gamma Phi Beta, and Mr. Colling is a graduate of the University of Colorado.

TO BE married this evening in Lincoln are Maxine Johnson and Lester A. Walker of Denver. Both Miss Johnson and Mr. Walker have attended the university, where she was affiliated with Chi Omega.

AND THE same evening in Lincoln Fredericka Esther Wagner of Seward will be married to Albert Russmore Mott. Miss Wagner is a graduate of Nebraska, and received her master's degree from Leland Stanford. Mr. Mott is a former instructor of economics here, and is now teaching in Ann Arbor, at the University of Michigan.

AT ALTOONA, Pa., Wednesday, Erma Learnard of Ainsworth was married to Ross Van V. Taylor of Lincoln. Mrs. Taylor is a member of Chi Omega here, and Mr. Taylor is a student at Omaha Medical School, where he is affiliated with Phi Rho Sigma, medical fraternity.

ANNOUNCED Wednesday was the marriage of Anna Christensen of Omaha and C. Howard DeWitt of Rushville. Both Mr. and Mrs. DeWitt have attended the university, where she is a member of Alpha Delta Pi. The couple will live in Rushville.

LEAVING the first of the week for their summer cottage in the Black Hills are Roma, Ruth and Joan Ridnour. They will return about the first of August.

Dramatics Not on Decline Figures on Enrollment Show

The speech department boasts a record enrollment this summer, thus defying the rumor that dramatics is in a decline, according to Miss Polly Gellatly, instructor in dramatics.

"All the classes are large," Miss Gellatly reports, "and it has been necessary to divide the repertoire course, Speech 113, into three sections."

In addition to the regular courses a children's class is being offered on Mondays and Thursdays from 1 until 3 o'clock.

TWELVE TRACK MEN OF NEBRASKA PLAN TO COMPETE IN A. A. U.

(Continued from Page 1).

face, is tentative and will be limited if some of the men are unable to get here. Not all of the men have been officially entered as yet.

As the entry list grows daily, work is hurried on the stadium field and track in preparation for the national meet. In anticipation of new world's record in the high jump, Coach Sculte has had a new runway built up which promises to give every aid to boost the players over the high bar.

Expected to head the list of high jumpers is Cornelius Johnson, spectacular colored athlete from Compton Junior college and co-holder of the national title. Piling up a sensational record during two years of competition at Compton he comes to Lincoln with good chances for breaking the record. Last year Johnson tied with Walter Marty at 6 feet 8 1/2 inches. Marty will not be able to compete next week because of illness.

Jumps Promise Good Fight.

Plenty of competition will be included in the jump field with entries of Lynn Philson of Drake, national collegiate champion; Floyd Thomposn of New Orleans; George Spitz of New York A. C. and former national champion; Harold Osborn, Olympic record holder, and a long list of com-

petent man who have made six feet four or better.

Representing West Point, Dick Bauer, started workouts here for the relays and distance runs. Bauer has done 1:54 in the half and 4:15 in the mile. He ran recently in the Penn relays and at Berkley, Calif. last week in the distance runs.

The dual between Ralph Metcalf and Jesse Owens in the 100 and 200 meter promises to bring some new records in these events. Owens, called by sport sages, the wonder boy of the age, is sure to hang up a new mark while defending his national title. He has passed up the low hurdles, his entry blank shows, to try for three championships, the broad jump, and 100 and 200 meter runs.

K. U. Enters Seven Men.

Track Coach Bill Hargiss announced Thursday the names of seven men from the University of Kansas at Lawrence, who will compete in the meet. Four of these will enter the senior division with three freshmen competing as juniors. Glen Cunningham will run the 1,500 meters, Elwyn Dees, Big Six shot put champion will get here from California in time to enter. Paul Harrington will hurl the javelin and Clyde Coffman comes for the pole vault.

J. Lyman Bingham, assistant to the president of the A. A. U. says that nearly the entire Olympic track team of 1936 will participate in the meet. He predicts one of the greatest gatherings of stars ever collected. There will be at least eight world record holders and if Ben Eastman gets here there will be a total of nine with seventeen records between them.

Iowa Athletes Coming.

Iowa will be well represented at the A. A. U. with Mark Panther, Hawkeye Big Ten javelin men and other former or present stars scheduled to come. Ed Gordon, 1932 Olympic broad jump champion, and Francis Cretzmeier, captain elect who scored 141 1/4 points for Iowa last year will probably enter. John Okerlin will compete in the junior division for pole vaulting.
