

Sigma Nu Nudges Into Volley Ball Lead in Group 5

Other Leaders Retain Top Positions in Greek Competition.

All intramural volleyball league leaders retained their leads except Kappa Sigma in League V. The Kappa Sig lost a tie for the top by dropping their Tuesday night tilt to the Sig Nus, who are now a game ahead of the Kappa Sig.

In league I, the Sig Nus downed Lambda Chi Alpha to increase their lead, the league leading Sig Alpha beat Alpha Sigma Phi in the second group. A. T. O. tramped on the Sammies to retain their lead in League III. Beta Sigma Psi and Phi Kappa Psi both remained tied for league IV leadership.

Other results of Tuesday night games are:

- Alpha Gamma Rho beat Pi Kappa Alpha (League I).
- Phi Delta Theta beat Theta Chi (League II).
- Phi Gamma Delta beat Theta Xi (League III).
- Phi Kappa Psi beat Xi Psi Phi (League IV).
- Beta Sigma Psi beat Sigma Chi (League V).
- Zeta Beta Tau beat Acacia (League V).
- Beta Theta Pi beat Phi Sigma Kappa (League V).

Games scheduled for tonight are:

- League I. Sigma Phi Epsilon vs. Chi Phi. Alpha Gamma Rho vs. Pi Kappa Alpha.
- League II. Delta Tau Delta vs. Theta Chi. Alpha Sigma Phi vs. Phi Delta Theta.
- League III. Delta Upsilon vs. Theta Xi. Alpha Tau Omega vs. Phi Gamma Delta.
- League IV. Xi Psi Phi vs. Farmhouse. Beta Sigma Psi vs. Phi Kappa Psi.
- League V. Zeta Beta Tau vs. Sigma Nu. Beta Theta Pi vs. Acacia.

The only team which has already clinched a league title is the Sig Alph squad in league II. All others can either lose leads or be shoved into ties by losing games tonight.

LEAGUE I.			
Team	W	L	pts.
Sigma Phi Epsilon	4	0	1000
Sigma Chi	1	3	667
Alpha Gamma Rho	2	1	667
Pi Kappa Alpha	1	3	250
Lambda Chi Alpha	0	5	0

Xi Psi Phi	2	1	667
Farmhouse	2	1	667
Sigma Chi	0	4	0
LEAGUE V.			
Sigma Nu	4	0	1000
Niagara Sigma	2	2	750
Phi Sigma Kappa	2	2	750
Beta Theta Pi	2	2	750
Zeta Beta Tau	1	3	333
Acacia	0	4	0

ATHLETIC FIELD TAKES SHAPE AS SLOW EXPANSION

Sport Attendance Profits Diverted to Program For Intramurals.

The interest of the students in the Student Union building has drawn their attention away from another building project of the university—the construction of a varsity baseball diamond and athletic fields for intramural sports north and west of the coliseum.

On this ten acre plot, 30 houses will have been wrecked at the completion of the project. Eight lots covering one-fifth of the total area were previously purchased over a 12 year period.

\$150,000 Expansion Program.

This expansion of the athletic department has been contemplated for many years but during the depression received little headway.

During the past two years the attendance at all athletic contests had so increased that the athletic department received enough funds to proceed with this much needed expansion. Complete cost of these athletic improvements will approximate \$150,000, not including the property previously purchased by the board of regents. None of this money was taken from the tax money received by the university for support and maintenance, but from the proceeds of the athletic encounters.

About 125 W. P. A. workers are employed on this project according to John K. Selleck, business manager of athletics. He also states that this land should be completely leveled off and ready for use by next fall.

Varsity Baseball Diamond.

When finished, a varsity baseball diamond will be constructed along with appropriate bleachers at the northwest corner of the area. Three full-sized football fields, designed for the use by freshmen and rubbins in order to give the varsity the entire closed hilltop practice field, will also be utilized by the intramural department for league games. Soft ball diamonds, horseshoe courts, and other locations will be laid out. The tennis courts located on the east side of the coliseum will be extended this winter and will be enlarged later according to available space.

The entire field will be slightly raised in the center to allow for drainage. Shrubbery and an ornamental fence will be installed. The grounds, upon completion of the purchasing, will be deeded to the university.

One Tract of Land.

The entire area will be on a level with the grade of the Avery avenue paving. University avenue, drive, Vine, 12th, and W streets will all be closed, to make the tract of land one solid space devoted to athletics.

As a result of this leveling off, the electric light cable was accidentally cut and the university was deprived of lights for about eight hours. As a preventive measure, the cable is now being moved to the east side of the coliseum. Running from the power house along the east side of the coliseum, it joins the old cable just west of Morrill hall.

This razing of houses and creating new athletic grounds is the third major development of the athletic department. Formerly, they had assisted in paying for the stadium, and have almost completed paying their debts on the coliseum.

BADMINTON TOURNAY NEAR SECOND ROUND

W. A. A. Intramural Sport Attracts 29 Teams For Rivalry.

Round one of the W. A. A. intramural badminton tourney is well on its way with over half the teams entered having played their first contests.

Before elimination 29 different teams were entered in the tourney. Delta Gamma, Sigma Kappa, Gamma Phi, Phi Mu, Kappa Kappa Gamma, Kappa Alpha Theta, Tri Delta and Kappa Delta were sororities entering two teams apiece, Pi Phi and Sigma Delta Tau were each represented by one team. Barb teams taking part in the tourney are Wilson Hall, Raymond Hall, Husky, Nubbins, Innominates, Howard Hall, and 1629 R street barbs.

Seven games only have been played to date. Defeated in their first games and thus eliminated from the tourney were teams from Wilson Hall, Raymond Hall, Kappa Alpha Theta, Kappa Delta, Tri-Delt, Delta Gamma and Gamma Phi Beta.

The entire field will be slightly raised in the center to allow for drainage. Shrubbery and an ornamental fence will be installed.

The grounds, upon completion of the purchasing, will be deeded to the university.

One Tract of Land.

The entire area will be on a level with the grade of the Avery avenue paving. University avenue, drive, Vine, 12th, and W streets will all be closed, to make the tract of land one solid space devoted to athletics.

As a result of this leveling off, the electric light cable was accidentally cut and the university was deprived of lights for about eight hours. As a preventive measure, the cable is now being moved to the east side of the coliseum. Running from the power house along the east side of the coliseum, it joins the old cable just west of Morrill hall.

This razing of houses and creating new athletic grounds is the third major development of the athletic department. Formerly, they had assisted in paying for the stadium, and have almost completed paying their debts on the coliseum.

Thomas Takes Kovanda's Spot On First String

Kearney Sophomore Forward Advanced to Varsity Quint by Browne.

Grant Thomas, sophomore forward from Kearney, worked out with the first five in varsity basketball practice yesterday replacing Bill Kovanda who has been

Grant Thomas.

with smaller groups of players this week trying to polish off the rough spots and develop a clicking combination.

The Cornhuskers find themselves in last place in non-conference contests as the Big Six conference opens this week with Oklahoma at Kansas and Kansas University at Iowa State. The Scarlet will not open their conference schedule until Jan. 14 when they will tangle with Missouri in Lincoln.

Records of the Big Six teams in non-conference games follow:
