ENGINEERS TO STUDY 3 CAMPUS BUILDINGS TO ASCERTAIN SAFETY

Library, U Hall, Nebraska Hall to Be Examined By Omaha Firm.

That the structural safety of three University buildings on the city campus will be studied by engineers was the decision by the regents of the school Saturday morning. They decided to employ the firm of Latenser & Sons of Omaha to make an examination and report on the structural safety of University Hall and Nebraska Hall for classroom purposes and of the library as to the load carried on its varied floors.

University Hall, the oldest building on the campus, was erected in 1869 as a four-story building with a tower that extended three additional stories. Due to grave structural weaknesses, all but the first floor was removed in 1925.

In 1925 the third floor of this building was removed in the interest of safety. The library building was erected in 1891. Hundreds of thousands of books are carried on its upper floors. None of the three buildings are fireproof.

RESERVES PROVE EFFECTIVE OVER LAGGING TIGERS

Cardwell Warms Bench as Team Mates Win Third Conference Tilt.

Nebraska drove another spike in the clinching of the Big Six title by overwhelming a hefty but slow Missouri outfit, 20 to 0, before a lively Homecoming Day throng approximated at 25,000 in Memorial stadium Saturday.

Everyone has agreed that the Tigers gave the Huskers a difficult afternoon, but it was evident that the game dragged along slowly at intervals when neither team seemed to show any desire to score. The Bengals had that "do or die" spirit in the opening quarter, but when they saw their well laid plays go for no gain, it took the punch out of them.

High spot of the game occurred in the third quarter, and the legality of the play will probably be disputed for some time. It happened this way: Jack Frye, playing the tailback position, tossed a shovel pass to another Tiger back. (Continued on Page 3.)

OUTDOOR THEATER PRESENTS VARIED SPECTACLE TO FANS

25,000 Grid Lovers Get More Than Money's Worth In Form of Added Attractions at Mizzou Nebraska Football Classic.

Vieing for the attention of some 25,000 football fans at Memorial Stadium yesterday afternoon was more than a one-sided battle between the conquering Cornhuskers and the battling Bengals.

Attractions, secondary to the gladiators in the great greenward arena, which contributed to one of America's picturesque Saturday spectacles, were: Fifteen red and white balloons ascending lazily to announce the first score; a famous movie star, Robert Taylor—blue-eyed, handsome, and needing a shave—on parade for the natives of his home state; a bunch of the boys gambling on the green in the annual freshmen sophomore tug-of-war. More tradition for loyal Cornhuskers—the day was homecoming—was the presentation of the Nebraska-Missouri victory bell; the multi-colored display of the card sections; the marching of regally bedecked bands. And to add to the variety of the panorama were those little incidents on every hand which go to make a football audience characteristic of what is yankee humor, yankee (Continued on Page 4.)
