

### CAMPUSOCIETY

**THEY DON'T SPEAK OUR LANGUAGE!**... small talk on the Iowa state college campus was rather puzzling for the uninitiated Nebraskans at the game Saturday. Caking is an unknown procedure in Ames... they substitute with the "coffee hour" from time to time during the day. House parties and hour dances, familiar topics of conversation here, are "firesides" and "exchanges" to the Iowans. Points of interest, on and off campus, proudly exhibited by the students, are the loafing and eating spots, the most popular of which are the Scoreboard (in town) and the "Cyclone Cellar" (in the Memorial Union). Without much time to investigate anything but the highlights, visitors from Nebraska found the tall corn state college... enlightening to say the least!

**SEEN AT THE IOWA GAME:** Maxine Rutledge, blond Alpha Phi of yesteryear who reported that she will return to Nebraska in January... flags waving over the Ames stadium, very pleasing to the eye... Jim Harris leading about one hundred enthusiastic Nebraskans in the locomotive... Duke Nolte and Jean Piper seated in the front row... girls dressed in red and yellow overalls selling apples and popcorn... Cyclone cheerleaders doing flips, numbering seven, after the lone touchdown... Ruth Talhelm and Drusilla Davidson squinting into the annoying sunshine... and Iowa fans singing "Fight, Fight, Fight for Iowa State."

**TODAY** at the chapter house, the Alpha Sig mother's club will meet for 1 o'clock luncheon. Mrs. C. S. Sturdevant is hostess to the affair, and twelve guests are expected to attend. Decorations will take the form of autumn flowers, and after the luncheon the group will hold a business meeting.

**AT THE home** of Mrs. Hugh Hallet, Kappa Sig auxiliary will meet for luncheon and a short business meeting. Assisting Mrs. Hallet as hostesses will be Mrs. Charles Matson, Mrs. Verne Hedge, and Mrs. A. G. Williams. The house will be decorated with fall flowers, and about twenty guests are expected to attend the affair.

**AND THE** Acacia mother's club will meet at the chapter house today for luncheon to be followed by a business meeting. Garden flowers are the decorations planned, and about eighteen guests will be present.

**TONIGHT** the Phi Mu alumnae will meet for a buffet supper at the home of Mrs. Paul Karnes. Assisting Mrs. Karnes as hostess will be Mrs. Roy Cochrane, Mrs. E. A. Schmid and Mrs. B. B. Dawson. Twenty members are expected to attend.

**ANNOUNCED** Sunday was the engagement and approaching marriage of Hester Mary Dutch of Ogallala to Charles M. Halsted of Lincoln. Miss Dutch attended Stevens college, and is a graduate of Nebraska where she joined Kappa Alpha Theta. Mr. Halsted is a graduate of the university and a member of Kappa Sigma.

**AND TO** be married soon are Nola Smith of Geneva and Birchard Carter of the same town. Mr. Carter is a former Nebraska student.

**IN THE** late fall, Sybil Juanita Rhoades of Lincoln and Gareth H. Smith of Scottsburg, Ind., will be married. Miss Rhoades has attended the university and the Bryan Memorial training school for nurses.

**NO DATE** has been set for the wedding of Evelyn Zicafoose of Raymond and Ellis Hutchinson of Waverly. Miss Zicafoose has attended Western Union college, and Mr. Hutchinson is a former student of Nebraska.

**NOVEMBER 23,** Dorothy Kalleman of Lincoln and Elmer Hansen of the same city will be married. Miss Kalleman is a Nebraska graduate.

**IN NEW YORK** for the winter is Dorothy Bumstead, former student here and member of Alpha Phi. Miss Bumstead will study at the Traphagen School of Design.

**LAST** Sunday at the Sigma Kappa house, actives of the sorority entertained the campus housemothers, and the active and pledge presidents of the sororities at 4 o'clock tea. Miss Lucicy Hill presided at the serving table, and Ruby Schwemmbly, Mrs. Frank Schrader, Phyllis Baxter, and Louise VanSickle were in the receiving line.

**ANNOUNCED** recently was the marriage of Kathryn Kitzel and George Blessing, which took place Oct. 6 in Beatrice. The couple will live in Elmwood. Mr. Blessing is a former Nebraska student.

**OFFICERS** of the Zeta Tau Alpha pledge class are Geraldine Hunt, president; and Alyse Wilke, secretary-treasurer.

**SEPTEMBER 25,** Barbara C. Osburn of Lincoln was married to Frank Manchester of the same city. Miss Osburn is a Nebraska graduate and affiliated with Iota Sigma Pi and Kappa Epsilon.

**IN TOWN** for the past few days was Frank Ludwig national secretary of P. A. D. A dinner honoring Mr. Ludwig was held at the chapter house, and after it, the active and alumnae members met for a special meeting.

**WEDNESDAY** evening in Lincoln, Helen Louise Banzet of Be-

### WHAT'S DOING

Alpha Omicron Pi sorority, 12 o'clock luncheon at the chapter house.

day. Then Saturday, the Student Activities building promises to be very busy around noon. It is to be South Omaha day. Lunch is to be served to the farmers, and commission men will be present.

While trudging around the campus your writer has acquired quite a vocabulary comprising by words, or favorite sayings of different people on the campus. A few that I have heard are: Clyde White saying "Whoops!" Eleanor Green, crying "Aw Maw!" Prof. Skidmore, in Animal Path class saying "And what not?" Burr Ross cursing "Longer than a snake!" J. Ervin Meyer saying "Gee I'm hot

stuff." Al Pearl saying "Swords or Pistols." John Clymer whispering, "Come now Lois." Elsie Buxman pleading "write my name." Well, that's enough for now, but there's more to go later.

I would like to take the liberty of warning a certain young, blond freshman hailing from DeWitt that has been seen with Janice Daugherty, that his life is in danger. It seems as if there were quite a number of big bruisers also interested in this charming young princess from Omaha.

It is rumored that a certain young Alpha Xi from Panama has deserted the Ag college this semester to try her luck at being a professor. Hear she's doing a good job.  
We of Ag think that Elmer Heyene had better return from Texas immediately if he doesn't want to lose his option on that sophomore brunette he has been writing to. News has reached me that Hub Al-loway has been dating her.

Dave Rice has been bragging that he got ten hours sleep Sunday night. Sounds like he doesn't get that much very often.  
Somebody asked me who's going to win the game Saturday. I'm not ready to say either way; why don't some of you tell us? Thursday I'll tell you definitely and even what the final score will be.  
Well, don't forget the Farmer's Formal. I want every student on

Ag campus to have a date when I join you again. By the way, there will be a good chance to get that date Wednesday night. I was told that the Home Ec. club is sponsoring an hour dance at the Activities building, so get out there and get busy.

No freshmen are to enter Montana hall by the front door, cut the campus, sit on the senior bench, neglect wearing their green headgear on the campus between the hours of 8 and 5 talk or walk with other freshmen of the opposite sex on the campus, and cut assemblies.—The Montana Exponent.

The University of Dayton boasts one of the most cosmopolitan teams in the country. Nationalities represented are American,

Swedish, Scotch, Irish, Lithuanian, Australian, Jewish, Polish, French, Dutch, German, Slavic, Hawaiian, and Russian.

Couches and beds may replace desks in the classrooms—if the theory of Dr. Ralph Winn, City college of New York, is adopted by boards of education. The educator asserts that the student who relaxes and rests during lectures retains the greatest amount of information.

Fraternities at Syracuse are planning exchange dinners to further goodwill between the different lodges.

In a survey recently made at U. S. C. and San Diego State, it was found that women have more

general knowledge than men. No conclusions can be drawn, however, for the men knew more about designing of women's clothing, and the women scored higher on sports.

Date rules for men is the plea of coeds at the University of Kansas. University regulations there forbid the female of the species to leave the campus on a date, while the men have entire freedom to go where they want, do what they want—well, almost.

### Lincoln Junior League TOWN HALL SERIES

Close to the Campus

Leaf tobacco being sold to highest bidder

From 1900 up to 1934 the leaf tobacco used for cigarettes increased from

13,084,037 lbs. to  
326,093,357 lbs.;  
an increase of 2392%

It takes mild ripe tobacco to make a good cigarette.

United States Treasury Building

During the year ending June 30, 1900, the Government collected from cigarette taxes

\$3,969,191

For the year ending June 30, 1934, the same taxes were

\$350,299,442

an increase of 8725%

—a lot of money.

Cigarettes give a lot of pleasure to a lot of people.

More cigarettes are smoked today because more people know about them—they are better advertised.

But the main reason for the increase is that they are made better—made of better tobaccos; then again the tobaccos are blended—a blend of Domestic and Turkish tobaccos.

Chesterfield is made of mild, ripe tobaccos. Everything that science knows about is used in making it a milder and better-tasting cigarette.

We believe you will enjoy them.
