MINNESOTA HAS ELEVEN HORSE POWER TEAM THIS YEAR

Simultaneously as alone faced Sig Harris of Minnesota invoked the 1937 Nebraska Cornhuskers from the Husker press box, Coach W. H. Browne was in Minneapolis on a like mission. The tidings Brownie brought back were none too cheering, but very definite.

Says Browne of the Gophers, "Minnesota has a great team, speed, power, versatile attack and excellent passing." After seeing what the 55 Nordies did to the lamb North Dakota State and how they did it, Nebraska will fortify itself against the "power" element.

Ten touchdowns were scored by those five full teams and all except one were via the short line thrust route.

They Hit Pay Dirt.

The half score of tallies were as follows: No. 1, Ruhler on a 1 yard plunge; 2, Gmitro on a 12 yard gallop thru tackle; 3, Christiansen on a 3 yard plunge; 4, Harold VanEvery tore thru tackle; 5, Uram plunged thru tackle; 6, Matheny broke the monotony and scored around the end; 7, Christiansen on a 4 yard plunge; 8, VanEvery on tackle plunge of 47 yards; 9, Uram plunged thru guard for 70 yards; 10, Johnson plunged 2 yards.

In fact, there were so many plunges the Golden Avalanche looked like a tank team.

Major Jones Shuffles Squad to Find Aces

COACHES SEARCH FOR DEFENSIVES IN FORWARD WALL

Amen Goes Back to Flank; Anderson and Jim Mather Promoted Monday.

A shakeup in the varsity squad looked yesterday, two promotions and a shift of one player to his former position being meted out by Coach Biff Jones as the Cornhusker football team began intensive practice for its game with Minnesota Saturday at Memorial stadium.

Bill Anderson and Jim Mather, quarterback and halfback, respectively, on the third varsity string, were moved up to the second team. Paul Amen, an end who was being groomed for a halfback post, was advanced to a flank berth on the No. 1 varsity group.

The changes, Mentor Jones believes, were necessitated because of the showing these men made last Saturday in the freshman-varsity game. Searching for another end, Coach Biff Jones thought it best to return Paul Amen to his native haunts at the flank job.

Gopher Plays Analyzed. Scouting the Minnesota North Dakota State game at Minneapolis last weekend, Coach Harold Browne returned to the Scarlet and Cream campus with news that the Norsemen are everything the nation's newspapers have said they are. Mentor Browne brought back diagrams of Gopher formations and dished them out for use by Ed Weir's yearlings.

In a preview of Minnesota plays Monday, the varsity personnel exercised very little ado in solving the intricacies of Coach Browne's plays. Time and again, the Jonesmen sifted thru the "Gopher" defense for noticeable gains.

Since the frosh are still unfamiliar with the Gopher tactics, Major Jones was still a little skeptical regarding the Husker's chances of detouring Minnesota's running plays. However, by Thursday Nebraska's ability to cope with the Bierman system should be well established as the Weirmen ought to be well acquainted with the new plays.

Richardson Alternates. Listed on Squad No. 1 were Amen and Dohrmann, ends; Doyle and Shirey, tackles; Mehring and English, guards; Brock, center; Howell, quarterback; Dodd and Andrews, halfbacks, and McCliravay, fullback. Johnny Richardson alternated with Paul Amen at end.

Gus Peters, letterman at the guard job, returned to work yesterday after taking it easy for more than a week due to an ailing back.

On the No. 2 team were Kahler and Grimm, ends; Schwartzkopf and Mills, tackles; Peters and Pfeiff, guards; Ramey, center; Anderson, quarterback; Plock and Mather, halfbacks, and Callihan,

fullback. Dobson also saw service at guard on this aggregation.

On the third string Preceptor Jones had Ashburn and Kahler, ends; Neprud and Klum, tackles; Alfson and Franks, guards; Bur-russ, center; Phelps, quarterback; Ball and Hoffmann, halfbacks, and Petsch, fullback. George Porter, athlete from Denver, shared the duty of calling signals with Thurston Phelps.

Punters Drilled. Displeased with the performance of his kickers last Saturday, Coch Jones called for an exhibition of booting. As usual, Johnny Howell was the bright light and seems to have the task of kicking the Huskers out of trouble this season. Harris Andrews, pigskin carrier from Beatrice, sent many beautiful spirals down the rectangle.

Saturday's scrimmage revealed a dearth of extra point kickers, and the Biffer put Johnny Richardson thru a lesson of sending the sphere thru the uprights. The edifications took effect on the end as he booted plenty of points thru the bars.

36,000 Expected. Work of constructing bleachers for the Minnesota contest has already started at the south end of the playing field. A record opening day crowd of more than 36,000 football fans is anticipated to pass thru the turnstiles.

This battle will be broadcast by three chains. Reggie Martin of the KFAB staff, will be behind the mike for the Mutual Broadcasting company, while the National and Columbia Broadcasting companies will also send their ace sports announcers.

Captain for this game will not be known until Wednesday or Thursday, announced Coach Jones.

"What Man is Doing to Make Nebraska Beautiful" will be the topic when the "Native Sons and Daughters of Nebraska" convene Friday afternoon at the Cornhusker for a round table. An illustrated lecture will be presented by Dwight Kirsch, and annual writing contest awards will be announced.

The historical society will elect officers at 5 o'clock Friday while the Sons and Daughters will have a meeting of their executive board.

HUSKER OPPONENTS, IOWA U., OKLAHOMA, DROP OPENING TILTS

Minnesota, Pitt, Indiana, Mizzou, Jays, Ames Score Wins.

Dame fortune, guiding six of Nebraska's 1937 grid opponents thru victories in their opening games last Saturday afternoon, smiled graciously as King Football officially took his throne for another season.

Minnesota, Pittsburgh, Indiana, Missouri, Kansas and Iowa State, all on the Huskers' slate this year, left the battle grounds of their inaugural games Saturday with victories, Iowa and Oklahoma, who will match strides with the Jonesmen, dropped contests while Kansas State took a vacation.

From Minneapolis, wires carried stories that the behemoths of the University of Minnesota ran hogwild in crushing North Dakota State, 69-7. These same rampaging Gophers will be at Memorial stadium this coming Saturday to see how they can fare with the Cornhuskers.

Pitt Cops Wild Game. Coach Jock Sutherland's Pittsburgh aggregation, 1936 Rose Bowl winners, massacred the Ohio Wesleyan Bishops, 59-0. Sophomore Dick Cassino, a 165 pound back, scored four touchdowns for the Panthers.

Indiana, a Big Ten member, with Corby Davis, a 200 pound fullback at the helm, won its opening game by a 12-0 count from Centre College. The Hoosiers' mentor, Bo McMillin, is a graduate of Centre College, having received his degree this summer after taking courses by extension.

Iowa State, under its new leader, Coach Jim Yeager, eked out a 14-12 victory over the supposedly weak Iowa State Teachers. The Tutors gained 210 yards by rushing while the Amesmen obtained but 83 yards.

Mizzou, K. U. Win. Mentor Don Farout's Mizzou varsity earned the yearlings, 48-0, while Adrain Lindsey's Kansas U.'s first stringers subdued the freshmen by a 52-0 margin. Missouri and Kansas are reported to have stronger outfits than they did last year.

Backed by loyal student enthusiasm, the University of Iowa football team entrained from Iowa City to drop its opening game to Washington U. by a 14-0 reckoning. Coach Irl Tubbs, beginning his first year at the Hawkeye institution, put a team against the strong Huskies which drew plenty of praise from sports writers covering the battle.

Tulsa Smashes Oklahoma. Another new instructor, Tom Stidham, who succeeded Major Biff Jones at Oklahoma, also dropped his first attempt at victory as Tulsa lateralized its way to a 19-7 win. The Oklahomaans showed power in their forward wall as they held the Tulsa outfit to a scoreless tie in the first half.

Big Six clubs will have a busy weekend. Nebraska meets Minnesota, Missouri faces Colorado, Iowa State tangles with Rice and Kansas is booked for an engagement with Washburn College.

Engineering Head Will Go To Council Meeting In New York City.

Dean O. J. Ferguson of the college of engineering at the University was notified that delegates to the engineering council for professional development will meet in New York City Sept. 30 and Oct. 1 to discuss and pass upon the various reports of curriculum studies made at all leading universities and colleges throughout the country.
