

**ALL-STATE MUSIC CLASSES ATTENDED BY MORE THAN 100**

(Continued from Page 1).

tionally known for his work in choral conducting, returns to Lincoln for his fifth summer as director of choral work for the university's all state summer music camp. Another outstanding artist in the musical field, Mr. Buchtel, who has won considerable fame as an orchestra and band conductor, will have charge of the instrumental ensemble work during the summer. With the services of these two musicians

plus the assistance of the school of music's summer faculty, officials are looking forward to one of the most successful four weeks in the history of the institution. That Howerton is well known throughout the east is attested by the fact that his choral groups have appeared in concert in many of the large cities of the country. Buchtel, altho a newcomer to the music camp here, has already won the unanimous endorsement of the music school supervisors of the state.

**More Enthusiastic.**

High school students who will be here for the all state courses are more enthusiastic this year than ever and Mr. Howerton's choral groups, which have been increasing in popularity each summer, now boast the largest enrollment of the five years. Each day will be a busy one.

**Summer Session Lost And Found Service in Prof. Moritz' Office**

Students should bring all articles found on the campus to the office of Prof. R. D. Moritz, head of the summer session, according to a recent announcement. Inquiries as to lost articles may be made at his office.

From the first orchestra rehearsal beginning at 7:45 a. m. until the recreation period beginning at 4 p. m., every minute is fully occupied. As a climax to the four weeks course two evenings of concerts have been planned for Thursday and Friday, July 8 and 9, beginning at 8 p. m. The band will present its final public concert Thursday evening on the east stadium plaza, while the choral and orchestra programs are tentatively scheduled for Grant Memorial hall Friday. As an added attraction this year the summer faculty of the school of music and the students themselves will be heard in recital each Saturday morning.

In addition to group instruction in orchestra, band, and chorus by Mr. Buchtel and Mr. Howerton there will also be private lessons on all of the instruments and in singing under the personal supervision of the university faculty.

One reason why high school students from over Nebraska look forward to coming to Lincoln each summer for the four weeks' music course is the fun and entertainment which is made an essential part of the program. Instead of 20 days devoted solely to ceaseless practice periods and ensemble rehearsals of a monotonous sort summer camp officials have shown unusual interest in arranging for recreation periods which more than fulfill even the wildest expectations of the youngsters. Picnics, hikes, swimming, tennis, and even parties in some of the beautiful ballrooms of the dormitories on the university campus—all serve to make the course not only an enjoyable vacation period for both students and faculty, but also help to make it loom more popular and attractive each successive year.

Of the 102 students enrolled, 38 are boys and 64 are girls, and 26 come from Lincoln homes.

**Chance for Recreation.**

During their four weeks in Lincoln the girls will be housed in one of the sorority houses and the boys in a fraternity house. In all, the summer camp this year provides a real opportunity for musical education as well as an early summer vacation. The following towns are represented:

- |               |                   |
|---------------|-------------------|
| Nebraska City | Bayard            |
| Osceola       | McCook            |
| Page          | Marysville, Kas.  |
| Aurora        | Edgar             |
| Minden        | Woodbine, Ia.     |
| Sigis         | Arcadia           |
| Ord           | Mead              |
| Cambridge     | Wymore            |
| Clearwater    | Columbus          |
| Holdrege      | Humboldt          |
| Superior      | Falls City        |
