

CAMPUSOCIETY

FOR GOOD CLEAN FUN AND PURE unadulterated amusement try that institution of the Nebraska campus...

face can't follow you... or that nice boy sitting all alone on the davenport...

SEEN on the campus: Bob Mehring enthralled two feminine listeners with incidentals on the football trip to Pitt...

HEART interest on Pittsburgh trip... when Sam Francis dined and spent the evening with Ann Gooch...

AND local heart interest... when Eloise Diller, Alpha Chi Omega and Kenneth Young D. S. L. observed that time honored custom of candy and cigar passing...

TOMORROW Mrs. Robert M. Joyce will entertain the Phi Kappa Psi mothers club at her home...

ALL DRESSED up and no place to go... was the sad plight of the R. O. T. C. Tuesday afternoon.

FARM HOUSE announces the initiation of Albert Moseman, Oakland, Leroy Girardot, Pender, Don Radenbaugh, Grand Island, Morris Kingston Arcadia, Arnold Peterson, Aurora, Howard Peterson, Oakland, Wilson Andrews, Ponca, Hubert Alloway, Homer, Byron Sadle, Paxton and Maurice Peterson of Lincoln.

ZETA Tau Alpha mothers club will meet for luncheon and a business meeting Thursday noon at the chapter house...

NOVEMBER sixteenth Jone Lewis of Cozad and John Wilson of Nickerson were married.

OH WHERE, oh where, has my room mate gone?... was Bob Shalenberg's query to all and sundry when he found himself locked out of his room...

SUNDAY Cella Marx and Dr. A. A. Steinberg were married in Omaha. Miss Marx has attended the University of Nebraska...

DELTA Omicron, honorary musical sorority, held a musical Sunday afternoon at the studio of Miss Katherine Dean.

RECENTLY initiated into Alpha Chi Omega were Margaret Hendricks and Jean Spencer.

RUTH Saalfeld, Alpha Omicron Pi pledge, is wearing a Chi Phi pin... and the pinless young man is Fred Schreiber.

AT THE chapter house tomorrow the Kappa Delta mothers club will meet for a one o'clock luncheon and a business meeting.

Learn the Latest Steps for the Military Ball at the HELEN CHASE DANCE STUDIO.

DUKE UNIVERSITY SCHOOL OF MEDICINE DUREAM, N. C.

Four terms of eleven weeks are given each year. These may be taken consecutively (graduation in three years) or three terms may be taken each year (graduation in four years).

WHAT'S DOING

Thursday.

Phi Kappa Psi mothers club, at the home of Mrs. Robert M. Joyce, 2 o'clock.

Zeta Tau Alpha mothers club luncheon at the chapter house, 12:30.

Kappa Delta mothers club, 1 o'clock luncheon at the chapter house.

Friday.

Alpha Omicron Pi mothers club tea at the chapter house, 9 o'clock.

Delta Tau Delta house party at the chapter house, 9 o'clock.

Pi Kappa Alpha dinner dance at the chapter house, 7 o'clock.

Ag college Boarding club party at the Lincoln hotel, 9 o'clock.

Saturday.

THANKSGIVING FROLIC at the coliseum, 8:30.

Delta Delta Delta Founders day banquet, 6:30.

Mortar Board alumnae at the home of Mrs. Joe W. Seacrest, 2:30.

Kappa Sigma house party at the chapter house, 9 o'clock.

Delta Sigma Lambda house party at the chapter house, 9 o'clock.

Alpha Omicron Pi house party at the chapter house, 9 o'clock.

Alpha Phi tea dance at the chapter house, 4 o'clock.

Sigma Chi house party at the chapter house, 9 o'clock.

KOSMET KLUB FALL REVUE, 9 O'CLOCK.

Sunday.

Sigma Alpha Iota musical at the home of Louise Magee, 5:30.

G. W. Kline and Mrs. C. F. Lyman will be hostesses for the affair.

NEWS SERVICE STAFF TURNS STUDENT NAMES INTO NEWS

(Continued from Page 1.)

them or that it was something (of all things) for the Awgwan. So they took unbounded delight in torturing inquirers with evasions or exaggerations.

They must be male undergraduate students in good standing and in regular attendance in some university, college, or junior college which offers at least two years of work leading to a bachelor's degree in arts or sciences.

They must be of the white race between the ages of 18 and 25, must be of average height and normal weight, must have normal eyesight, and must be free of any physical handicaps.

They must submit a technical or non-technical treatise of not over 3,500 words on any aeronautical subject of their own choice.

Papers will be judged by a national committee of awards, composed of men prominent in aeronautical and engineering circles under the chairmanship of Dr. Baldwin M. Woods, of the department of mechanical engineering at the University of California.

Among the points to be emphasized in determining the awards are the completeness and soundness of subject matter, the success of the candidate in analyzing his subject matter and drawing conclusions from it, the merit of the paper as a composition, the originality of subject matter, and the choice of subject.

Winner of first award in the contest will receive a complete Boeing airplane pilot and operations course, covering 250 hours of instruction and 3,763 hours of ground school, far exceeding the requirements necessary for a transport pilot license.

This course includes the latest developments in blind and instrument and landing beam flying. Winners of second, third, and fourth awards may choose one of a number of technical and semi-technical courses and will, in addition, receive twenty-five hours of dual and solo flight instruction.

Two alternate candidates will be chosen for possible awards in the event that winners are unable to qualify.

Competition for the scholarship will close March 15, 1936, and theses must be mailed before the close of this day.

Winners of the 1936 scholarships may enroll at the Boeing school in the quarter beginning July 1, 1936 or the quarter beginning Jan. 2, 1937.

Students from the University of Nebraska have been awarded scholarships in earlier competitions as well as students from Stanford University, University of Washington, Clarkson Institute of Technology, Clarkson Memorial College, Mt. Union College, Santa Barbara State Teachers college, University of California, University of Maine, University of Minnesota, University of Michigan, University of Oklahoma, Antioch college, Oregon State college, Bethany college, and Massachusetts institute of Technology.

A circular giving detailed information of the scholarship may be obtained by writing to the Boeing

OLD TIME ROUTINES TO FEATURE ESTES PARTY (Continued from Page 1.) and Betty Barrows are in charge of the music for the party.

General arrangements will be planned by Charles Hulac, assisted by Lorene Adelseck, Jeanne Palmer, and Betty Barrows.

Dance committee chairman is Bonnie Spangard, assisted by Doris Riisness, Gayle Caley, Charles Hulac, and Lloyd McGrew.

Members of the music committee, headed by Rowena Swenson, are Ardis Graybiel and Polly Rogers.

Publicity will be handled by Lorraine Hitchcock, committee chairman. Doris Weaver, Birdsen Jensen, June Waggener, and Leroy Hultquist.

The reception committee includes John Steinhilber, Lois Brockway, Dorothy Beers, and Bob Harrison.

Big Bill Edwards, star Princeton guard of decade ago, lost 30 pounds in one game.

Huskers Recover Pittsburgh Fumble

Courtesy Nebraska Alumnus. Paul Morrison is shown diving on a Pittsburgh fumble late in the fourth quarter of the game at Pitt last Saturday. His recovery gave the Huskers one belated opportunity to win, but victory wasn't in the books. The tall No. 35, with his back to the camera, is Lester McDonald, Nebraska end.

BOEING SCHOLARSHIPS OFFERED TO STUDENTS

Aeronautics School Gives Four Awards in Thesis Competition.

Scholarships sponsored by W. E. Boeing, of the Boeing school of aeronautics, will be offered for the seventh time this year to students in universities, colleges, and junior colleges in the United States and Canada who are interested in aviation as a career.

Four awards in the form of flying, technical, and semi-technical courses with a tuition value of \$9,600 will be given at the Boeing school, a division of United Air Lines Transport corporation.

The scholarships will be awarded on the basis of a thesis competition. To be eligible students must meet the following requirements:

They must be male undergraduate students in good standing and in regular attendance in some university, college, or junior college which offers at least two years of work leading to a bachelor's degree in arts or sciences.

They must be of the white race between the ages of 18 and 25, must be of average height and normal weight, must have normal eyesight, and must be free of any physical handicaps.

They must submit a technical or non-technical treatise of not over 3,500 words on any aeronautical subject of their own choice.

Papers will be judged by a national committee of awards, composed of men prominent in aeronautical and engineering circles under the chairmanship of Dr. Baldwin M. Woods, of the department of mechanical engineering at the University of California.

William B. Stout, president of the American Society of Automotive Engineers; Prof. Karl D. Wood, department of Aeronautical Engineering at Cornell University, and Prof. Montgomery Knight, director of the Guggenheim School of Aeronautics at the George Institute of Technology, are the other members of the committee.

Among the points to be emphasized in determining the awards are the completeness and soundness of subject matter, the success of the candidate in analyzing his subject matter and drawing conclusions from it, the merit of the paper as a composition, the originality of subject matter, and the choice of subject.

Winner of first award in the contest will receive a complete Boeing airplane pilot and operations course, covering 250 hours of instruction and 3,763 hours of ground school, far exceeding the requirements necessary for a transport pilot license.

This course includes the latest developments in blind and instrument and landing beam flying. Winners of second, third, and fourth awards may choose one of a number of technical and semi-technical courses and will, in addition, receive twenty-five hours of dual and solo flight instruction.

Two alternate candidates will be chosen for possible awards in the event that winners are unable to qualify.

Competition for the scholarship will close March 15, 1936, and theses must be mailed before the close of this day.

Winners of the 1936 scholarships may enroll at the Boeing school in the quarter beginning July 1, 1936 or the quarter beginning Jan. 2, 1937.

Students from the University of Nebraska have been awarded scholarships in earlier competitions as well as students from Stanford University, University of Washington, Clarkson Institute of Technology, Clarkson Memorial College, Mt. Union College, Santa Barbara State Teachers college, University of California, University of Maine, University of Minnesota, University of Michigan, University of Oklahoma, Antioch college, Oregon State college, Bethany college, and Massachusetts institute of Technology.

A circular giving detailed information of the scholarship may be obtained by writing to the Boeing

Weir to Show Pictures Of Pitt-Husker Game

Assistant coach Ed Weir will show moving pictures of the complete Nebraska-Pittsburgh game at the Cornhusker hotel Wednesday at 12:10 p. m.

SKETCHES

Elmer Dohrmann is tall as a freshman's story in stature, but also in versatility.

As did Lloyd Cardwell, Dohrmann came from Seward high, where he played his last two years.

He was a letterman in basketball, football, track and baseball, the same sports in which he wishes to letter for the Huskers.

Aside from the muscular feats of athletics, the Seward satellite has no hobbies, with the slight exception of social functions.

He mumbled something about women being all right in their place but their places varied. However, it was the busto that he labeled himself "fancy free."

Now brewing in the junior class of Seward high is the third of a trio of Dohrmann brothers.

The young'n is said to be very deft at taking the ups and downs of life, meaning of course, the low hurdles.

It was a certain huskie, who played left tackle for the Sooners, that came the closest to making Dohrmann yell "uncle," for as the flankman expressed it, "he was perty tough."

The Oklahoman must go thru life unrewarded and unrecognized, for due to the many who alternated at that position the Sooner-Husker tangle he can not be identified.

An intercepted pass in the Ames skirmish which was good for a touchdown gave our interviewee the most joy, but this could be selected only after pondering over an ample list of thrillers.

So, if you see a lad to whom you look to both figuratively and literally, that's Elmer!

VARIETY OF SKITS IN READINESS FOR REVUE SATURDAY

(Continued from Page 1.) is transformed from a studious young lady pursuing a P. B. K. key to a hot, fast-stepping dancer.

And that reminds me, I just couldn't neglect mentioning a wee trifle about those funny punsters, I mean punny funsters, the Betas. If possible, their act is even "Beta" than it was last year. They're still searching for a suitable skit this

time, but wait until you see that Ethiopian scene with Bill Marsh as Halle Selassie and Duke Nolte as Il duce.

And Henry Whitaker and Dal Tassie make such a charming couple in that bedroom scene. Of course, the entire act is filled with puns, but don't let that keep you away.

The D. U.s. present a smart tuxedo ensemble featuring a vocal quartet and a clarinet quartet. Then too, there's those two cuties, Betty Widener, the pride of Chi Omega, and Theresa Stava, the flash from Gamma Phi Beta.

A surprise hit is the act staged by the brothers of Alpha Tau Omega in "A Night on the Range." With a tuneful chorus of fifteen voices, featuring Don Boehm, this one is certain to score.

"D Street Insane Asylum" is the title of the Chi Phi act, and hold on to your seats when the whole cast goes crazy as the finale of this skit.

Added to this vast array of entertainment, there is the clever curtain act put on by Alpha Xi Delta having an old-fashioned theme. They have a comely chorus and two swell voices in Rexona Fair and Maxine Dick.

Johns Hopkins university recently accepted a gift of 300 books from the Italian government.

An expected antifascist demonstration by students failed to materialize.

U.S.C. Library Fines Decreased by Night Overdue Book Chute

By College News Service. LOS ANGELES, Nov. 20.—Students who burn midnight oil at the University of Southern California need no longer pay heavy library fines on overdue books.

A special outside night chute has been installed in Dohoney Memorial library through which books from any department in the library may be returned after hours.

With students far outnumbering necessary reference books in popular courses, librarians have had to place one-hour and two-hour time limits on books most in demand.

Scholars found it easier at times to pay nominal fines than to return the books, so largely hourly assessments are now levied if books are not returned before class in the morning.

Scabbard and Blade Will Hold Meeting Wednesday

Scabbard and Blade, military honorary will hold a regular meeting Wednesday evening at the Sigma Chi house, according to Commander Richard Rider.

All members are requested to attend.

SCHMIDT PRESENTS NEXT PIANO RECITAL

Herbert Schmidt, instructor in piano at the school of music, will present his second piano recital of the season next Sunday afternoon at 4:30 o'clock in the Temple theater.

Works of Mozart, Scarlatti, Beethoven, Schumann-Liszt, Schumann, and Cesar Franck will be included on the program. The public is invited to attend.

Proprietors of the College Inn, New London, Conn., are suing Connecticut college for having placed the restaurants "out of bounds," for students.
