

H. B. ENGLISH TO TELL OF PSYCHOLOGY TEST IN NATIONAL MEETING

Instructor to Read Paper On Experiments on Memory.

H. B. English, visiting instructor of educational psychology from Ohio State university, will read a paper on "Reminiscent or Negative Learning" at the meeting of the American Psychological association at Ann Arbor, Mich., from Sept. 3-7.

The paper is based on an experiment performed by approximately 1,000 college students. The experiment showed that while the memory of the exact word used or studied declined, memories of the ideas, curiously enough, showed improvement.

"That is to say," said Mr. English, "the ideas 'remembered' may actually be more numerous after three months than after ten minutes."

SPORTS ENTHUSIASTS NEAR TOURNEY FINALS

(Continued from Page 1.)
Interest. Many of those girls will be required to coach sports in school where they teach, and we attempt to give them a working knowledge of the rules and experience in handling the ball.

Girls Plan Two Games.
There is no regular girls baseball team, but whenever a game is scheduled women who are out are put in positions which they play best. One game is scheduled for this week, and one will be held the first of next week. On Thursday, July 25, the team will play the Giff Wiffs in Lincoln, and Tuesday, July 30, a game has been arranged with Rokeby, which is to be played there.

Men entered in the golf tournament

MEN'S BASEBALL TEAMS COMPETE

ment are H. E. Alder, J. R. Fowler, Phillip Mitchell, Paul Anderson, Brauer, Charles Parriott, H. H. Linn, Earle Wiltse, Earl Smith, H. D. McEachen, Clinton Jones, Millard D. Bell, O. H. Werner, Don McClay, Alfred Calvert, Lowell Devoe, R. L. Fredstrom, L. E. Anderson, L. A. Bragg, Doc Plympton, George Milne, R. V. Chase, P. T. Johnson, E. M. Weber, Montzing, H. F. Wergel, and Don Williams.

Names of those entered in the tennis tournament appeared in the last issue of the Nebraskan. "but we find a different situation with the women. Unless we give them competitive games they lose

TICKET SALES MOUNT FOR MEN'S STEAK FRY

(Continued from Page 1.)
cent amateur contest in Lincoln. Two talks have been arranged. John Jimmerson, superintendent of schools at Auburn, will represent the student body of men at Teachers college, and Dean F. E. Henzlik of the Teachers college will conclude the program with a summary of the summer session centering around the work of the college.

The steak fry, an annual summer affair, has been modeled after the annual steak fry held at Columbia university under the auspices of the Teachers college. The committee making arrangements for the affair tomorrow night as follows: Millard Bell, Ord; Wendel Dodd, Fairmont; J. E. Loeder, Lincoln; Richard McCann, McCook; H. D. McEachen, Neligh; L. L. Patterson, Bradshaw; Robert Lantz, Lincoln; Allen Burkhardt, Norfolk; I. J. Montgomery, Blair; Paul Ried, Fullerton; Lowell Devoe, Plattsmouth; and E. W. Lantz, Lincoln.

Ray Ramsay, alumni secretary, who was scheduled to speak, has been called out of town.

RICHARD HUFNAGLE PHOTOGRAPHS WILD LIFE IN NEBRASKA

Pictures Being Made for The Department of Conservation.

Richard Hufnagle, university photographer, left Friday for the western part of Nebraska where he will do photographic work for the conservation and soil survey division. Mr. Hufnagle will take pictures of wild life and rock formations in Morrill and neighboring counties. He will return the first part of August.

DEAN URGES EMPHASIS ON USE LEISURE TIME

(Continued from Page 1.)
"P. T. A. and the Superintendent." These lectures are given from 8-9 in former museum, room 300, and are open to the public. Dean Henzlik expressed the opinion that present educational systems emphasize group entertainment in extracurricular activities and neglect those which help the individual to enjoy his leisure time by himself. As examples, he mentioned movies, football games, and parties, all of which draw crowds rather than individuals.

Emphasize Creativeness.
"We must interest students in free-choice activities," he said, so that there will be more time for him to do what he chooses, whether it be browsing in the library, reading fiction, or working on his vocational interests. We must stimulate creativeness in projects. Teachers should guide these activities as well as group interests, Dean Henzlik concluded. There is a wide range for them, and work can be leisure when it lies in a field of interest.

Arndt Gives Talk.
Prof. Karl Arndt, of the department of economics, spoke Monday, July 22 on the subject, "Monetary Policy of the Administration." Prof. Arndt summarized the monetary policies of the present administration and described in a general way the future programs and setups foreseen in the perusing of the government policy. The last lecture will be given Wednesday, Aug. 24 by Miss Flora M. Thurston, visiting instructor in Home economics from Oregon state college, who will discuss "Family Relationships in the Curriculum."

CLASS IN DRAMATICS ATTENDS TENT SHOW

Forty members of Herbert Yenne's acting and directing class attended Chick Boyes' tent show west of Lincoln last Thursday night, when the tent players appeared in "Ten Nights in a Bar Room." Miss Harol Hedgcock and Mrs. Lucile Reeves were in charge of arrangements.

Biswell Writes Article For Botanical Gazette

Harold H. Biswell, who received his doctor's degree in botany here this year, has written an article "Root Systems of Certain Deciduous Trees," which appeared in the last issue of the Botanical Gazette. The Gazette is published by the University of Chicago.

Prof. Orfield to Teach at Michigan Summer School

Prof. Lester B. Orfield of the law school will leave July 22 for Ann Arbor, Mich., where he will teach at the summer session at the University of Michigan. At present both Mr. and Mrs. Orfield are visiting in Minneapolis.

PRINCETON MEN ARE STUDYING PROBLEMS OF ANCIENT GEOLOGY

Question of Antiquity of Man May Be Solved in Nebraska.

Dr. Paul MacClintock, professor of geology at Princeton university, and Mr. J. S. Templeton, field assistant and graduate student at Princeton, arrived recently to study geological problems concerning the Pleistocene geology of this state and the question of the antiquity of man in Nebraska.

The Princeton geologists will work with Dr. A. L. Lugn, of the department of geology and the Nebraska State Geological Survey, and Mr. C. Bertrand Schultz of the State Museum. They will study sites near North Platte and in the North Platte river valley where Folsom and Yuma artifacts have been found.

Sterling Marshall Visits University Music School

Sterling Marshall, graduate in organ with Mrs. Edith B. Ross, visited the school of music last week on his way thru Lincoln. Mr. Marshall is organist and choir master of the Trinity Episcopal Church at Houghton, Mich. and was formerly organist of the Holy Trinity church in Lincoln. He has been attending a boys choir school at Put-In-Bay this summer, taking special work for choir masters.

Prof. Smith Speaks on French Architecture

Prof. Linus Burr Smith, chairman of the department of architecture, will give an illustrated lecture on "A Review of French Architecture" Wednesday morning at 10 o'clock in the department of architecture library at the Temple building. Slides will be shown during the lecture, many of which have been made from photographs taken by Prof. Smith on his trip abroad.

Swimming Meet Ends Women's Gym Course

Women registered for physical education will complete their six weeks course with a swimming meet July 26, announced Miss Clara Rausch of the Physical Education department, Tuesday. Miss Rausch who will supervise the meet stated that a similar contest would be held at the end of the eight weeks session of summer school.

Four Pairs Sisters Live at Paige Hall; All Teach in State

If the old traditions about sisters living under the same roof are true, Paige Hall should be an Eden on earth. Within the walls of the girls dormitory at 331 North 13th live four sets of sisters; Lela and Lillian Fursel of Lushton; Marlea and Marcella Elftmore of Ravenna, Alice and Martha Marrow of Ainsworth, and Helen and Lillian Bamesberger of Aurora.

All of the eight are teachers out state, and all are here attending the university summer school.

Sixth Graders Have Greatest Interest In Type Instruction

A class of special interest to the sixth grade in the elementary educational laboratory at Bancroft is that of typing. Every day under the supervision of Miss Edith Erb, instructor, the sixth grade pupils go to teachers college for instruction in the fundamentals of typing.

The elementary education department and the commercial arts department are co-operating in conducting this class, which was offered for the first time last year. Miss Helen Forburger is the instructor.

The pupils of the sixth grade, who are in their fifth week of study, are able to type projects, which are part of their regular school work. The typing class is used as an award for good work done in their correlated school work.

Summer French Club To Hold Meeting Aug. 1

The summer French club will meet Aug. 1, according to Prof. J. R. Wadsworth, of the department of romance languages. The program will include piano solos from the works of noted French composers composed by Miss Lenore Teal. The meeting place, the hour, and further information will appear in a later issue of the Nebraskan.
