FIRST REGISTRATION FIGURES SHOW TOTAL OF 1,471 ENROLLED

More Students in Summer Session Than at Same Time Last Year.

With 143 more students registered this year than at the same time last year, University classes got under way Thursday morning. An official count Thursday afternoon and all day Wednesday a total enrollment of 1,471. Last year during the same period of time the count was 1,328.

Several hundred more students are expected to register within the next few days. Graduate students and Lincoln school teachers have until June 18 to complete their registration. Final figures for the 1936 summer session will not, therefore, be available for several days yet. No figures have yet been received from the school of nursing and college of medicine at Omaha, where last year about 90 students were registered.

Final Count 2,079 in 1935.

Last year at the close of the registration period for graduate students a total of 1,906 students had registered. Stragglers brought the final 1935 count to 2,079.

"The general outlook is very encouraging," Prof. R. D. Moritz, director of the summer session stated, "as the registration will undoubtedly be considerably above that of last year."

Late Fee Charged.

No registrations will be accepted after June 18. A fee of \$3 is charged all students registering after Wednesday, and a fee of \$1 for each additional week after classes have begun will also be

(Continued on Page 2).

184 STUDENTS LEAVE FOR FORT CROOK CAMP

Five Men From Military Department Stationed At Fort Riley.

About 184 students left for the reserve officers' training camp at Fort Crook June 7, according to an announcement from the military department. These students from the military department of the university will be on temporary duty for six weeks, during the period of camp. Five students from the university will report June 13 to be on temporary duty at Fort Riley, Kansas.

Those stationed at Fort Crook are as follows: Arthur J. Abbott; John C. Alexander; Ross J. Alexander; Carl O. Alexis; Eugene P. Allen; Vernon K. Anderl; Charles R. Anderson; John W. Anderson; Clayton J. Ankeny; Thomas M. Archer; Floyd R. Baker; Howard F. Baker; Sidney C. Baker; Paul Bandy; Frank Bennett; Jerome H. Berggren; George W. A. Beyer; Edward E. Bignell; Fred C. Blumer; William H. Bockes; Paul L. Bogen; John E. Boyd; Theo. D. Bradley; John E. Brain, jr.; Marvin W. Brigham; Russell E. Broeker; Herman A. Brooker; Delford P. Brummer; John W. Campbell; Lloyd R. Cardwell; Wayne W. Carpenter; Floyd D. Carroll; Edward E. Chittenden; William B. Cline; J. Frank Cole; Harold W. Conroy; William C. Crittenden; Thomas H. Davidson.

George A. Davis; Robert L. Davis; Harold R. Deitemeyer; Stanley M. Dolezal; Donald B. Douglas; Clarence B. Drummond; John L. Dvorak; George Eager; Robert K. Eby; Lowell E. English; John T. Enslow; Richard O. Fischer; John C. Flanagan; Claude C. Flansburg; Garrett Fonda; John E. Friedbach; Francis L. Free; Lloyd D. Friedman; Elmer M. Gaughan; Robert G. Gibbons; William V. Glenn; Henry Gramann; Lawrence A. Green; Vernon W. Groves; Leland E. Hale; Harold W. Hanses; Emanuel M. Heiden.

ANNOUNCE PHI DELTA KAPPA MEETINGS

Visiting Professors Talk at Educational Group's Gatherings

Dates have been set for a series of four meetings to be sponsored by Phi Delta Kappa, professional educational fraternity, during the summer session. The first will be on June 16, and others have been planned for June 30, July 14, and July 28.

Visiting professors who are on the summer faculty of the University will be guest speakers at the meetings, it was announced. The meetings, some of which will be open to all summer students, will be held in the Grand hotel.

CARDWELL, JACOBSEN, FRANCIS TO COMPETE IN CHICAGO CONTEST

Nebraska Cinder Artists Will Enter Intercollegiate National Meet.

Nebraska's hopes for placement in the National Collegiate meet at Chicago, Illinois, June 19 and 20, lie on the Big Six crowned heads of Harold Jacobsen, Lloyd Cardwell and Sam Francis.

These Nebraska trackmen will compete in the national meet, which is one of the meets deciding the group of men who will be eligible to compete in the final Olympic tryouts, in Boston, Massachusetts, the first week in July.

Harold Jacobson will run the 100 meters and the 200 meters, in the Chicago meet. "Jake" won the 100 yard dash in the annual Big Six meet, with a time of 9.8 and on the same day flew down the track to take his second win in the 220, in 21.5 seconds.

Nebraska's versatile man of the cinders, Lloyd Cardwell, will compete in the 400 meter hurdles and possibly in the hop, step and jump and the 110 meter high hurdles. "Cardy" conducted himself admirably in the Big Six meet, as he led the Huskers in individual scoring. He won the broad jump, with a leap of 24 feet 1 1-3 inches, then dug his cleats into the cinders and skimmed down the track over the 220 low hurdles, to win another first place, with a time of 24 seconds flat, "Seward's" wild hoss" (Continued on Page 2).

UNIVERSITY STUDENT SUCCUMBS TO ILLNESS

Walter S. "Scotty" Kurtz, former university student, died at a Kansas City hospital early Wednesday morning following an illness of several months. Kurtz was a freshman at the university until heart trouble forced him to drop out early in the second semester. He was a pledge of Sigma Alpha Epsilon. The funeral will be held at 4 o'clock Friday in Beatrice.

LIBRARIES OPEN TO SUMMER STUDENTS

Over 300,000 volumes are available to students attending the University summer session in the University library, which occupies the main floor of Library hall. Not only is the main library open for the use of summer students, but also departmental libraries, including that in Social Science building, in the Teachers college building, and in the engineering building.

Any person who is registered as a student at the University may borrow books. When books are requested, identification cards are presented in place of library cards.

Books Classified.

The libraries are classified by the decimal system with a complete card catalog of authors and subjects. The libraries of the University are open for reference work to anyone whether connected with the University or not. Reference work may be done by correspondence.

The Library building holds the main collection of books. These

DEMING GETS LEAVE

—Courtesy of The Lincoln Journal.

Dr. H. G. Deming has been granted a leave of absence from the chemistry department of the University next year. He plans to attend the Tercentennial celebration at Harvard University in September and then go to Johns Hopkins for a period of study. His further plans are indefinite, but they will include study at several eastern universities.

INDIVIDUAL TRAINING PURPOSE OF FOURTH STATE MUSIC COURSE

Kirkpatrick Is Anticipating Better Quality Work By Young Students.

Anticipating an improvement in the quality of the work done, as well as in the number of high school students enrolled, Howard Kirkpatrick, director of the school of music, made known plans for the fourth all-state high school music course to be held from June 15 to July 10.

"The principal objective of the course," Mr. Kirkpatrick stated, "is not a highly perfected orchestra or chorus. It is designed from an educational standpoint, and we intend to pay more attention to the individual. The concerts, however, have been in the past a very effective and successful part of the program."

100 Expected in Chorus.

When classes start Monday afternoon, about one hundred students are expected to be enrolled in the chorus, the head of the school or music stated. Registration for the course will take place Monday morning. All those attending the session will live in dormitories, the girls at the Pi Beta Phi sorority house, and the (Continued on Page 2).

AG COLLEGE DIVIDES CATTLE SHOW WIN

Walnut Springs Farm Ties With Nebraska in Jersey Judging Meet

Top honors were divided in a Jersey cattle parish show held at the state fairgrounds Tuesday between the University of Nebraska and the Walnut Springs Jersey farm of Lincoln.

Awards for the university were won by Michigan Fauvic Alligator, senior and grand championship male winner. Forty high bred Jersey cattle from Lancaster and surrounding counties competed. Prof. H. P. Davis, chairman of the college of agriculture dairy department, and Fred Idtse of the American Jersey Cattle club judged the classes.

MUSEUM PARTY TO INSPECT NEW SITES ON SUMMER TRIPS

C. B. Schultz, G. Meade Lead Excursions to Crawford, Bridgeport Fields.

The question of how long man has lived in Nebraska has puzzled paleontologists for some time, but now that a new and unusually promising site in northwest Nebraska has been discovered, Nebraska scientists are hoping to be able to date pleistocene deposits and eventually determine the antiquity of man in this area. These new sites in the vicinity of Crawford and Bridgeport were discovered by a University of Nebraska museum party almost at the close of their last summer's field work.

Two Groups Leave.

Two groups from the museum will be in the field this summer, one under the direction of C. Bertrand Schultz and another under Grayson Meade, Dr. E. H. Barbour, director of the museum announced. Schultz and a part of his group will leave Friday for the Bridgeport area and Meade will depart Saturday. In the Bridgeport field party this year will be E. L. Blue, Frank Crabill, Thomp-

DR. HERTZLER'S BOOK TO BE PRINTED SOON

"The Social Thought of the Ancient Civilization," one of the foremost books of its kind, which has just been completed by Dr. J. C. Hertzler, chairman of the department of sociology, will soon be off the press. This latest achievement by Dr. Hertzler represents the ancient thought materials of the first scientific examination of the pre-Greek civilization as contrasted with a religious, ethical or literary treatment. The volume is a factual survey which rests its case on actual documentary material rather than on personal interpretation.

BASEBALL ACTIVITIES GET STARTED FRIDAY NIGHT, SAYS LANTZ

First Recreational Plans For Summer Announced By Director.

Organization of baseball teams for all men and women interested will take place this Friday evening at 7 o'clock, it was announced by Prof. E. W. Lantz, director of recreational activities for the summer session. All men interested in baseball, one of the most popular sports during the summer session, are asked to meet for practice in the field south of Teachers college. Women will meet to practice in the space east of Social Science building.

Social Program Planned.

Assisting Mr. Lantz in planning the summer recreational program will be a committee selected from the summer school students. A definite and comprehensive social program is being developed for the participation and enjoyment of the summer session students.

In addition to baseball, golf and tennis will be listed on the summer recreational program, and tournaments will be arranged. Another feature on the summer program is the annual men's steak fry, an affair which has always been popular.

Swimming Pool Popular.

Summer school students may also avail themselves of the university swimming pool located in the University coliseum. Regular hours will be listed for men and women, when no classes are being held. Instructional work will be available during the free hours. All those who desire to use the pool must satisfactorily pass a medical examination at the student health office in pharmacy building. A physician's swimming pool permit card will be issued to all who pass the examination.

CURRICULUM SUBJECT OF EDUCATIONAL MEET

Outstanding Leaders Take Part in Conference June 23-25.

Curriculum construction and guidance, both in the elementary and secondary schools, will be the chief subject of discussion at the third annual educational conference to be held on the University campus June 23, 24 and 25.

Outstanding leaders of the nation will be invited to participate in these sessions, according to Prof. R. D. Moritz, director of the summer session. It is expected that the program will vitally touch upon the curriculum problems of both county and city superintendents, supervisors, principals, and classroom teachers, as these relate to the social sciences.

The conference sessions will be open to all students and faculty members.

BELL BEGINS SUMMER ARCHAEOLOGY TOUR

Professor Seeks To Uncover Pre-historic Town in This State

Dr. Earl H. Bell, assistant professor of anthropology at the University, is looking forward this summer to uncovering what will be probably the largest pre-historic city in Nebraska. Dr. Bell, accompanied by Perry Newell, Steve Wimberly, Bernard Refshauge, James, Gray, Louis Litman and Mark Owens, all of the University and R. B. Aker of the University of Missouri, left Lincoln Tuesday morning for an extended archaeological expedition along the east Niobrara valley. The group will make Lynch, Nebr., its headquarters.

Dr. Bell believes this pre-historic city near Lynch covers at least 200 acres and that all the (Continued on Page 2).

LIBRARY HOURS

Main and Social Sciences:
7:50 a. m. to 10 p. m. Monday
to Thursday; 7:50 to 6 p. m.
Friday and Saturday.
Teachers college high school:
8 a. m. to 12, and 1 p. m. to
5 p. m. Monday to Friday;
8 a. m. to 12, Saturday.
Engineering: 8 a. m. to 5:30
p. m. Monday to Friday; 9 a. m.
to 12 Saturday.

may be borrowed from the loan desk in the main reading room. Reserved reading rooms are located in room 305, Library hall, and in room 309, Social Science hall. The agricultural library is in Agricultural hall at that college; and the engineering library is in room 211, Mechanic Arts hall. Several other special collections are housed on the campus.

Books Subject to Recall.

Students in the University may take out books which are not re-

served for reference or class use for two weeks. Books on reserve may be used only in the library for periods of two hours; or they may be taken out from 9:30 p. m. until 8 a. m. the following morning. Reference books and books needed for class assignments and magazines are among those so restricted. All books loaned are subject to recall at any time. If books are not returned on the date due, a fine of five cents a day is charged. The fine for keeping reserve books overtime is 25 cents for the first hour and 5 cents for each successive hour.

In looking for a particular book the student should consult the card catalogue which is located in the west end of the main reading room. Directions for using the catalogue are posted on the cabinets.

Encyclopedias, dictionaries and other reference books may be found in the reference room at the west end of the reading room. The reference librarian will aid readers in securing information and books.
