PITT POWER LICKS N. U. 13-7

Student Injured In Auto Accident Lies Near Death

Glenn Paulsen suffers
injuries of chest,
ruptured liver.

Glenn Paulsen, university freshman residing at 1419 Que st., who was struck down by a car driven by Ed Ryan, 821 So. 15th, at 8:30 Friday night was reported as very near death by his physician, Dr. B. A. Finkle, who has him under treatment at St. Elizabeth's hospital.

Further examination of chest injuries which Paulsen sustained in the accident at the intersection of 14th and R disclosed a ruptured liver and other internal injuries which necessitated an operation late Saturday afternoon.

The 19 year old student from Newman Grove was crossing west

MONETARY EXPERT TO DISCUSS MONEY SITUATION OF WORLD

Dr. Melchior Palyi of Chicago
University to Speak
Thursday.

Dr. Melchior Palyi of the University of Chicago will deliver a lecture on "The International Monetary Situation and Rearmament" at a meeting open to the public to be held under the sponsorship of the college of business administration Thursday, in social science auditorium at 11 o'clock.

Dr. Palyi has had a distinguished career in the field of international finance both as an educator and as an advisor upon central bank policies. He received his doctor's degree from the University of Munich, and during the war served in various branches of a major bank in Germany.

Subsequent to the World war he

NEBRASKAN TO RECORD SCHOONER SALES DRIVE

Business Staff Offers Block
Subscription Rates
To Greek Houses.

Lists of fraternities and sororities who make block subscriptions to the Prairie Schooner will be published daily in the Nebraskan until Friday, Nov. 19, when the subscription campaign closes. A new venture in subscription getting, the drive being handled by Marion McAlister, Sally Carter and Norman Bolker of the business staff of the Schooner, and offers blocks of 15, 10 and 5 copies of the publication at the special rate of \$13, \$9 and \$4.75 respectively.

Friends of the Nebraska literary magazine have been boosting Schooner stock in Omaha. Ruth Behrman, business manager of the "Gateway" at the University of Omaha is conducting a sales campaign for the Schooner on the Omaha campus, while Miss M. F. Meredith, instructor in English at Nebraska, made a plea for Schooner support at the convention of Theta Sigma Phi, woman's honorary journalistic organization which met in Omaha last week.

SYMPHONY BAND MAKES DEBUT AT CONCERT NOV. 21

Director Lentz Selects Works
Of Famous Composers
For Opening.

Doors will open on the University's concert season Sunday, Nov. 21, at 3 p. m. in the coliseum when the university symphony orchestra, under the direction of Don A. Lentz, presents its opening program featuring the works of five of the world's great composers.

This initial concert carries more than general interest primarily because it represents the first time that Mr. Lentz, the university's new director of instrumental music, will have appeared before a Lincoln audience in the role of conductor. This program is open to the public.

He is most enthusiastic with his student players this year. The orchestra numbers approximately 80 musicians, and boasts complete instrumentation and individual artistry that is bound to be reflected in the next Sunday performance.

Emanuel Wishnow, Soloist.

German Currency System Stymies Dr. Werkmeister

Professor of Philosophy
Forced to Leave Wife,
Family in Berlin.

When Dr. W. H. Werkmeister of the philosophy department of the university accepted an exchange professorship at the University of Berlin last year and took his family with him for a twelve month sojourn in Germany, he had no idea of running into his present difficulties.

When the Werkmeisters prepared to pack and leave for home in time for the opening of Dr. Werkmeister's classes here this fall, they found that much of the salary that he had earned as a professor at Berlin university had not been spent. This is when the trouble began.

Because Germany does not have the gold to cover their currency, the Nazi treasury has been forced to discontinue the practice of exchanging German currency for gold in the cases of foreign subjects who have been employed in that country.

This meant either that Dr. and

ALPHA PHI TAKES PANHELLENIC CUP FOR SCHOLARSHIP

Alpha Xi Delta Wins Second;
Tri Delt Receives Trophy
For Achievement.

The Panhellenic silver loving cup for first place in scholarship among the sororities of the university during the year 1936-37 was presented to Alpha Phi at the annual Panhellenic tea at the Cornhusker hotel Friday afternoon. Alpha Phi's winning scholastic average was 2.7327. As 500 coeds wearing Greek letter pins watched and applauded, cups were awarded to the seven highest ranking sororities and to the one which had made the most progress over the preceding year.

Capturing the second place trophy was Alpha Xi Delta with an average of 2.6927, while Delta Delta Delta received third place as well as the cup awarded for making the most progress. The Tri Delt average was 2.6741.

Amateur Hour Skit.

Other groups honored were Sigma Delta Tau, fourth place,

Take One Pill Three Times a Day for Bukey

Fifty students are helping Prof. F. S. Buckey determine the interic efficiency of pills which he has developed. Each student takes two pills, one coated with straight mastic, the other with a mastic combination. At one or three hour intervals Prof. Bukey takes X-ray pictures of the students to determine the progress that the pills are making.

Prof. Bukey is seeking to develop a pill coating with a high interic efficiency; that is, pills that will pass through the stomach and break up only when they have reached the intestinal tract. The mastic coated pill is given to form a comparison with the pill coated with the mastic combination. If the latter proves to have a high interic efficiency, it may be sold to a manufacturer.

High Efficiency Test.

Previously Prof. Bukey has done the physiological work on the

Students Honor Husker Gridmen Monday Morning

Classes Dismissed at 8:30
To Give Valiant Team
Sincere Welcome.

Last Quarter Panther Drives
Sink Scarlet's Hopes
For Victory.

BY JOE ZELLEY.

A fumble, late in the final quarter, blasted all hopes of Husker victory over the Pitt Panthers as 71,000 fans, the largest throng ever to watch a Scarlet and Cream grid team in action, saw Pittsburgh powerhouse its way to a 13-7 win over Nebraska Saturday at Pittsburgh to remain in the undefeated circle.

Midway in the third period it appeared as tho Nebraska was going to obtain its first win over Pittsburgh since 1921 as Jack Dodd, Husker back, took a lateral from Harris Andrews, who had downed Bill Stapulis' boot, on his 40 yard stripe and raced 60 yards for a touchdown. Lowell English converted the kick to make it 7-0 Nebraska.

JACK DODD
—From State Journal
1921 as Jack Dodd, Husker back, took a lateral from Harris Andrews, who had downed Bill Stapulis' boot, on his 40 yard stripe and raced 60 yards for a touchdown. Lowell English converted the kick to make it 7-0 Nebraska.

Pitt Starts Drive.

Getting the sphere on the Husker 20 yard line in the last three minutes of the third quarter, Pittsburgh launched an 80 yard drive for a touchdown. Patrick chalked up the first Pitt tally in the fourth period by slipping thru right guard for one yard. Frank Souchak, Pitt end, who made three placements against Notre Dame last week, failed to send the ball thru the uprights and Nebraska was still ahead, 7-6, with ten minutes of play remaining in the final period.

With the clock ticking away the precious minutes, Bill Andreson, Husker halfback, fumbled on his own 33 yard line and Stephen Petro recovered the ball for Pitt. Aided by Harold Stebbins' 20 yard jaunt, Pitt moved its way to the 1 yard line where burly Bill Stapulis, halfback, crashed thru

DR. M'INTYRE TO ADDRESS SIGMA XI MEETING NOV. 15

Scientific Honorary to Hear
Professional Discussion
Of Anaesthetics.

Dr. M. A. Basoco of the mathematics department, secretary of the Nebraska chapter of Sigma Xi, announced that a meeting of the organization will be held in Morrill hall auditorium Monday evening at 7:30 o'clock.

Dr. A. R. McIntyre, professor of physiology and pharmacology in the college of medicine, will address the chapter on "The Pharmacology of Local Anaesthetics." The speaker will present a review of the types of substances investigated as local anaesthetics and will correlate their chemistry and physiological actions. Experiments on the role of the liver in detoxication will also be described and the results outlined. The public is invited to attend this fall meeting.

French Student Speaks
At A.W.S. Wednesday
Simone Thierrg, Paris, France exchange student, will be speaker at freshman A. W. S. meeting Wednesday afternoon at 5 o'clock in Ellen Smith hall.

Miss Thierrg will speak informally on French life.

Ann Hustead is chairman for this week.

THE WEATHER.

The weather man says maybe old man Winter is peeking around the corner at us gay autumnites, for fair and colder was predicted for today. Snow fell in the Dakotas.
