## CAMPUS RALLIES FOR LAST BIG SIX GRID FRAY FRIDAY

### 'Kan Kansas' Watchword For Turf Mix Saturday.

### ASSEMBLE AT TEMPLE

#### Schulte, Fischer, Scherer To Speak Outside Stadium.

"Kan Kansas" is the University of Nebraska campus watchword as the Cornhuskers prepare for their Big Six titular football match with Kansas' Jayhawks here Saturday.

Students will give their team a spirited sendoff into the last conference fray of the season with a rally parade Friday night.

The usual order of march will be followed, the crowd assembling at Temple theater, marching down "R" Street to 16th and north on Vine to the stadium where Coach Henry F. Schulte, Daily Nebraskan Editor Jack Fischer, and Game Captain Bernard Scherer will speak. Speeches will be made outside the stadium main gate, not indoors as heretofore.

No Cars Wanted. Band, Corn Cobs, Tassels, Innocents and students will form in the parade in the order named. Students are requested by members of the Student Rally Committee, in charge of the demonstration, to refrain from joining the parade in cars and to stay off the running boards of machines transporting the cheer leaders.

"We realize it is cold, but think that the students can generate more pep afoot than in cars," stated Arnold Levin, member of the rally committee. "We want to make this one of the biggest rallies of the year, for Saturday's game will decide the winner of the Big Six football championship for 1935. So everybody please stay out of cars and help us put on a demonstration that will scare Kansas."

"The entire band must be present," said Fred Chambers, innocent and chairman of the rally committee. "This rally necessitates the presence of as large a number of musicians as possible, and we request all to turn out."

## COED COUNSELORS DISTRIBUTE TICKETS

### Plans for Plantation Party Will Be Discussed at Mass Meeting.

Coed Counselors will hold a mass meeting Thursday, Nov. 7, at Ellen Smith hall, to distribute tickets for the Plantation Party to be given by the group Nov. 14. Arrangements will also be made to co-operate with Alpha Lambda Delta, freshman women's honorary, in helping freshmen women with their school work.

"Since this is an annual party the board members urge that every Coed Counselor feels it her responsibility to attend the Thursday meeting. General plans for the affair will be discussed, and tickets will be given out," stated Elizabeth Moomaw, president of the organization.

Each coed counselor will bring her little sister to the party, and fraternity mothers and daughters are especially invited. Elizabeth Moomaw is in charge of general arrangements, with Marjorie Bannister chairman of the program committee, Gladys Klopp in charge of the food, and Rowena Swenson, responsible for getting waitresses.

## WPA PROJECTS START ON MEDICAL CAMPUS

### \$70,000 Government Aid for Omaha Construction to Be Employed.

Government aid for new university building projects on the Omaha medical school campus will put \$70,000 worth of materials and labor into use Thursday, when the first shift of unemployed workmen go on duty.

New steam tunnels for the heating plant, a new service building, and a gown factory are included in the list of projects to be undertaken by the WPA. All money grants will be from the government; some building materials on hand and the services of building supervisors is being contributed by the university.

The projects were formally approved last week, and preliminaries were quickly disposed of to provide for Omaha's jobless, who were further endangered by the sudden cold snap. The gown-making project, which will employ Omaha women, will provide doctor's and nurses gowns for the university hospital, clinic, and laboratories. R. B. Saxton, assistant operating superintendent, is supervising the work.

## Stricter Enforcement Smoking Order Urged

Stricter enforcement of the "No Smoking" order of the board of regents was asked of all instructors in the departments of economics and business organization by Dean J. E. LeRossignol in a letter mailed from his office Saturday.

Text of the letter follows: "Will you please remind the students in all of your classes of the fact that the university regents have issued an order in regard to smoking which reads as follows: 'Smoking is prohibited in the halls, classrooms, and student laboratories of University buildings.'"

"I hope that our students, as law-abiding citizens, will comply with the letter and spirit of this order and refrain from smoking in the places indicated. However, I am pleased to say that the young men of the college are invited by the Men's Commercial Club and with consent of the faculty to smoke in their room."

"Please support this letter as strongly as your conscience may permit, so that the halls may be free from tobacco smoke and the floors from cigarette stubs, which are unsightly in themselves, cause trouble for the janitors, and make a bad impression on visitors." J. E. LeRossignol.

## REGIMENT PLANS OBSERVE NOV. 11 WITH BIG PARADE

### Tassels to Carry Memorial Flag in Armistice Day Celebration.

R. O. T. C. unit will observe Armistice Day, Nov. 11, with a regimental parade thru the downtown business district at 1 o'clock. It was announced Tuesday by the military department. Tassels, carrying the Memorial Flag, will form in front of the Provisional Battalion and parade with the Cadet Regiment.

At 1:15 an assembly will be held on the mall between Social Science and Andrews hall. The band, Tassels, Provisional Battalion, and Brigade Headquarters will be on the north side of the rectangle; the First Regiment, Companies A to M in command of Cadet Colonel Rider, in the center, and the Second Regiment, Companies A-2 to M-2 in command of Lt. Col. Cosgrove, on the south.

Following the Armistice Day parade the Regiments will reform on the athletic field, Memorial stadium, where a parade rally and review will be held honoring the football coaches and the squad. Cadets will be in full uniform, and Field and Staff officers are to be mounted.

The Regimental and Battalion staffs for each Regiment are as follows:

- First Regiment. Colonel Rider, Adjutant. Lt. Greiss, S-2. Lt. Petre, S-4.
- Second Regiment. Major Ryan, Adjutant. Capt. Palmer, Adjutant. Major Akin, Adjutant. Capt. Shellenberg, Adjutant. Major Funk, Adjutant. Capt. Shurtlett, Adjutant. Major O'Sullivan, Adjutant. Capt. Ciers, Adjutant.
- Third Regiment. Lt. Col. Cosgrove, Adjutant. Major Elliott, Adjutant. Lt. H. F. Schmidt, S-2. Lt. Shutt, S-3. Lt. Wampler, S-4.
- First Battalion. Major Harris, Adjutant. Captain Black, Adjutant.
- Second Battalion. Major Standeven, Adjutant. Captain Brigham, Adjutant.
- Third Battalion. Major Pace, Adjutant. Captain Molkemper, Adjutant.

## OMAHA ADJUTANT HEARS DR. WHITNEY

### Uni Zoologist Lectures on 'Hereditry in Man' Tuesday.

"Hereditry in Man" is the subject upon which Dr. D. D. Whitney, chairman of the zoology department, addressed members of Sigma Xi at a meeting held Tuesday evening in the medical college campus in the south amphitheater at Omaha.

The inheritance of mental traits, as well as a comparison of the similarity of inheritance in plants, animals, and people, including the possibility of inheritance was the subject. A banquet at 6:30 preceded the meeting.

## Miss Moke Discusses New Highway to Mexico City

Miss Irene Moke, graduate assistant in Geography, lectured Tuesday morning to the class in Geography of Latin America on the subject: "The New Motor Highway to Mexico City." Miss Moke made this trip last summer spending much of the summer in Mexico on field research as her thesis in part of the work toward her Master's degree in geography.

## Skit Judging Periods

- Alpha Phi ..... 7:00
- Alpha Omicron Pi ..... 7:15
- Kappa Alpha Theta ..... 7:30
- Gamma Phi Beta ..... 7:45
- Pi Beta Phi ..... 8:00
- Delta Gamma ..... 8:15
- Chi Omega ..... 8:30
- Sigma Alpha Iota ..... 8:45

## GREEKS COMPETE FOR DECORATION CONTEST PLACES

### Eight Fraternity, Sorority Entries Received by Sponsors.

### SORORITIES MAY ENTER

#### Applications Must Be Filed By Thursday at Daily Nebraskan Office.

With eight fraternities and sororities having entered the contest for the best homecoming decorations by Tuesday night, Innocents, sponsors of the projects, looked forward to extensive participation in the competition.

Houses which have already filed the Alpha Phi, Kappa Kappa Gamma, Sigma Alpha Epsilon, Sigma Nu, Alpha Tau Omega, Delta Upsilon, Sigma Phi Epsilon, and Pi Beta Phi.

"Both sororities and fraternities are urged to enter the contest," state Jack Pace, Innocent in charge. "There seems to be somewhat of a misunderstanding that only fraternities could take part in the decorating. We hope that every group on the campus will participate in homecoming celebrations in this manner."

All entries must be filed by Thursday in the Daily Nebraskan office. Winner of the contest will receive a silver cup, now on display in Long's Bookstore window. A limited cost of \$25 on materials has been set by the men's honorary society.

The decorations will be judged by Maurice Gordon, of the fine arts department, Richard Ernest, of Miller & Paine, and Ray Ramsay, alumni secretary. Judging will take place Friday night at 7 o'clock, and the winner will be announced in Sunday's Daily Nebraskan.

Although no contest was held last year, several houses put up decorations as an individual project. This year, the winner, whose name will be engraved on the cup, shall keep the trophy for a year.

## TRI K CLUB SPONSORS BANQUET FOR AG MEN

### A. L. Frolik Speaker at First Such Affair of Year On Campus.

### NOV. 6 TICKET DEADLINE

Ag men will attend a banquet Thursday, Nov. 7, at 6 p. m. in the Agronomy laboratory building on the Ag college campus, which will be the first of several this year sponsored by the Tri K club, active organization of agronomy students.

Following the banquet an open meeting will be in session during which A. L. Frolik, instructor in agronomy, will discuss problems in connection with wild game management. Frolik is back in the department of agronomy after spending the past school year and two summers at Wisconsin in completing requirements for a doctor's degree.

Committee in charge of tickets and food includes Darrel Bauder, chairman, Don Kilmer and Dale Smith; the publicity committee is composed of John Clymer, chairman, Adrian Lynn and George Lambrecht.

Officers of the club include Bob Cushing, president, Roland Weibel, vice president, and John Bengston, secretary treasurer.

Tickets for the banquet must be obtained by Wednesday evening, Nov. 6.

## KOSMET ANNOUNCES 14 SKIT WINNERS FRIDAY

### Dress Rehearsal Is Planned For Afternoon Friday, Nov. 22.

Fourteen winners in preliminary judging of skits for the Kosmet Klub fall review will be announced Friday, according to Clayton Schwenk, Klub president. The judging committee will review entries tonight and Thursday on their final rounds.

Full dress rehearsal with the orchestra is planned for the fourteen full-time acts and curtain skits for Friday afternoon, Nov. 22. Several acts which are eliminated in the preliminary judging will be asked to use certain parts of their skit for curtain acts, which may enter competition for the cup with full time presentations.

### Gives Second Lecture.

Dr. John D. Clark of the Braid college gave the second of the series of lectures before Beatrice business men Tuesday evening. He discussed various phases of the New Deal.

## STUDENT UNION DRIVE RENEWED BY COUNCIL

### Governing Body Asks Cooperation of Alumni and Students in Campaign to Secure for University The Much Needed Building.

Student council efforts to obtain a union building will be renewed today when Council President Irving Hill appoints a committee to resume the drive begun last spring. Announcement of committee members will be made at the council meeting at 5 o'clock today in university hall.

The new drive is to consist of three phases which campus leaders hope will lead to final realization of the project which has long been a dream of campus governing bodies.

The plan includes: 1. A new drive to rally alumni support in cooperation with the alumni association in an effort to get definite assurance that Nebraska alumni are willing to help make the building a possibility.

2. Establishment of a student union fund to which campus organizations will be asked to contribute. In this way the council hopes to get concrete evidence from student groups that they are definitely behind the proposal.

3. Investigation of possibilities of future federal funds. The unemployment relief program will not end this year and it may be possible to obtain a loan next year.

Campus leaders appeared greatly encouraged following recent conversations with the Board of Regents. It was reported that university authorities were again considering the project following almost complete rejection of the plan this spring.

"Principle objection to the plan, was that it was not in tangible enough form," stated Hill. "The council hopes to be of continual assistance to the committee by directing the campaign."

## PEACE MOVEMENT DEMONSTRATIONS OCCUR ON NOV. 10

### Hayes Beall Will Speak at Meeting at First Baptist.

### STUDENTS PARTICIPATE

Demonstration of the youth of Lincoln for the cause of peace will consist of armistice services at the First Baptist church, 14th and K Street at 8 o'clock, Sunday evening, Nov. 10. It was announced Tuesday by Grant McClellan, Y. M. C. A. member in charge. The speaker of the evening, a youth himself, is Hayes Beall, president of the National Council of Methodist Youth, coming here from the Chicago office. He is a graduate of the Yale school of divinity, and was chairman last year of the committee which sponsored the youth strike against war.

University students representing various organizations are cooperating in sponsoring this meeting. The student peace action committee will be represented by Lillette Jacques and Edwin Getscher; Y. M. C. A., by McClellan; Y. W. C. A., by Gladys Klopp and Jane Keefe; the latter chairman of international relations staff of the International Relations club. All other university students are urged to come.

Young people's societies of the various churches are cooperating, and other adults groups in the city of Lincoln are sponsoring the meeting. Members of the Lincoln Peace Council have actively participated in arrangements for the meeting, and the Council itself is sponsoring the rally. One of the chief points of discussion Sunday night will be the impending Nye-Kvale bill now before the national congress. This is a proposed amendment to section 40 of the National Defense Act, introduced in the senate and the house on July 24 last, by Senator Nye and Congressman Kvale, which if and when enacted into law will "limit its application (The Defense Act) in the case of civil educational institutions to those offering elective courses in military training."

This purpose the Nye-Kvale amendment would accomplish by inserting a phrase at the appropriate place in the present law providing that no R. O. T. C. unit shall be established or maintained at any school or college "until such institution shall have satisfied the Secretary of War that enrollment in such unit (except in the case of essentially military schools) is essential and not compulsory."

At the convention banquet Saturday evening, Nov. 15, chapter representatives will hear two nationally prominent speakers. Paul Scott Mowrer, associate editor of the Chicago Daily News, will speak on "The Foreign Situation," and Philip Kinsley of the Chicago Tribune will discuss "The Press Today."

Other events scheduled for delegates include a symposium on "The Newspaper and Municipal Government," a trip thru the plant of the Campaign News-Gazette, a stag smoker at the Campaign Country club, and numerous convention sessions.

Several other members of the local Sigma Delta Chi chapter are expected to make the trip, according to Jack Fischer, president. The Nebraska delegation will leave Lincoln Thursday, Nov. 14, and return Monday, Nov. 18.

## BIBLE CONSENTS TO NAME WEST PLAYERS

### N.U. Coach Chooses Men To Play in Important Football Game.

Dana X. Bibbe, head coach of the Cornhusker football team, has consented to select the midwestern players on the West team which meets the Eastern eleven in San Francisco on New Year's day, but he refuses to coach the Westerners. Coach Bibbe has been unable to spend Christmas at home since his two children were born, having been called away by the coaching position or by the Association of American Football Coaches, of which he was president.

## At the Campus Studio

Wednesday, Nov. 6. Student Council ..... 5:00 Thursday, Nov. 7. Cornhusker staffs (editorial and business) ..... 12:00

## Banquet Toastmistress

## UNIVERSITY BAND WILL INTRODUCE NEW FIGHT SONG

### To Play Chorus at Kansas Game; Tassels, Corn Cobs Sing Words.

Nebraska's new fight song, "Nebraska Victory," will be introduced to homecoming alumni at the memorial stadium Saturday, when Billy Quick and his university R. O. T. C. band present their new arrangement of it between halves of the Jayhawk-Cornhusker conflict, according to Bill Marsh, drum major and head of Gamma Lambda, honorary band fraternity.

Popularly selected by the student body from a final group of three songs, the new number, written by Mrs. Marjorie Hornberger, received a cash prize offered by the Innocents and Mortar Boards Societies.

Due to the time involved in making complete arrangements for the band, only the chorus will be played at the Kansas game. Since the words to the chorus are brief, all students were urged to have them memorized for the game by Marsh.

Formal introduction of the new song will be delayed until the band's winter concert in February, when a complete arrangement will be presented. The Tassels and Corn Cobs will sing with the band at this presentation.

Due to the time involved in making complete arrangements for the band, only the chorus will be played at the Kansas game. Since the words to the chorus are brief, all students were urged to have them memorized for the game by Marsh.

## EXHIBIT DESCRIBES PRINTING METHODS

### Graphic Arts Department Sponsors Morrill Hall Display.

"How Prints are Made," traveling exhibit from the Division of Graphic Arts of the United States National Museum will be on display in the third floor corridor in Morrill hall from Nov. 6 through Nov. 30. This exhibit illustrates and describes the following processes of printing: Wood cut, Japanese print, wood engraving, line engraving, photo lithography, silk stencil printing, mezzotint, etching, aquatint, lithography, aquatone, half tone, collotype, photogravure, rotogravure, bank note engraving and water color printing.

## BIDDING OPENED FOR AG COLLEGE PAVING

### PWA Grant Aids Building Of New Outer Drive.

New paving for the outside drive on ag college campus will soon be a reality, Operating Superintendent L. F. Seaton declared Tuesday. Bids for the construction contract will be received by his office after Thursday, Nov. 14.

## Corey Finds Definite Value In Mental Efficiency Tests

Intelligence tests, do they mean anything? Like all other controversial subjects members of the university faculty have their own varied opinions. Some are firm in their belief that the general psychological tests given to most of the new students at the time they entered the state university are fair criteria of the student's mental ability. Others, however, equally serious, say, "It doesn't mean a thing."

To the freshmen as a whole, this last analysis is probably the more popular. One freshman youth, when asked his opinion of the test, boldly asserted that it was anything but a true indication of his mental powers. "Too much physics," he said. Another freshman coed and several of her friends, felt the same way, that the tests were not fair indications of their intelligence. In that most of the questions were too "one-sided."

On the other hand, Dr. S. M. Corey, professor of educational

## SCHOLASTIC CUPS ARE AWARDED TO HIGH SORORITIES

### Charlotte Kizer Presides at Annual Panhellenic Banquet.

### OVER 600 ARE PRESENT

#### Phi Omega Pi Receives Two Cups for First Place and Improvement.

Highlight of the annual Panhellenic banquet held Tuesday evening at the Cornhusker hotel, was the presentation of seven scholastic cups to the six sororities placing highest in scholarship and the one group making the most improvement in the past year. Over six hundred sorority women were present at the banquet, at which Miss Charlotte Kizer, president of the city panhellenic presided.

Phi Omega Pi received two cups, one for the highest scholastic rating, and one for making more improvement than any other group on the campus. Second place went to Alpha Omicron Pi, while Alpha Phi rated third out of eighteen groups. Sigma Kappa placed, others in order being Sigma Delta Tau, Zeta Tau Alpha, and Kappa Alpha Theta.

The program as arranged by Mrs. Oliver Hallam, chairman of the entertainment committee, featured a style show, with a representative from every sorority modeling a formal dress from 1905 to the present. Preceding each group of models, Mrs. Harriet Cruise Kemmer, well known Lincoln soprano, sang a combination of popular and semi-classical selections, accompanied by Harriet Daily Ayres.

Jane Walcott, Kappa Kappa Gamma, modeled a formal in vogue in 1905, followed by Elizabeth Broady, Delta Gamma, who wore a dress as seen in 1907. The models for other years were: Kappa Alpha Theta, 1908, Katherine Shearer; Gamma Phi Beta, 1910, Katherine Simpson; Alpha Omicron Pi, 1911, Marjorie Bannister; Chi Omega, 1915, Frances Meier; Delta Delta Delta, 1920, Susan Stoll; Alpha Phi, 1919, Ruth Rutledge; Alpha Delta Theta, 1929, Ruth Kuehl; Kappa Delta, 1927, Jean Tucker; Sigma Delta Tau, 1923, Gwendolyn Meyerson; Phi Beta Phi, 1926, Donabelle Fletcher; Phi Mu, 1925, Donabelle Fletcher; Phi Beta Phi, 1926, Janice Gould; Delta Zeta, 1927, Wilma Wagner; Alpha Xi Delta, 1929, Vanita Mattise; Zeta Tau Alpha, 1929, Elizabeth Orth; Sigma Kappa, 1935, Barbara Marston; Alpha Chi Omega-Military Ball, Betty Holland.

Letters will be sent out today inviting representatives from schools in the Big Six conference to convene at Kansas City in December at the time of the national convention, it was announced by Marylu Petersen, Big Six committee chairman Tuesday.

Original plans for a council Big Six meeting were abandoned following answers from schools indicating that they could not afford to send representatives to two conferences and were planning to attend the national convention at Kansas City. It was then decided that midwestern schools should discuss their particular problems at the same time that schools from all over the country were convening.

## SCHOOLS INVITED TO BIG SIX CONVENTION

### Miss Peterson Distributes Bids to Kansas City Council Meet.

The purpose of such a gathering is so that schools having the same type of problems can discuss them and perhaps get new ideas.

## Miss Peterson Distributes Bids to Kansas City Council Meet.
