NEBRASKA DROPS HUSKER GRIDDERS 43-36 DECISION IN SEASON'S FINALE

Ray Ebling, High Scorer in Conference, Leads New Champs to Victory.

Even tho the Kansas Jayhawk now wears the Big Six crown in advance, even the Nebraska now doesn't have a ghost of a chance to have more than a second place ranking, and even tho the Brownemen were given their first trim-ming on their home floor, this there wasn't a single Husker enthusiast who could make a conscientious request for his money back Friday night after

Kansas Deliberate.

Coach Browne and the boys have been intent on Friday's game for almost the last third of the season. Instead of taking their opin chronological order they have been talking Jay for months. Whether Nebraska was keyed too high, is hard to say, but they tried admirably. What is more, Kansas exhibited a style of he put on a scoring splurge like knowledge the eligibility or ineligibility or were in direct contrast; Nebraska maries: trying her lightning breaks with Whitaker, Parsons, and Wahlquist f Wahlquist f racing down the floor as usual Leacox, f. and Kansas slowly stalking dov the floor in an offense that fair oozed with deliberation.

It took the new champs only few minutes to construct a le that never changed hands. With about two revolutions of the b clock, Ebling and Noble had giv their mates a six point marg Nebraska's defense was goo but not air tight. Ebling, the co ference's best scorer, seemingly BIG SIX FACULTY MEN scored at will.

Plays on Sprained Ankle.

The notorious Husker quickbreak plays were still quick breaking Friday night, but they were unavoidably doing so right into the hands of one or the other of infallibly be Kappleman or Pralle. who played on a sprained ankle in the mending process, to greet them with open arms.

On back board retrieves the Huskers weren't playing their usual ball. They were conceding the agate to the visitors after almost every shot. It is not to be overlooked, however, that Noble and Ebling are able to give the best of them a lot of stiff competition in any department.

During the entire evening of sec-saw play the packed crowd relished opportunities to hiss the coache's son, Milton Allen, They wanted to jeer him because he was so deadly accurate on both passing and shooting tactics, and because he was so caim and unriled. However, he was given a huge ovation when he left the floor on personal violations, late in the last

Ebling Outstanding. The one could never say that

the score came close enough for the Jays to feel Husker breath on the backs of their necks, there was always some factor that kept the coliseum mob in an uproar until several minutes after the gun had sounded. The score at the half was 23-33, Kansas,

Invading hot shots were three, but principally Ray Ebling, who perhaps contains more basketball than any man the Huskers have met all season. His sixteen points for the evening put him in an undisputed lead for individual point making. Ray Noble, the he did not make too many counters was a ball hawk without whom the Kansans could have not succeeded in nearly such fine form. Kappleman, a guard did more than his quota of cage labor, being employed to bat down the Musker forwards tipins, a feat which no other guards have done so well all this season, and collecting ten points.

Huskers Finish Careers.

Three starting seniors finished their basketball careers in varsity togs. The trio were Harvey Widman, George Wahlquist, and Henry Whitaker. All made exception-al accounts for themselves in the evenings play. Wahlquist was high in points with 11, Whitaker and Widman next with eight, The latter has been improving his de-fensive game weekly and Friday

The rumble of the football drums can be heard a long way off. Even in the crispness of early March. Their war cries, due to swing the nation into the 1936 dizzy spell in just about seven months, are calling Dana X. Bible to battle now.
