

Sooners Down Huskers 50-48

Rally in Final Canto to Come Up With Honors

NORMAN, Okl.—A desperate left handed heave by Forward Paul Amen struck under the ring as the final gun sounded, and the Oklahoma Sooners, slated to take a decisive win, defeated the Cornhusker quintet here last night, 50-48.

Over 4,700 fans, forming the largest throng over to witness a cage contest on the Norman floor in the past ten years, turned out for the thrilling, heart throbbing exhibition.

This was the second conference setback this week for the Brownmen as they fell victim to the Jayhawkers at Lawrence Wednesday by a 48-33 count. Missouri, Kansas and Oklahoma each hold a share of the Cornhuskers' scalp.

N. U. Leads at Half.
Nebraska held a 28 to 25 margin at the intermission, but in the

second half the McDermottmen applied the pressure and rolled in 25 counters to their opponents' 20.

Forward Paul Amen, with seven field goals, and Guard Bob Parsons, who collected six two-point counters and two charity tosses, led the Nebraska scorers. High point honors for the evening went to Mesch, Oklahoma guard, who garnered 22 points by virtue of ten field goals and two free throws.

Sophomore McNatt, high scoring Oklahoma forward, was held at bay but managed to register in the scoring column with 11 points. Both teams had many of their free tosses go for nil, Oklahoma missing nine and Nebraska eight.

Tilt on Wednesday.
Basketball addicts will have a chance to see the Sooners in action here this Wednesday on the coliseum maples. Last year the southerners downed N. U. at Lincoln and then reciprocated by los-

ing to the Huskers at Norman. Husker followers are hoping that a similar agreement may be carried out this season.

Singing, shouting college students in Denver hired their driver to stay sober for them. When a police officer questioned him he said, "They hired me to drive as long as the party lasted, I'm working my way thru college for fellow students who like to drink."

Syracuse university school of journalism students passed a petition among fellow students in a "gullibility test." They found 115 seniors would sign a paper that at the start read like a proposal to eliminate final exams for seniors but ended up with a promise to serve five years in a chain gang. Said the journalism students: "They'll sign anything."

Minnesota Wins Over Nebraska Matmen by 30-0

Gophers Make Clean Sweep To Defeat Huskers For Sixth Year.

Minnesota won all eight matches in defeating the Husker wrestling team at the coliseum last Friday night, and made it six years in a row that Nebraska has lost to the Gopher matmen. The last Husker victory came in 1932. Minnesota, coached by Dave Bartelma, amassed a total of 30 points while holding Nebraska scoreless.

Minnesota won the 118 pound match by default. Fred Webster, Nebraska entrant, was unable to wrestle because of chest injuries, and forfeited his match to Dale Hanson. Webster expects to be in shape for the next dual meet that is to be held at Manhattan with Kansas State Tuesday night.

The biggest upset of the night came in the 135 pound class, when John Matlon received the judge's decision over Jim Knight, Nebraska captain. Matlon, who ranked third in the Big Ten last year, gave Knight his second defeat ever suffered in dual competition. Knight's last loss was four years ago, when he was in high school. Matlon, a fiery redhead, had a point total of 10 against Knight's seven. Knight was plainly out of condition, and tired quickly.

One of the best matches of the card came in the 165 pound class, in which Paul Fidler lost to Harold Trohms by a decision. After spending the first minute showing each other how limber their wrists were, Fidler and Trohms mixed up in a fast, hard fought match.

Minnesota scored two falls, one in the 155 and one in the heavy-weight class. Ray Tomes, who substituted for Julius Wittmann in the 155 pound class, was thrown by Lloyd Schumacher in 6:04. Schumacher scored two near falls before finally pinning Tomes with a reverse body scissors and an arm lock. In the heavyweight division, Delos Johnson was thrown by Cliff Gustafson, Big Ten champ and third ranking in last year's national meet, in 3:14. Gustafson, Minnesota captain, employed a half nelson and a body scissors in pinning Johnson.

In a slow, listless bout, Earl Steidler, 126, defeated Lee Clark. Another good match was put on by Jerry Adams, 175, and Bob Bergan. Adams lost this match by a decision, with one near fall scored against him. His big trouble was in holding an advantage once he gained it. Bill Luke, 145, lost to Bill Quibertson in another fast, close bout.

The Nebraska team was seriously handicapped by inexperience, this being the first match for several of the men. Minnesota also had a weight advantage, all the Gophers being heavier than their Nebraska opponents.

The Huskers' next meet will be held Tuesday night at Manhattan with Kansas State. The squad is expected to be in better shape for this meet than it was for Minnesota.

NEBRASKA MEETS K. U. IN OPENER ON HUSKER TRACK

Schultemen Defend Both Conference Titles This Season.

The first varsity track meet of the year is scheduled for next Saturday afternoon with Kansas U here. Nebraska, Big Six indoor and outdoor title holders, has been coming into condition slowly, but some good performances have been turned in already.

Bob Mills, who has been ill the last few days, is consistently heaving the 16 pound weight for 45 feet and more. With a few more weeks in which to perfect his form and get back into shape, Mills should get 50 feet or better.

In timed trials held Saturday, Bob Simmons turned in a time of 6.6 for the 60 yard dash. Mary Plock came in one-tenth of a second behind Simmons. Simmons also won the 440, running that distance in 52.4. Ten yards behind Simmons was Krefjel, a freshman, who was clocked at 54.1.

Al Cooper, veteran distance man, turned in the time of 4:37.7 for the mile, winning over John Brownlee, also a veteran, by about one yard.

NEBRASKA OPENS SPLASH SCHEDULE AGAINST GOPHERS

Hagelin Views Prospects With Gloom as Sophs Dominate Lineup.

The first splash event of the season will be a dual meet between Nebraska and Minnesota in the coliseum pool on Monday afternoon at 2:30. Students can get in on their activity tickets.

With all sophomores in the lineup with the exception of Dick Leask, senior letterman, "prospects are very gloomy" according to Pete Hagelin, coach and captain of the team. Minnesota has a strong team and last year took second in the Big Ten. Leonard Klun and Lyman Brandt, both on the Minnesota team again this year, each took sixth in the National Intercollegiate Swimming meet last year in diving and back stroke events, respectively.

Although Nebraska won the Big Six championship last year, five veterans are permanently lost to the team due to unfortunate circumstances, while Redick, the sixth, is ineligible for this meet. The greatest loss is that of Hagelin, coach and captain, who is still 20 pounds under weight as the result of an operation. Because of a sinus infection, Bob Barry, two year letterman and conference champion in the 200 yard breast stroke and entrant in the free style events is out of competition. Jack Barry, also a two year letterman, is ineligible for competition this year as a result of six hours of conditions in law school last semester. Ralph Ludwick, a major letterman, quit school at the end of the first semester.

Evelev Younger, diver, and Fletcher Spicer, dash man, are two of the most promising men on the team. Other outstanding sophomores are Houghton Furr and Bob Smith, while Max Lake and Jim David are very good.

The probable entrants in the various splash events are: 100 yd. medley: Davidson, backstroke; Smith, breast stroke; Leask, free style, all of Nebraska, and Brandt, backstroke; Hallman, breast stroke, and Johnson, free style, of Minnesota.

200 yard free style: Niles and Furr of Nebraska; Eling and Philip of Minnesota.

400 yard free style: Younger of Nebraska and Frieck of Minnesota.

Diving: Leask and Younger of Nebraska; Klun and Perry of Minnesota.

100 yard free style: Spicer of Nebraska; Levander of Minnesota.

150 yard back stroke: Lake and Davidson of Nebraska; Brandt and Green of Minnesota.

200 yard breast stroke: Smith, Nebraska; Hallman and Jerome, Minnesota.

100 yard free style: Furr, Nebraska; Eling, Minnesota.

400 yard relay: Leask, Younger, Spicer and Lake of Nebraska.

At an annual veterinarians conference at Cornell university listeners heard that science is seeking to aid dogs suffering from a malady that hits their backs in the hardest place to scratch. The ailment, called "contact allergy" makes dogs sensitive to something they touch. And city pups as well as country dogs are affected.

Pretty cold outside but our beautiful dining room is warm and cozy. No feeling. Come on out. The White House.
