NEBRASKA GIVES SAFETY SEALS TO STUDENT SIGNERS

Fifty Enroll First Day of Campaign; Pledges Now Available.

STATE VOICES SUPPORT

Effort to Increase Safe Driving to Continue Next Semester.

Stickers and pledges, promising full support to the Nebraska's safe driving campaign, are available at the Daily Nebraskan's offices today and at any time during exam week. Each student applicant will sign a pledge and receive a small colored sticker for his car window signifying that he is a member of the "less sudden death" drive.

Although approximately 50 students applied early yesterday, pledges were delayed at the printer's and were not available. But all student drivers are now urged to come in immediately to promise their support.

"The state commission expects the university to support the drive 100 percent," Jack Fischer, Nebraska editor, declared. "I think it is the duty of every student driver to sign a safety pledge and to practice safety in driving so that the present excellent record of the school will be maintained in the future."

Continuing on into the second semester the Nebraska's drive will be in full co-operation with the statewide campaign that is to be launched in the near future. Drives in Omaha and Lincoln and on several other campuses are coincident to the one now on the campus.

FRENCH DEPARTMENT SCHEDULES SHOWING FOREIGN FILM FEB. 8

'Prenez Garde a la Peinture' To Appear at Varsity Theater.

Taken from the comedy by M. Rene Fauchois, "Prenez Garde a la Peinture," will be shown Saturday morning, 10 a. m., Feb. 8 at the Varsity theater. The comedy is the French version of "The Late Christopher Bean" which was prepared for the English speaking theater by Sidney Howard.

The situation that M. Fauchois has selected is one in which most of the fun occurs after Dr. Gadarin, who has been a humble practitioner of his profession for many years, discovers that one of his former friends and patients, now dead, was Mavrier, the artist. It does not take very long before a horde of collectors is swarming around the little home in an inconspicuous corner of Provence.

10 WOMEN FILE FOR PANHELLENIC AWARDS

Applications Received for Four Scholarships of \$20 Each.

Filings closed for Pan-Hellenic Scholarships with ten sorority girls making application for the four awards of \$20 each, reported Miss Charlotte Kizer, president of the city Pan-Hellenic. Two junior and two senior girls will be chosen this week to receive the money in time to apply on registration fees.

Factors which will be considered in choosing the recipients will be scholarship, need and service to the school. The applicants receiving the money will have to be approved by the scholarship committee composed of Miss Amanda Heppner, Mrs. Eleanor Fogg Whitman, Dr. Elizabeth Williamson, and Miss Kizer.

In 1930-31 three awards were given; three in 1931-32; two in 1932-33; four in 1933-34; and four in 1934-35.

PLAYERS TO GIVE INITIAL SHOWING OF NEW COMEDY

Perkins, Miss Compton Take Leads in 'The Brighter Flame.'

University Players will present their first premiere performance of the season as they open with "The Brighter Flame," a gay new drama reflecting the backstage picture of a search to find a play to fit an actress, at the Temple theater Feb. 3. The production will be the fourth for the Temple Players during the current season, having already very commendably done two bright comedies and Dorothy Masingham's drama hit, "The Lake."

Dwight Perkins, senior in the college of arts and sciences, and a star in former Players hits, will assume the leading role as the players prepare to introduce the new production. Opposite Perkins, Eleanor Compton, Teachers college sophomore, will enact the leading feminine role.

Assisting Miss Compton and Mr. Perkins will be a cast that features some of the greatest talent in university theatrical circles. Irving Hill and Donald Buell whose work in the last production, "The Lake," needs no refreshing in the minds of Temple patrons, will attempt to better their already enviable records in two leading masculine roles of the pending production.

Remaining honors for feminine distinction as champions of the modern drama will be shared by Marjorie Thompson and Julia Vile. Altho the cast is one of the smallest ever presented by the University Players the supreme talent featured should more than compensate any noticeable shortage in numbers.

Altho the manuscript was submitted to Miss H. Alice Howell, Players' director without the name of the author, she indicated that she believed that it might be the work of a former member of the student body and Temple players.

Deans of Women Confer With Sorority Alumnae

Miss Amanda Heppner, dean of women, held a conference of all sorority alumnae presidents and advisers at Ellen Smith hall Tuesday morning at 10:30. Scholarship and general sorority activities were the main topics of discussion.

SAFE DRIVING PLEDGE

In the interest of accident prevention and safer conditions on the campus and on the highways, and in cooperation with the Daily Nebraskan safety campaign, I am making the following pledge:

- I will drive sanely and more carefully.
- I will not pass a car unless I have clear vision for 100 yards ahead.
- I will not jump traffic lights.
- In traffic, I will be particularly watchful of pedestrians stepping into the line of traffic from parked cars.
- I will stop at all stop signs and slow down for slow signs.
- I will not pass a car on curves or hills.
- I will not pass a car until I have looked in my rear vision mirror to be sure that no car is bearing down from behind.
- I will always give the proper hand signal before turning to the left, to the right, or stopping; I will never leave the curb from a parked position until I have given the proper hand signal.
- I will always remember while driving that I must watch out for FOUR cars—my own, the one in front of me, the one behind me, and especially for the one around the curve, or up side streets that I CANNOT SEE.
- I will be fair to other drivers in all respects and refrain from reckless driving.
- I will check my car for such safety devices as brakes, lights, tires and a clean windshield.

Twenty-eight applications for positions on the Daily Nebraskan and Awgwan were received in the office of the school of journalism before the deadline last Saturday noon. Five applications were filed for the three open positions on the Awgwan staff, two for editor, two for business manager, and one for managing editor.

This total of twenty-eight is nine less than filings at the same time last year, there being thirty-six at that time. NYA to Continue on Same Basis Next Term

Dean T. J. Thompson, chairman of the committee on Federal Student Employment, issued the following statement to students of National Youth Administration and directors of student employment projects: "It is intended that students on N. Y. A. employment shall be continued during the second semester upon the same basis as during the first semester except as they become disqualified through poor scholarship, lack of need, graduation, etc. A few persons were given allotments for the first semester only because of questionable ability. Such persons will be continued on their present status unless specifically informed to the contrary."

"On the other hand," Dean Thompson's announcement read, "if students are graduating, taking up any other employment, or for any reason discontinuing their N. Y. A. employment, they should notify the office of the Dean of Student Affairs at once. It is important that we have such information as early as possible in order that we may give consideration to a rather large number of applications we have for such employment for the second semester."

The Daily Nebraskan wishes to express its sincere appreciation and thanks to faculty members for their wholehearted co-operation which made this poll a success.

In harmony with the decisive balloting in favor of President Roosevelt, student and faculty voters showed a similar liking to the major administrative measures of the day. A vote of 1,320 in favor of the recent Agricultural Adjustment Act as compared to 958 against from a state in the heart of the nation's agricultural district should be a notable representation of the popularity of the project even through the supreme court declared it unconstitutional but a few days after the poll was conducted.
