

Varsity Crushes Frosh In Mid-Week Scrimmage

Y.M. HONORS FROSH AT STAG PARTY WED.

First of Programs for New Students' Enjoyment Is Carried Out.

Freshman agricultural students were entertained at a stag party given by the Y. M. C. A. at College Activities hall Wednesday night. It was the first in a series of programs to be given by the "Y" to make the lives of first-year men more enjoyable.

Heads of the Y. M. C. A. and leaders in church work near the ag campus were introduced to the students. There were several special features on the program including an address by Prof. C. E. Rosenquist on the work of the Y. M. C. A. Council, of which he is the adviser and leader.

Several lively games were introduced to encourage the making of acquaintances among the students. Refreshments were served.

LANOUE KICKED IN SIDE—INJURY NOT SERIOUS

Coaches Divide Squad Into Varsity and 'B' Team Units; Thirty-Three Men Retained on 'A' Group; 'B' to Play Kearney Friday Night.

Nebraska university football followers will need more than a pair of field glasses and a team handbook if they expect to keep tabs on the Husker eleven this year. Judging from the seven touchdowns which poured over the goal line in the varsity-freshman practice scrimmage Wednesday evening, the well-equipped fan will go to Memorial stadium with an adding machine and a typewriter.

When Coach Bible's two varsity teams had finished making a sieve out of Ed Weir's inexperienced first-year lineups the reckoning stood at a 45 to 0 victory for the veterans and a frosh entry of a completed forward pass, two fine punts, and several defensive raffles that gave them the ball on downs.

The touchdown credits went to Jerry LaNoue, Bernie Scherer, Sam Francis, Jack Dodd, Ralph Eldridge, and two for Bob Benson.

PREP STARS ON ROSTER

Weir Expects Better Defense Than Offense in Coming Scrimmage.

Frosh footballers inaugurated their 1935 season Tuesday afternoon with mild passing, kicking, and various calisthenics under the tutoring of Coach Ed Weir. Official practice is to begin after registration is completed.

Coach Weir is not expecting his frosh to display much offensive style against the varsity Saturday, as it is hard to demonstrate a great deal so soon in the season. However, he expects his '35ers to put up a stubborn defense against the more experienced Scarlet.

Highly Touted Frosh.

Among the 117 frosh who have checked out uniforms to date, many have been highly touted in prep school competition. Included are "Wild Bill" Callahan of Grand Island, Charles Brock of Columbus, Bob Mills of Lincoln, Hammond McNish of Sidney, Marvin Plock of Lincoln, and Sam Schwartzkopf of Lincoln. How these former all-state, all-conference, and all-city stars will rank in university participation is yet to be ascertained by Coach Weir and their showing in practice sessions and games.

"Kid" brothers of two very famous Nebraskans are members of the frosh team. One is Edward Sauer, brother of George Henry Sauer, and the other is George Mathis, brother of Chris Mathis.

The Lincoln high schools contribute a large amount of frosh material, which this year is very large.

INTERFRATERNITY SPORTS PROGRAM WIDENED 1935-36

Petz Looks Forward to More Successful Season Than Last Year.

A 1935-36 program even more successful than last year is the goal of Harold Petz, University of Nebraska intramural athletic director. The program is to be widened this year to include more competition for barb student teams.

Last school year 88.5 percent of all fraternity men competed in at least one intramural sport. This, according to Petz, is the highest percentage ever recorded.

The same general policy will be carried out this year. The forfeit fee of two dollars, begun last year, will again be levied. This fee is to make sure that all teams will be on hand for all scheduled games. Only one new sport has been added to the list of activities. A swimming relay meet is to be held for the first time this year.

The sports to be held are touch football, tennis, basketball, free throw contest, water polo, Class A and Class B basketball, outdoor track, swimming relay meet, handball, volleyball, horseshoes, playground baseball, and golf.

New rules for touch football are to be formulated to make the game more thrilling and open. Touch football was introduced last year in place of soccer and has proved to be the most popular activity of the program.

Students will again officiate this year at all games. Any student wanting a job as an official, should apply to Coach Petz at the intramural office in the coliseum. Bill Horney is back to assist Petz in directing the program.

An intramural news service to act in co-operation with the university news service is to be started this year. Small outstate towns will be furnished with intramural news.

The touch football schedule is to be drawn up at a meeting of the fraternities managers next week. Fraternities who have not as yet selected their manager should do so as soon as possible.

Some Quips On the Cuff

Paul Chooses A Team and Is Probably All Wet.

Here and there: The long and short of it for Nebraska...Lloyd Cardwell and Jerry LaNoue...What a Mutt and Jeff team they make...Jerry, by the way, ticks the ivories like Rubinoff makes the violin squeak...And his singing makes girls sigh like broken suction pumps...Jack Ellis, Omaha, looked good in the varsity line this past week...If he wasted away to a mere 150 from his 200 pound bulk he'd still have an inner tube around his tummy...Minnesota, the papers said the other day, was listless and uninspired in football drills...We didn't think it possible...Fred Ugal, former Nipponese University of Nebraska guard, is now enrolled in Kearney, but won't play against his former team mates in the Kearney-Nebraska B game Friday because of a chest ailment.

A guess at the team to start for Nebraska one week from Saturday, when the Huskers entertain Chicago:

Left end: Bernard Scherer, Dallas, S. D.
Left tackle: Harold Holmbeck, Beatrice.
Left guard: John Williams, Lincoln.
Center: Paul Morrison, Lincoln.
Right guard: Ladas Hulka, Table Rock.
Right tackle: James Hehl, Scottsbluff.
Right end: Elmer Dohmann, Stapleton.

Quarterback: Henry Bauer, Lincoln.
Left halfback: Jerry LaNoue, Winner.
Right halfback: Lloyd Cardwell, Sewell.
Fullback: Sam Francis, Oberlin, Kas.

From the Big Six exchanges:

"Roy Toar" Lyman rejected an offer by the Chicago Bears to hold down a line position for Nebraska...Funny how I thought he was coaching here...And where did they get that "Toar"? "Elmer Dohmann, 200 pound back, six feet six inches tall, may rival Cardwell in the Nebraska backfield"...So I was wrong again...I had him on my list as an end...Nebraska, one expert has revealed, is the only team confident of victory...That isn't the story D. X. Bible's been spinning around these parts...Kansas university's football men went to a CCC camp near Lawrence for early season football drills...Even athletes are living off the government these days...101 members listed on the Nebraska frosh football roster...Bill Callahan, 190 pound fullback from Grand Island, is a standout...So is Charles Brock, all-Nebraska high school tackle from Columbus...Nebraska needs tackle, and there's lots of potential material on the freshman gang.

SCHULTE CALLS FOR TWO MILE TEAM MEN

All Eligible Runners Are Wanted Out for Daily Practice.

Coach Henry F. Schulte Wednesday issued the call for fifty candidates for the University of Nebraska two mile team. Candidates may report at any time in the afternoon but preferably at 4 o'clock.

Every available and eligible runner from the 440 yard distance on up is wanted out for daily practice by Schulte. Five or six matches with Big Six and Missouri Valley conference rivals have already been arranged. Glenn Funk, ace distance runner of last year, will assist Schulte in handling the two mile candidates.

Schulte announced also that the annual interclass meet will be held in early October.

There is to be a much stricter check at the booths this year to see that only subscribers receive copies of the publication. It will be necessary to present a receipt at the booth to be checked against the paper's list of subscribers before any student can receive a copy of the paper.

The price of mailing copies of the Daily Nebraskan is \$2.50 a year.

NEBRASKA SETS PACE IN MAIL STUDY PLAN NYA Uses Correspondence Idea for Other States.

Returning from conferences with government officials in Washington, Dr. A. A. Reed, university extension director, announced this week that the extension service plan of correspondence study now employed at the university will be duplicated in other states under the sponsorship of the national youth administration. The program calls for an allotment of \$1,750,000, said Dr. Reed, and will get under way in the various states within a month or six weeks. It is expected by officials that a similar correspondence study plan will be established in CCC camps.
