PRIZED MINNESOTA RECORDS SHOW WOEFUL HUSKER TALE

Nebraska Scores Two Wins Two Ties on Nordics in 18 Games.

A glance thru the pages of Gopher-Husker grid annals reveals that Nebraska has won only two games in 18 starts from Minnesota.

The 1908 fracas ended in a 0 to 0 tie, and in 1919, at the University of Minnesota stadium, Shellenberg trotted 28 yards to give the N. U. squad a 6-6 tie.

With Line Coach Lyman at the helm, the forward wall was given instructions on how to break thru the Minnesota line.

In 1932, at Minneapolis, the Gophers pulled the game out of the proverbial fire to take a 7-6 count as a Husker secondary became mixed on a lateral pass ruling.

PHI KAPPA ALPHA, PHI GAMMA AND ALPHA TAU OMEGA WIN IN OPENERS.

The intramural sport program got under way Tuesday night with the three scheduled games being played in league one.

As the score indicates, the Phi Gams had things more their own way in defeating the Beta Sigs 13-0 than did any other victor.

The Phi Kappa Alpha team was forced to pull a game out of the fire in winning from the Chi Phi 12-7, in a game which saw the losers handicapped by the absence of three men.
