WILD GAME SUBJECT OF FROLIK ADDRESS

Tri-K Club Learns Factors Affecting Management Of Bird Life.

"Wild Game Management" was the subject of a talk by Prof. A. L. Frolik at the Tri K club banquet Wednesday evening. Professor Frolik told of the mechanics of the populations of wild game. Among the factors that influence wild game populations is the breeding rate which is counterbalanced by hunting and killing, available food, available shelter in which the birds may hide, diseases, and parasites.

Two of the most critical seasons for game in this country are: the winter season, particularly when there is snow on the ground and the birds have difficulty in finding food and hiding spots; and during the nesting season when birds can not find good places to hide while they nest. When attractive nesting places are not available there is danger to the wild game from dogs, cats, farmers' mowing machines and other related factors.

Professor Frolik also touched on the subject of predators—those animals which live by preying on other animals—in relation to the game ranges. "Game breeding rate depends principally on the presence of favorable conditions for nesting and safety," stated Professor Frolik.

SENDOFF PARADE TONIGHT FOR BIG SIX ENGAGEMENT

Innocents, 'N' Club, Corn Cobs and Tassels Lead Demonstration.

Rallying to give the Cornhuskers a spirited sendoff into their Big Six championship battle with Kansas, a large and enthusiastic crowd of student supporters will gather at 7 o'clock this evening in front of the Temple theater. The large university band, Corn Cobs, Tassels, Innocents and several thousand students will be on hand to demonstrate their confidence in Nebraska's ability to annex another conference grid crown.

Campus rally leaders ask that students gather promptly at 7:00 p. m. in front of the Temple where the usual order of march will be followed. The rally will progress down "R" street to 16th and north on Vine to the stadium.

Schulte To Speak.

In front of Memorial stadium, Nebraska's well known Coach Henry F. Schulte, Daily Nebraskan Editor Jack Fischer, and Game Captain Bernard Scherer will address the gathering. The talks will be short and will concern Nebraska's chances in Saturday's grid tilt.

"A big turnout of Cornhusker students is expected at the rally," Ted Bradley, Corn Cob president declared. "In order to make the match more successful, it is asked that students do not bring cars. An orderly procession with the band in the lead followed in order by the Tassels, Corn Cobs and students is desired by the rally leaders."

Plenty of student spirit will be needed Friday and Saturday, declared Bradley. It should be remembered that proper student support can greatly aid the Cornhuskers in bringing back the Big Six championship to Nebraska.

CHAPERONS ARE NAMED

Band Acknowledged One of Nation's Best for Dance Music.

Featuring the melodies of Tom Gentry and his well known Ambassadors, the Homecoming Ball in the coliseum Saturday evening will conclude homecoming activities on the Nebraska campus. A large number of Cornhusker students and alumni are expected to be present at the first big all-university party sponsored by Innocents, senior men's honorary society.

Gentry's featured CBS and WGN orchestra comes to the Nebraska campus directly from Chicago where they have been playing dates in and around the "Windy" city. The band just recently closed an engagement at the exclusive Greystone club in Louisville, Ky. Before this they were in the Blue Room of the Hotel Roosevelt, New Orleans and in the famous Blue Ribbon casino at the World's Fair. Gentry and his musicians have also appeared in the Blackstone hotel and Oprea club, Chicago.

Gentry Well-Known.

"Easily recognized as one of the foremost orchestras in tour of the United States today, Gentry's rhythm band is particularly adapted to playing dance music," Irwin Ryan, Innocent, stated. "It is the opinion of the Innocents that in bringing Gentry for this party, they are securing one of the best orchestras that it has been the fortune of Nebraska to have during the last five years."

On the radio Gentry's ambassadors has been heard over the Columbia and WGN chains and WCCO in Minneapolis and WBBM, Chicago. The band recently completed an engagement at Hotel Lowry in St. Paul, where played regularly over WCCO.

When the world's fair came to Chicago, Gentry moved into the Streets of Paris to play at the Casanova club, where WBBM presented.

NEBRASKA PEP SONG UP FOR APPROVAL AT HOMECOMING GAME

Copies to Be Distributed Among Student Sections.

Nebraska's new pep song, "Nebraska Victory," prize song in the recent contest staged by several student organizations, will go on trial at the Homecoming game Saturday, when the entire student section will sing the chorus as Billy Quick strikes up the band. Copies of the words will be distributed to students in the stadium before the game, it was announced.

The songsters will be led by members of the Tassels, Corncobs, Innocents, and Mortar Boards, who have been practicing the song in order to start the singing.

Short and Snappy.

"The chorus is short and snappy and we expect everybody to join in the singing in true Nebraska spirit," said Elizabeth Shearer, president of Tassels.

"It's a good song," Ted Bradley, president of Corncobs was quoted as saying. "Whether or not it takes its place in the ranks of peppy college choruses depends upon the student body and the spirit in which they sing it."

The song, composed by Marjorie Hornberger, '13, won the contest sponsored by the Innocents and Mortar Boards, with the co-operation of The Daily Nebraskan.

CLOSING DATE TO PURCHASE COPIES ANNUAL CHANGED

Closing date for purchasing a 1936 Cornhusker has been extended to Wednesday, Nov. 13, at 5 o'clock, according to a statement made Thursday by Eugene Pester, business manager of the annual. The extension has been made due to the fact that many students will not receive monthly checks until the first of next week.

"Sales have already almost reached last year's record of 1,250," Pester stated, after a check up late Thursday afternoon. "I fully expect that by Wednesday they will have passed the former record."

Tassels Make Checkup.

Tassels are making a final checkup in the remaining time before the deadline and hope that in this time they can boost the total considerably. They will attempt to contact all persons who have not yet been approached. The three members selling the largest number will be awarded prizes.

Extension of the closing date will make it possible for sororities to enter more queens in the contest this year. One entry is allowed for every twenty books bought by members of the group.

Sororities are still far ahead of fraternities in the number of members who have had pictures taken for the annual thus far. Miss Faith Arnold, editor of the Cornhusker, urged that all members of fraternities and sororities who have not yet had their pictures taken make an appointment at Rinehart-Marsden immediately.

E. C. ELLIOTT PRAISES UNIVERSITY INFLUENCE

President of Purdue Tells Part School Plays in State.

"The influence of the university upon the state is greater than that of all other institutions combined," declared Dr. E. C. Elliott, president of Purdue university, in an address before the Lions club at the Lincoln Chamber of Commerce on Thursday.

Dr. Elliott attributes all his success to the training he received while a student at the university. He was graduated in 1893. Dr. Elliott stated that Gen. John J. Pershing, then an instructor at the university and commandant of cadets, was one of the greatest teachers he had ever known.

"As long as I live, I shall remember my training at the university, my experience with the then Chancellor Canfield, and the lessons I learned under Pershing," asserted Dr. Elliott. "It was at the university that I learned the importance for two human beings being able to sit down and talk as human beings should talk, regardless of the fact that one may be a raw freshman and the other a university president."
