

# NEBRASKA CAMPUS SOCIAL WHIRL

## SEEN ON THE CAMPUS.

Maureen Maloney entertaining the Kappa booth at the Drug with some of her rare stories... Sally Springer being slightly different and smoking a pipe... Don Blunt trying to play milkman in the early hours of the morning... Johnny Wachter and Betty Delabar managing to do a little studying in Campus Inn... Jane Barbour looking with more than usual favor upon "Mac" MacFarlane these days... Marty Morrow wishing that some one would cheer her up after flunking an exam... prospective Mortar Board and innocents maintain that nonchalant attitude... Kosmet Klub workers taking an awful beating... Bob Hillier practically running over Margaret Blaufuss trying to get her attention... Mary Janet McGeechin and Frank Cherry haunting and hunting friends in all of the "jellying" places... Kay Garrett looking rather fatigued after a tiring senior sneak night... Betty Widener declaring her preference for Bob Leadley nowadays... Bill Crittenden trying to forget his Alpha O girl friend—but without much success... Bill Wallace playing his trumpet for the Kappa's benefit every morning... and everyone reading the thermometers and praying for rain on Friday instead of Thursday.

TEA dancing from 4 to 6 o'clock this afternoon will cap the Ivy Day climax for members of Greek letter organizations and their guests. According to Bill Cline, president of the sponsoring Social Chairman's club, the dance will be strictly stag and everyone is invited.

NEWLY elected officers of Alpha Sigma Phi are Vance Leininger, president; Kenneth McGinnis, vice president; Galen Jones, secretary; Eugene Woods, treasurer; Don Wagner, corresponding secretary; Omar Bornemeier, custodian, and Don Gonzales, marshal.

## LINCOLN TO BE DESERTEED.

It looks like a quiet evening of knitting and monopoly for those Lincolnites who refuse to navigate outside the city limits this weekend. Coeds and campus sheiks are leaving town in a body—to go to the Farmers' Fair at Ag, to the Pharmacy dinner dance at the Shrine, or to hear Isham Jones in Omaha. At the Fair informality is the order of the day and those who do not on circuses and carnivals can revert to childhood and have a keen time eating popcorn at the horse show and the pageant and strolling about among the booths. More sophisticated amusement is offered by Isham Jones' orchestra and various Creighton fraternities who are holding spring parties in Omaha. At any rate the trek out of Lincoln will begin on Friday night, and whether it ends on Ag campus, at the Shrine, or in Omaha, it promises a gay weekend.

HONORED guest of Chi Phi fraternity was Judge Luther Rosser, judge of the supreme court of Georgia, and Grand Alpha of the fraternity. A banquet was held in his honor Wednesday evening at the University club, followed by a dance at the chapter house. Invitations were extended to 200 alumnus to be present.

MEMBERS of the active chapter of Alpha Delta Theta will entertain their mothers at a tea Sunday afternoon to be held at the chapter house. About forty are expected to be present at the affair. The committee in charge of general arrangements is composed of June Day, chairman, Wilma Hackman and Engelina Johnson.

SOME people may bear a grudge against the word "caking," but we'd say we were pretty lucky, after hearing other colleges describe this age old pastime. The latest and best comes from Manhattan, Kas., where it is described as "jellying." Imagine spending an afternoon jellying at the drug!

# GREEN SQUAD WINS TRI-COLOR HONORS

Winning Frosh Team Takes Fourth Meet With Total of 91 1-2 Points; Reds Score 86 Points for 2nd, Orange Places Third With 72 1-2 Total

Aided by a strong wind in the track events, the Green outfit won their fourth tri-color meet Tuesday afternoon, scoring 91 1-2 points to 86 points for the Red team and 72 1-2 points for the Orange crew.

Several members of the winning team, tutored by Charley Stout, turned in some good performances. Ray Baxter went 6 feet 1-4 inch to win the high jump. Wes Evans tied Bob Neuman in the pole vault for first place at 12 feet 2 inches. Mort Aden won the low hurdles (115 yards) in 13.3 seconds and the high hurdles in 16 seconds flat, with a strong wind behind him. Bob Simmons, Red runner of no little ability, copped the 220 yard dash in 22.6 seconds and beat Wayne Yarcho in the 440 yard dash in the fast time of 51.1 seconds. In an exhibition run last

week in Beatrice Simmons did the quarter mile in 50.6 seconds.

# EBAUGH, PARSONS HIT AS REDS BEAT WHITES 55 TO 50

Veterans Show Way in Third Spring Basket Practice Scrimmage.

With Ebaugh and Parsons, vets of last season, giving the basket a terrific shredding the Reds steamed through their second consecutive win in a series of three spring practice games, with a 55-50 tally.

While the first of the trio of scrimmages was crammed with spring fever and erratic playing, the second was a shadow of a championship five. For the first third of the play the spectator would have had a tough time laying his money on either the Whites or the Reds with first one and then the other breezing out in front with spirited rallies. Once the Whites held an 11-6 advantage.

Best of all combinations on the coliseum maples for the afternoon was the starting Red quintet with Parsons and Dohrmann, forwards; Ebaugh, center, and Yelkin and Amen, guards. The starters for the pale shirts included Werner and Elliott, forwards; Baxter, center, and Sorenson and Hale, guards.

Passing was done with staccato precision and underbasket breaks loomed as a deadly weapon for next year's clan, Parsons, Dohrmann, and Ebaugh stood out for the Reds with Sorenson, a returning vet, doing double duty on both sides.

Hoop hot for the whites were Werner, Baxter, Hale, Baker, and George Scott. It was in the fading moments of the game that Scott led a one man game of vengeance to bring his comrades to a 50-47 lead, but the spurt was thwarted by a similar Red rally starring Jack Schock, freshman. The same men played satellite roles on defense as did Bruce Campbell, wiry forward.

## 'The Fair Will Ride at the Fair'

## PREP CHAMPIONSHIPS PROMISE UPSET OF HIGH SCHOOL RECORDS

## Memorial Stadium Scene Of Annual Track, Field Events.

Judging from past performances of various prep school stars, it looks like a great state track and field championship meet will be staged in Memorial Stadium May 15 and 16. Several new invitational and conference marks have been established and two state records have been surpassed.

Bill Pfeiff, Lincoln highs No. 1 shot man, threw the 12 pound metal ball 53 feet 3 inches at the Hastings invitation meet last week. Pfeiff's ex-teammate, Bob Mills, holds the official record at 51 feet 6 inches, but the two-year-old record is doomed for a fall.

Mather Sets Record.

James Mather of Arapahoe broadjumped 22 feet 10 1/2 inches at the same Hastings meet eclipsing the record by more than an inch. The record distance is held by Bradford of Mitchell who last year set the mark at 22 feet 9 1/2 inches.

Orson Parks, century dash champion, and George Drost, members of North Platte's crack relay team, did the 100 yard dash in .9.8 in the prelims of the Kearney invitation meet last week, although aided by a strong wind. Drost and Parks have been running dead heats all season, but the championship meet should decide which man is faster.

Newton, State Champ.

Floyd Newton, state 440 champion and two-year all-state half-back from North Platte, surprised Kearney track fans last week by winning the 200 yard low hurdle contest in .22.8. He also ran the 440 in .53.5, but Hejkal of Hastings has a 52.0 mark, which is the season's best. Bailey, '27, Scotts-bluff, and Skinner, '33, Omaha Tech, jointly hold the record in the time of .51.4.

Whoever wins the final heat in the low hurdles will be champion and record holder, at least, until

## 20 MEN PARTICIPATE IN SPRING PRACTICE ON COLISEUM FLOOR

## Basketeers Complete Eight Drills on Game Fundamentals.

Of a stimulated basketball spring practice that is scheduled to go fifteen rounds without wind nor water, eight drills have been checked off to date, including one full length game. Conflicts with coliseum floor engagements have been wholly responsible for the delay in completing the program.

Twenty men have been reporting regularly, among which are more lettermen and otherwise stronger material than for many years. Only two regulars grace the list, but of the remaining eighteen, none are weak.

Two full time games stand unplayed, but will be staged at the first opportunity. The coaching staff hopes to conclude the last practice in a few days, lest the weather get too disagreeable for hard workouts.

## MEMBERS OF FRENCH CLUB HOLD MEET.

## Election of Officers Features Gathering This Thursday Night

Election of officers will feature the meeting of the French club to be held Thursday evening at 7:30 p. m. in Morrill hall. Entertainment is to consist of games and French charades.

**W.A.A. TOURNEYS IN FIVE SPORTS GET UNDER WAY**

Headquarters of Intermurals Hums With Activity This Week.

W. A. A. intramural headquarters are humming with activity this week as tournaments in five sports get under way. Tennis, swimming, archery, golf and deck tennis competition have been scheduled by Miss Matilda Shelby, director of women's intramurals, and members of the sports board.

Deck tennis and swimming are organized as intramurals. Tennis, archery and golf are sponsored by the respective sports clubs.

The first round of the deck tennis tournament will be finished May 9th. Deck tennis ranks second only to bowling in popularity, as proven by the entrance of 104 teams. Delta Gamma is represented by 27 teams, the largest group in the field. The Kappa Delta's rank second, with 13 teams competing, closely followed by Kappa Alpha Theta, with 10 teams.

Two swimming meets are scheduled, one on May 11, and another on May 16. Seventy-nine girls have signified their intention to enter this sport. The largest number of entrants are from the Pi Phi house, the Phi Mu representatives ranking second.

The following events will be scheduled:

**ADVANCED.**

- 25 yard free style.
- 25 yard breast stroke.
- 25 yard back stroke.
- 100 yards free style relay.
- Diving.
- Tomb stone swim.

**NOVICE.**

- 10 yard push off.
- Kick board relay—scissors kick.
- Kick board relay—flutter kick.
- Falling, run to rope.
- Tomb stone swim.

Evelyn Burgess, vice president of Intramural Swimming club has announced the following practice hours at the pool:

Monday: 7:30 to 8:30 p. m.  
Tuesday and Thursday: 9 to 10 a. m.  
Wednesday and Friday 4 to 5 p. m.  
Saturday: 1:30 to 3:30 p. m.

The tennis singles tournament, sponsored by the tennis club has attracted 39 girls. Idella Iverson, club president, announced that a mixed doubles tournament may also be scheduled.

Archery and golf tournaments are being planned by the clubs, but definite arrangements have not been announced.

**Correction.**

In Wednesday's Nebraskan, it stated that Doctor McCollum was a delegate to the International Teeth Conference. Also he was the only American member of the mixed committee of the health section of the League of Nations, it should have read "Peace Conference."

**TURRET TOP, NO DRAFT VENTILATION, KNEE-ACTION, HYDRAULIC BRAKES AND THAT GAL! WHAT MORE COULD YOU WANT IN A CAR?!**

**LET'S GO!**

You may be satisfied, but General Motors is going to keep right on trying to beat its share of this combination. That's the fortunate advantage of having the vast resources to keep on pioneering—and a demand for its cars vast enough to enable the production of new things at a price that fits the average pocketbook.
