Cornhuskers Calm Iowa Cyclones 49 to 20.

BROWNEMEN ENJOY EASY PICKINGS IN CONFERENCE TILT

Scarlet Still Has Outside Chances at Big Six

letting their game worries awirl down the dressing room drain, the Neuraska seconds left the floor downcast because they could not boost their tallies to an even fifty instead of a mere 49-20 win over the Iowa State Cyclones Saturday

night on the home boards.
The pre-Cyclone dust that kept the Huskers working over time all last week lest they let another Big Six trophy slip thru their fingers was deceifful so far as the actual aftermath goes. The Iowans scored their first bucket when Cowen slipped in with an underbasket, but this occurred after the big clock had ticketd away almost a half dozen playing minutes.

Scoreless Period.

For that scoreless period neither team displayed much class as they failed to penetrate the lids that were seemingly elapped on both baskets. The momentary lead pre-sented to the Cyclones by Cowen was soon eradicated as Wahlquist converted on a couple of gratis flips. Widman, the man to whom last night's action was dedicated, proved his worth by a long swisher that gave the Huskers a permanent margin.

Perfected timing plays and peer-less defense dominated among the boys in the Scarlet and White and Whitaker gave the crowd an early sampler as he raced in for a pass from Wahlquist. The latter did the versa visa a moment later just be-fore. Flemming potted a field counter that was not replaced by another Iowa tally for some nine

Gather Eight Points.

Wanlquest, Whitaker and Ebaugh peppered the hoop in a well sea-soned attack to gather in eight points Nebraska 18, Iowa State 6. With the two stellarites, Whitaker and Wahlquist, still featuring an offensive roles, Parsons and Baker developed the scoring habit, drop-ning thru eight more ping thru eight more.
In the death bed moments of the

first half the Cyclones came back with a feebly rally, starring Gibson and Flemming, that netted them three points. At the half time the facts were Nebrasks 26, Iowa State 9.

Manual's boys returned to the court stout of heart, but unfortunately so did the Huskers. Poole dusted the net first, but Parsons, Ebaugh and Whitaker retaliated, Parsons stealing the act with a long range swisher.

Cowen Puts Up Defense.

Cowen, who defensively was accuringly apread all over the court like pavement between the curbs, put up some futile defense and scored a corner shot at this point, but again Browne's lads spat in Iowan eyes as Parsons, Widman, Dohrmann and Wahlquist scored a baker's dozen in stacotto time. The count; Ne-

braska 45, lowa State 13. Feeling the Big Six booty safely in his pocket, Browne ran in his shock troops that so successfully downed the South Dakotans last week. From this time on Ne-braska was struggling only for fifty points and Iowa laboring admirably for something that would take them until very warm weather to acquire, a victory. Gib-

son, Flemming, Cowen and John-son showed their intentions as they lessened the lead by five points and scored the last basket as they did the first, 49 for Ne-breads, and 20 for least State braska and 20 for lowa State,

Fine Performance.

All week Brownie has been braiding his eyebrows for fear that the Menze's would pull a repeater and strip the Huskers of their chances for conference honors, but no matter what the cause, Nebraska turned in one of their best performances and Throne.

With the first stringers already string their game worries swirl own the dressing room drain, the still remains.

There can be no dispute as to the superiority of the two quints, on last night's accounts at least The only edge the invaders may claim is the percentage of shots made. The Huskers held the ball enough that deadly accuracy was not necessary. At one time the Brownemen hoarded the pellet for one minute and fifty-eight seconds without giving the lowans so much as a feel.

Widman Shows Power.

No doubt inspired by the game dedication to him, Harvey Widman turned in one of the finest games of his career, bringing the customers to their feet several times with spectacular guarding and floor work. As is tradition Wahlquist and Whitaker took a major portion of the honors with

all around play.

For Iowa Flemming, Cowen and Pools were the asterisks. So far as points go it was Cowen with eight, but the other two were able accomplices.

K-Ags Nearly Blank Huskers In 32 1-2-1 1-2 Meet; Benno Funken Draws.

Kansas State wrestlers almost blanked the Huskers, 32 1-2 to 1 1-2, at Manhattan, Friday, Feb. 14. Benno Funken's draw with Kaggie John Harrison in heavyweight class saved Nebraska from a shut out.

The Kansans won five falls for five points each, three decisions for three points each, and a draw for one and a half points to account for their 321-2 points.

This meet gives Nebraska record of two wins and one loss in the Big Six. They had won a clean sweep from Kansas university and a close one from Missouri in their two previous conference meets. The summary:

'PA' SCHULTE MAKES TEAM SELECTION FOR KANSAS STATE MEET.

Frosh, Varsity Tracksters Try Out Separately Saturday.

Nebraska's representative trackmen were picked Saturday afternoon by Coach Henry F. Schulte to inaugurate the 1936 in- , door track season next Saturday afternoon against Kansas State's track and field men. Tryouts were held separately for the frosh and varsity tracksters, the freshmen attempting to cinch a place on the various tri-color teams.

Cold weather was blamed by Coach Schulte for knocking down the times. Several runners miserably failed because of the lack of enough "warming up." Despite the cold, quite a few good times were established, and Coach Schulte was able to scrutinize his cinder-path athleles in action path athletes in action.

Jacobsen First in Sixty Yard.

Jake Jacobsen beat Lloyd Cardwell in the 60-yard dash by a scant two yards with Dick Fischer sailing in third. Jake's time was 6.4 seconds, In the frosh 60-yard dash, Bob Simmons, Lincoln, came in first, Gale Haner of Hastings, second, and Joy Vallery of Coun-cil Bluffs, Ia., third, Simmons' time was 6.7 seconds, only three seconds behind the time of Jacob-sen, senior and veteran sprinter.

Standley Height, veteran hurd-ler from DuBoise, took another fall in the 0-yard high hurdles, but in a later attempt made it in 6.8 seconds. Mortimer Aden, Sutherland, looked good in the high hurdles altho he is only a freshman who hasn't been out for track very long. Carroll, former Husker hurdler, also ran. Aden's time was 7.3 seconds.

It was a dead heat between Lloyd Cardwell and Standley Haight in the 60-yard low hurdles with Ashur Mousel of Cambridge third. The time was snapped in six seconds flat, one of the fastest marks made yesterday.

Worth Watching.

The two 440-yard runs were well worth watching and two good 1 times were hung up. In the frosh division it was Dave Rice, first, Joe Beatty, second, Eldon Frank, third, Frank Estes, fourth, and Emil Wolf, fifth Rice's time for the quarter mile was 55.4 seconds. Les Pankonin won the varsity 440 in 53.3 seconds with Harwin Dawson a close second and Bob Sim-
