

**WEIR TO PRESENT  
MINNESOTA GAME  
PICTURES OCT. 26**

**Bible's Coaching Film Also  
Shown, in Four Reels.  
At Lincoln Hotel.**

Ed Weir, Nebraska's fresh coach, scout and cameraman, will give students a chance to see the pictures of the Minnesota-Nebraska football game, when they are shown at the Lincoln Hotel, Monday, Oct. 26, at 8 o'clock. Admission charges will be ten and twenty-five cents.

Gopher-Husker pictures have been completed and the last minute touchdown sprint by Andy Uram can be seen as the highlight of the film. A new eight foot beaded screen has been purchased by the athletic department to make it easier to present pictures to a large audience.

Another feature of this program will be the showing of Coach Dana X. Bible's football film which was completed at the start of the present school year. Football fans will have a chance to brush up on the fundamentals while watching this sound-in-film in which Coach Bible points out many of the finer points of the game. It is a sound picture using Cornhuskers to demonstrate plays and formations.

**Bible Film Finished.**  
Coach Bible's new coaching film, "Football," is complete in four reels. Part one deals with the kicking game, illustrating the proper technique for holding and kicking the ball on kickoffs, punts, drop and placekicks. Shows team play and formations for going down under kicks, returning kicks, protecting the kicker, blocking kicks, catching and returning kicks.

Running phase is the second part. It illustrates the proper technique going into the line, inside and outside tackle, around end slants and sweeps, cutbacks, reverses and fake reverses. Technique of avoiding tacklers, demonstration of blocks and typical huddles and shifts are portrayed.

**Third Part on Defense.**  
The third part has to do with the defense against running attacks. Individual player's assignments are demonstrated and discussed with the best methods for getting across the line of scrimmage to make the tackle. Tackling methods are shown in full.

Passing completes the pictures. Demonstrations are given on how to pass effectively, protect the passer, get pass-receivers in the open, defend against passing offense with zone and man-to-man defense, and throw lateral and shovel passes.

Pictures of the Indian-Nebraska game will also be shown to those who desire to remain and see them.

**CHENOWETH WRITES  
NEW COMPOSITIONS**

**Instructor Performs on  
Radio City Review  
In New York.**

Wilbur Chenoweth, piano instructor at the school of music, has recently written two piano compositions, "The Arrow and the Song" and "Supplications." The first number was released by Whitmark and Company, New York publishers, the first of October. "Supplications," although still in manuscript form, will be introduced by Sidney Pebble Sunday morning when he sings it for the services in the First Plymouth Congregational church.

Before his return to Lincoln last week, Mr. Chenoweth was in New York City where on October 9th he performed on the Women's Radio Review at Radio City. Original compositions of Mr. Chenoweth's that were heard on the program were "Harvest Festival," which was played by the orchestra, and "Waltz Caprice" which Mr. Chenoweth himself played on the piano.
