Preppers Get A Bang Out of Meeting Huskers

BY MORRIS LIPP. Chambers of commerce usually come in for verbal spankings for Lack of Light Cuts Short terday that there ay be a couple some of their civic enterprises. But the recently concluded second annual all state football rally which brought 150 prep players and their coaches to Huskerdom for a day is nothing but praiseworthy.

Those kids really got a bang out tion for the coming game with of the affair. It was a real thrill South Dakota university by the for them to dine from the same break down of the university table linen as Biff Jones and his lighting system. brood of seniors, talk Cornhusker football with our history making every possible minute to whip the every possible minute to whip the Huskers and feel downright proud Huskers into game shape, Coach

Such seemingly insignificant in- sence of lights but was forced to Kovanda. stances put the university and its give up about an hour earlier than athletic department in good stead usual when it became too dark to with the prep lads, who eventually will be looking for a school of about 5 p. m. after an easy two "higher larnin". These get-to-hour workout. gethers could aptly end with the singing of something like "there is no place like Nebraska." Despite when they meet the quintet from schedule here on Friday, Dec. 17, when they meet the quintet from co-champions with Dr. Phog Algethers could aptly end with the preppers should be able to catch South Dakota university.

"PARTNERS IN CRIME

It seemed that words like "tizenkettotizenegykor" made the bu-reau wonder. But when they read further into the telegram and came across "Brown section," they sent an agent to call on the friend.

Was he, perhaps, in the secret employ of some foreign power? The friend protested his innocence and to prove it, translated the message.

The co-editor-in-chief explained that there wasn't time to fill the space with anything else before the paper went to press.

"Hundreds of thousands of hours in our educational institutions are wasted because the training oges almost to the point where the thing becomes permanent, but not President William Allan Neilson, of Smith college, advises women at the Packer Collegiate Institute that if they would raise the intellectual level of the United States, they must aim at definite mastery of whatever they are trying to do.

"The next hundred years will see the beginning of an American matriarchy-a nation of Amazons in the psychologisal rather than psysical sense." Dr. William Moulton Marston, psychologist, for-merly of Harvard, forecasts the doom of this "man's world."

"Forecasting that women will rule the world in 1,000 years is JOHNNY HOWELL like suddenly discovering that two and two make four." Dr. Steven-son Smith of the University of Washington chides Dr. Marston

Fred Shirey, Johnny Howell, Ted Doyle and Elmer Dohrmann, are included in the draft list of the professional grid teams, More than 113 gridmen have been ap-

proached by members of the pro-fessional football league. ELMER
