-The sacless Vacumatic with Ever-Visible Ink Supply and 102% More Ink Capacity than Old Style - GUARANTEED Mechanically Perfect

Yes, other things being equal, style-minded people would choose the Parker Vacumatic for beauty alone! But other things, too, including performance, make this revolutionary invention the national favorite by a still bigger margin—by 9 to 4.\*\* One important difference-its ink

supply is ever visible—the ENTIRE length of the barrel. Thus it shows days ahead WHEN IT'S RUNNING Another great difference is the pat-

ented Parker filler. There's no other like it. It requires no sliding piston immersed in ink—its working parts are sealed in the top WHERE INK CAN NEVER TOUCH THEM can never decompose them.
