

RECORD THROG OUT FOR INDOOR TRACK

182 Men Representing Every

A total of 182 freshmen, sophomores, juniors, and seniors have checked out for indoor track participation, establishing a new record for the number of men working out. It was learned Tuesday from equipment managers.

Track Coach Henry F. Schulte has not had time to personally inspect his throng of track and field men, but he expects to "have a line" on all of them who attend practice regularly, before the Kansas U. dual meet here Feb. 22. Right now, "Pa" Schulte has plenty on his hands trying to mold a formidable indoor track team to give the Jayhawkers a run for their money.

K-AGS MEET SOONER AGGIES ON DIAMOND

Oklahoma Nine Takes
Place of Jays on Wildcat
Schedule.

MANHATTAN, Kas., Feb. 11.—Four baseball games with Oklahoma A. and M. college have been scheduled for this spring to take the place of Kansas university on the Kansas State schedule. M. F. Ahearn, director of athletics, has announced.

The Wildcats will make an all-week invasion of Oklahoma, playing the Oklahoma Aggies at Stillwater April 14 and 15, and the University of Oklahoma at Norman April 17 and 18. The Wildcats meet A. and M. on the home diamond May 18 and 19.

Games were originally scheduled on those dates with the University of Kansas but the Jayhawkers have decided not to compete in baseball this year. There are two open dates on the Kansas State schedule. There are sixteen games on the schedule, eight to be played on the home diamond and eight away. A team is permitted to play eighteen games under conference rules.

The revised schedule:
April 14-15—Oklahoma A. & M. at Stillwater.
April 17-18—Oklahoma at Norman.

April 24-25—Iowa State at Manhattan.

May 1-2—Nebraska at Lincoln.

May 8-9—Nebraska at Manhattan.

May 11-12—Missouri at Manhattan.

May 15-16—Missouri at Columbia.

May 18-19—Oklahoma A. & M. at Manhattan.

TUMBLING COACH NOW SCHEDULING COLORADO MEETS

Charley Miller, gymnastics coach, is contacting Colorado officials in an attempt to participate in three Rocky Mountain gym meets the latter part of February.

Tentative dates of Feb. 27 and 28 have been set for dual meets with Colorado State Teachers College at Greeley and the University of Colorado at Boulder respectively. It has been quite definitely settled, according to Coach Miller, to enter the Cornhusker tumbler in the annual Rocky Mountain A. U. gym meet at Denver Feb. 29. A dual meet with the Missouri Tigers has also been scheduled for March 21 at Lincoln.

"We are only three points weaker than last year," said Coach Miller, in regard to the A. A. U. meet, "and we won over Colorado Aggies last year by three points." However, on account of a misunderstanding, Nebraska was not awarded the championship. Nebraska is not in the Rocky Mountain region.

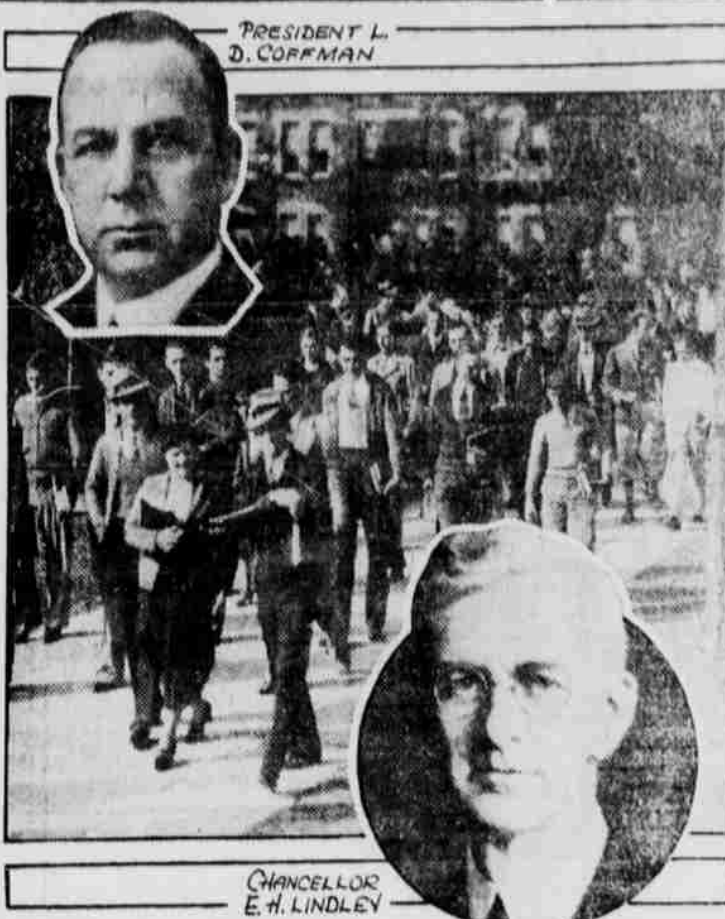

Running three miles and 146 yards on the roads in 14:58.8, Floyd Lochner, Oklahoma's national collegiate two mile champion, smashed all records Thursday for the half-section course south of the Sooner campus. Pacing his first mile in 4:41, Lochner was clocked in 9:48 as he passed the two miles mark and 14:41 at three miles. He left Norman Saturday for San Francisco where on Feb. 12 he opposes Norman Bright and Harold Manning in an indoor two mile race.

Although graduation took half his lettermen, Capt. Lawrence "Biff" Jones, Oklahoma football coach, retains three of his four starting backs from last year—Bill Breeden, Elmo "Bo" Hewes and Al Corrotto—as he begins his spring practice at Norman Monday.

Denton Livingston, Oklahoma sophomore guard who scored six field goals against Kansas State at Manhattan this week in the first Big Six basketball game of his life, has only two fingers on his left hand, the others having been lost years ago in an accident.

Students of N. Y. U. boycotted their basketball team when refused cheaper and better seats.

CHANCELLOR
E. H. LINDLEY

Chancellor Ernest Hiram Lindley's 15 years at the University of Kansas is being observed today by an all-University convocation, addressed by President L. D. Coffman, of the University of Minnesota.

ALUMNI ENGINEERS PAY BRIEF VISIT TO NEBRASKA CAMPUS

Several alumni visited engineering college last week, including LeRoy J. Snyder, '31, of the U. S. Bureau of Reclamation, in Lincoln on his way to Grand Coulee Dam, Wash. His new work will be the installation of a cooling system and electrical equipment.

Raymond C. L. Green, '16, General Manager of the New Hampshire Gas & Electric company, was taking his vacation and stopped to pay a few calls on the campus. Richard H. Fair, ex '98, vice president of the Northwestern Bell Telephone Co., also visited the college.

MELAUGHRY FAVORS FOOTBALL PLAYER'S ARMOR ELIMINATION

NEW YORK, Feb. 11.—Elimination of a large part of the hard protective equipment which constitutes a football player's uniform

was advocated by Coach D. O. "Tuss" McLaughry of Brown university, who is president of the American Football Coaches association.

"This may sound strange but it is my conviction we would decrease injuries by doing away with the 'armor' with which players are equipped nowadays," said McLaughry. "The situation is that we have coaches and trainers outdoing each other in outfitting the boys with protective padding that actually increases the scrimmage hazards."

"I think we could very well have more limit on this type of equipment than the rules now provide. It would be to the advantage of the boys and improve the game."—College News Service.

BETA HOOPSTERS DEFEAT PHI PSI'S IN CLOSE BATTLE

Basketball Intra-Murals at
Halfway Mark Tuesday
Evening.

Marked by the surprising defeat of the heretofore unconquered Phi Kappa Psi quintet by the Beta Theta Pi five, third round play found the "A" intramural hoopsters reaching the halfway mark in league competition. Only two games remain to be played in the five different leagues. Following the conclusion of league competition the five league champions will engage in the regular elimination tournament to decide which Greek team is worthy of the title, "1936 Intramural Basketball Champions."

Beta Theta Pi, who has previously dipped its colors to the yellow clad sons of Acacia, came through in League 1 with an 11-10 upset over Phi Kappa Psi, the 1935 titlists. Should Phi Kappa Psi conquer Acacia in their encounter this Thursday, the League 1 crown would become a source of argument and probable ultimate play-off between two teams, Acacia and Phi Kappa Psi.

In the other League 1 struggle Tuesday evening, Acacia took things easy with a 22-6 win over Zeta Beta Tau, thus keeping their record spotless.

Alpha Gamma Rho Drops Out. League 2 found Alpha Gamma Rho dropping by the wayside as a result of a 23-13 defeat administered by Sigma Nu. This loss mars the perfect record of Alpha Gamma Rho and leaves Sigma Nu at the top of the heap with two wins and no losses. In the same league, Chi Phi built up their victory string at the expense of a weakened Phi Sigma Kappa five-some, the final score being 15-11.

Phi Kappa Alpha maintained its perfect percentage in League 3 with 20-15 victory over Alpha Sigma Phi, thus keeping even with the Delta Tau Delta quint, which lay idle Tuesday. Thursday evening, Delta Tau Delta engages Phi

Kappa Alpha in the deciding game in League 3. The Phi Alpha Delta-Sigma Phi Epsilon encounter rounded the play in last league. P. A. D. breezing past the Sig Eps with a 13-7 decision.

Sig Alphas Defeat Farmhouse.

In League 4, Sigma Alpha Epsilon made merry at the expense of the Farmhouse, romping off the floor with a 29-3 victory tucked under their belts. Undeclared as yet, Sigma Alpha Epsilon meets Alpha Tau Omega Thursday in a crucial test, the winner likely to be the champions in that league. Theta Chi chalked up a demerit behind its insignia when it failed to show up for a scheduled game with Alpha Tau Omega.

Competition in the fifth league resulted in Xi Psi Phi relinquishing its unblemished record to further the cause of Beta Sigma Psi, the latter coming out on top, 18-12. Delta Upsilon had things their own way in an engagement with Sigma Alpha Mu, holding the latter scoreless from the floor as they counted twenty-two tallies to the three free throws sunk by Sigma Alpha Mu.

Change in League 3 Scores.

The standings published Sunday, Feb. 9, were incorrect in regard to League 3 percentages. Alpha Sigma Phi should have been credited with a win over Phi Alpha Delta and 500 percent in the standings, whereas Phi Alpha Delta should have gone on record as having two losses and a consequent nil as regards percentage.

The correct standings of the "A" teams following Tuesday's games:

League 1.	W	L	Pct.
Acacia	2	0	1.000
Beta Theta Pi	1	0	.333

HOLMES, CYCLONE BASKET CAPTAIN. OUT WITH MUMPS

AMES, Iowa, Feb. 5.—Torvald Holmes, captain of the Iowa State College basketball quintet, has been lost to the Cyclones for the season. Holmes, all star conference guard last season and a mainstay of the Cyclone team for three seasons, has the mumps and will be quarantined for two weeks.

Holmes, a senior at Iowa State, made the Cyclone team at guard as a sophomore. His work at this position last season won him a place on most Big Six conference all star teams.

There was something gassy, of course, about that case of the southern university students and the nude young girl who danced for them on the athletic field the other night.
