

TRACKSTERS TO LEAVE ON FRIDAY FOR RELAY MEET

Sam Francis Is Nebraska's Hope for Place in Shotputting.

Hoping to score highly in the various track and field events, Coach Henry F. "Indian" Schulte and a six-car caravan of Scarlet and Cream trackmen will leave Huskerland Friday afternoon at 1:45 for Lawrence, Kansas where they will compete in the fourteenth annual Kansas Relays.

While forecasting Nebraska's possibilities in the first big spring track and field meet, Coach Schulte indicated that some of the Husker aces will be in the pay dirt in the finals of the meet. Southern college teams will have an advantage over the Cornhuskers, as they have had nearly two months of ideal weather for track work.

Francis is Schulte's "Hope." Sam Francis is Coach Schulte's big hope in the shotput division. "Sammy" tossed the 16 pound metal ball 51 feet 9 1/2 inches at the recent Texas Relays, establishing a new Texas record but falling short of hanging a new intercollegiate record.

Under Constant Inspection ROBERTS DAIRY PRODUCTS

tween 47 and 50 feet during the past two weeks of rehearsal, and from present indications it appears that he will record a new mark Saturday.

Harold "Jake" Jacobsen is slated to perform in the 100 yard dash and Coach Schulte is banking on him to place. The record time of 9.4 seconds set by Leland of Texas Christian in 1930 is still standing, and if "Jake" can hit his speedy stride, a new time for the century dash may be recorded. "Jake" will also run 220 yards in the 880 yard relay race.

Cardwell Diversifies Events.

All-around athlete that he is, Lloyd Cardwell will have a big day Saturday participating in the 120 yard high hurdles, half mile relay, hop-skip-and-jump, broad jump, and possibly high jump. The hop-skip-and-jump is a special A. A. U. event. "Cardy" is expected to place high in nearly all of his individual events, especially in the hurdles and broad jump.

"Sherm" Cosgrove has a high mark to shoot at in the pole vault division. The record height of 13 feet 9 3/4 inches made by Warne of Northwestern in 1930 is standing unchallenged, but if "Sherm" hits his stride in vaulting performance, he may set a new vault mark.

George Galloway and Jack Dodd will also vault in Lawrence with hopes of garnishing a few points. Dodd, stellar Husker halfback, cleared twelve feet even Thursday afternoon to win a berth on the Kansas-bound caravan.

Peters May Make Mark. Gus Peters will probably place in the javelin throw contest, and Ed Franks might qualify in the same contest. Bob Warnke and Ashur Mousal have chances of qualifying in the broad jump along with Cardwell. Stanley Haight looks fine in the 120 yard high hurdles, and may challenge the record of 14.5 seconds established by Sam Allen of Oklahoma Baptist in last year's Kansas Relays.

Another great Husker footballer, Fred Shirey, will start a track career Saturday by participating in the shotput and discus events, along with his equally great teammate, Sam Francis.

The highjump still stands as the weak spot in the Cornhusker track and field lineup. "Cardy" may take part in it, but his other events will require much of his time and strength.

Shuttle-Hurdle Team Enters. Nebraska's shuttle-hurdle relay team, Ed Franks, Bill Gish, Stanley Haight, and Kenneth Chapman, may qualify in the finals. Their best time is about 1:3, while the record time is 1:01.7. Coach Schulte will put his best

relay team on the track in the form of Lloyd Cardwell, Dick Fischer, Les Pankonin, and Harold Jacobsen. They can cover the 880 yard relay distance in well under 1:25. The record time is Iowa's 1:25.2 in 1935.

Chet Beaver, Fred Matteson, and possibly Bob Morris and Wilson Andrews will constitute the four runners in the four mile team race with three runners' times to count.

Medley Time Good.

The distance medley quartet composed of Les Pankonin, Bob West, Bob Morris, and Wilson Andrews can cover their distance in about ten minutes and twenty seconds. The chance here for a new Husker record is quite possible.

Dave Rice, Dick Fischer, Bob Morris, and Les Pankonin will run the mile relay for Nebraska. Texas' record time is 3:16.1.

Elmer Dohrman may be the last man to make the trip and take part in the javelin throw. Harwin Dawson will not compete, but will drive one of the cars to Lawrence. The track team will spend Friday night in Topeka.

BASEBALL SQUAD GETS INTO ACTION WITH IOWA GAME

First Contest of Season This Afternoon Opens Series.

Nebraska's baseball squad which has aspirations of going places this spring, opens the season this afternoon at Landis field meeting Iowa State in the first of a two game series.

The Friday game will get under way at 4 o'clock and the Saturday tilt at 2. In an effort to attract larger crowds throughout the rest of the season both games this week-end will be free to the public. Three sophomores have played important holes in the varsity lineup. The trio includes Eddie George at third base; Paul Amen who will be at first, and Ivan Borman at short.

The Iowa State team opens its defense of the Big Six conference crown with the Nebraska game although it won't be their first game of the season. The Cyclones shut out Simpson college of Iowa 8-0 and outslugged the Iowa State Teachers college 11-8. Fourteen Iowa State players will make the trip. Capt. Torvald Holmes, who pitched the shutout victory over Simpson is scheduled to be on the mound in Friday's encounter, while Robert Scott, winning hurler in the Teacher's contest, will work Saturday's contest.

The Huskers will base their hopes on the battery of Spurlock and Pohlman for Friday's game. Coach Wilber Knight is still undecided as to whom he will send to the mound for the closing encounter.

Governor Alf Landon is not the only Kansas male winning renown for his sense of economy.

Take the males at the University of Kansas for example. The men's council there has just issued a firm resolution requesting the girls of the campus to share evenly in the evening's expenses while dating the men. They have even gone so far as to formally request the cafe owners of the town to issue separate dinner checks for the women.

"Do not have a false sense of chivalry" the university men were advised by the council.

Nine hundred and fifty alumni of the University of Notre Dame were asked this question recently: "Do you think you missed anything by not attending a coeducational school?"

Answers: Seven hundred sixty-six said "no." Seventy-eight hundred "absolutely not!" Thirty-six said "yes." Twenty-five said "social life." Eight said "don't know." Seven said "possibly." Five murmured "not much."

28 TEAMS ENTER GREEK BASEBALL SPRING TOURNEY

Fraternity Nines to Play Third Round of Contest.

Having crossed off all the major sports of the intramural calendar except baseball, the Greek dignitaries are already predicting a boom diamond season. Two rounds of the interfraternity round-robin have been played to date. Twenty-eight teams have been entered in the pennant race.

In leagues I, II and III, there are six teams, while in the remaining two there are only five. Three fielding have been lined up for use, but at present officials are running only one game at a time to lessen the confusion experienced last year. Later on in the season twilight games will be played at 6:30.

Soft Ball Diamond. Field dimensions are of the standard soft ball diamond measurements but the pitchers' location will be the same in intramural ball instead of moving it back as suggested by the national rules committee.

Postponed games will be handled in the same manner as in previous years. In the case of inclement weather the intramural office will voluntarily set another date for the playoff. Should the fraternity want to postpone a meeting, it may do so with the consent of the other fraternity involved and the intramural office under the following conditions: The postponed games must be played within three days of the originally scheduled time and will be played at 6:30 a. m.

In case a game cannot be completed for any reason the score at the end of five complete innings will stand as the official score.

The same rules of eligibility as were employed in previous sports will be binding in the coming baseball season.
