There's a six ring battle royal looming on the horizon for this Friday and Saturday when the annual Big Six track and field circus moves into Memorial stadium with a full sized squad from each school in the valley league.

Coach Henry F. Schulte's star pupils are expected to win their share of first places, but with a scoring basis of 5-4-3-2-1, it will be up to the second and third place winners to tally much needed points for the Scarlet and Cream.

Husker Team Well Balanced. Nebraska's team is particularly well balanced this year, with much promising material that should win points in all track and field events. Jacobsen in the sprints, Pankonin in the middle distance runs, and Morris, West, Beaver, Andrews and Matteson are Coach Schulte's hopes in the track events, bolstered by such men as Fischer, Dodd, Rice and Chapman. Haight, Cardwell and Gish are the hurdlers, Dohrmann, Peters, Cardwell and several others are Coach Schulte's field men.

News reports from other Big Six colleges indicate that they are auring bad things for the Huskers, who are hoped to win the championship. Kansas State, Ne-

braska's latest triumph, is hoping to get back at the undefeated Cornhuskers, and Oklahoma, defending champ, intends to retain the conference crown another year.

Track and field patrons will be assured of a real thrill Saturday when they witness the performances of some of the individual stars who have been going great guns all season. Lyon, pole vault, Freeman, hurdles, Witmer, sprints and Minsky, javelin, are Iowa State's outstanding men. Mizou has its power in Waters, indoor broad jump king, Snipe and Gee, quarter mile, and Hayden, Beasley and Collins, distance runs.

The defenders, Oklahoma, boast of such athletes as Barrett, 440; Nelson, hurdles, Hewes, shot, put, Lochner, distance runs, and good performers in each event. K-Aggie men of some renown are Fanning, discuss, Hotchkiss, hurdles, Nixon, sprints; Socolofsky, shot put, and Wheelock, Redfield and Eberhart, long distance runners. The Jayhawk team is built around Noble, Big Six vault champ; Cox and Fey, sprints; Trotter, McNow, Green and Wiles, 440; and Pitts, Kanatzer and Sklar, field events.

Veteran Starter Officials. John C. Grover, Kansas City, who has served as starter and referee for Big Six meets for many years, will officiate. The prelims, beginning at 2 o'clock Friday, are open to the public. The finals, starting at 2 o'clock Saturday, cost 75 cents for adults and 25 cents for students with activities books. The high jump and pole vault will begin at 1:30 Saturday, in order to finish before supper time.

BARBS PLAY SOFT BALL FINAL AT SUNDAY PICNIC

There is now a three way tie between the Pirates, A. C. B. C. club and the Bruners. The Bruners are relying on their pitching staff to carry them thru.

ACTIVITY WOMEN FAVOR CLEANER POLITICS, URGE ABOLITION OF FACTIONS

(Continued from Page 1.) Their candidate would do more triple or quintuplet voting. They, too, would have to work for their positions.

Virginia Anderson, a new student council member, agrees that factions should not be eliminated. She is convinced that barb groups are very important and should be equally represented in all parties. If the barbs cared to start the reform, Virginia thinks that they could swing it.

"Campus politics are terrible," declares Lois Rathburn. "I see no reason why some men's organization can't take over the political situation as Mortar Board did for women. Some group should clean up the dirt. Factions could and should be done away with."

"Why not let the women run men's politics?" So Jane Keefe solves the problem, but she smiles as she solves. "If men were truly interested in activities instead of just the political plums they pull out for themselves everything would work better," she declares. "The men should learn to work more for a good party and not so much for individual and fraternal glory."

Winifred Nelson, an activities woman just getting into her stride, would do away with all alignment by houses, and remarks: "The good old merit system will never do any harm."

HUSKER NINE UPSETS MINNESOTANS 3-2 TO CLOSE SEASON'S PLAY

Nebraskans Hand Gophers Fourth Defeat in 14 Games.

Climaxing their eastern and northern road trip, Coach Wilbur Knight's Cornhusker nine upset Minnesota's baseball team at Minneapolis Tuesday with a 3-2 score, giving the Gophers their fourth defeat in nineteen games this season.

The Gopher ball game rang down the curtains for the Husker baseball team. Nebraska's conference games ended last week when they dropped a two game series to Iowa State 10-3 and 8-2. By virtue of this double win, the Cyclones moved up into a tie for the Big Six conference baseball championship with Oklahoma for the second consecutive year.

Elmer Dohrmann, Husker right fielder, led the way for the losing Cornhuskers in the initial game with Iowa State, getting three hits out of four times up. Wampler and Spurlock saw service on the mound. In the second Cyclone game, Vinc Jacobsen led the Huskers amassing three hits out of four times at bat, while Pohlman, Stall and Spurlock did the mound duty.

In the Minnesota game Tuesday the Huskers collected all their runs and five of their seven hits in the first three innings, while the Gophers reached Floyd Wampler for ten hits during the game but only managed to put two men across the home plate. Summary:

Long Distance

LONGER SHORTER HIGHER LOWER

grows

IMPOSSIBLE?—not at all. Year after year Long Distance telephone service grows longer in reach—shorter in the time needed for making connections—higher in quality of transmission—lower in cost. Since the first of this year, Long Distance calling has been made cheaper in two ways.

1. Rates are now reduced after 7 P. M. each night on person-to-person calls to most points. As formerly, station-to-station rates are lower after 7 P. M.

2. The same low night rates now apply all day Sunday on both types of service.

Just another proof that the Bell System is constantly striving to fit telephone service more closely to your needs in every possible way.

Why not take advantage of these "Bargain Hours" to keep in closer touch with home?
