Wandered past the Phi Delt house yesterday, and who should be sitting on the curb chatting sway and oblivious to passersby but Bob Reddish and Millie Wekes ser who beat a path between the Theta and A. T. O. house that is being taken up by others in those houses. In fact, Jigger Glass is almost to the point of admitting that Frannie Goodwin is his true love instead of his boats.

Just one more good bet at the Theta house out of circulation after Monday night's sweets and stogies treat, and just a few abort months ago a diamond on the hand of pledge, Virginia Smith, and this from a man at home. Now she's rooting for Sigma Nu in no uncertain terms.

Hadn't necessarly made up my mind to write about Theta's today but couldn't pass up the chance to remark about pledge, Marie Anderson's recent conquest at the Beta house. Lob Pillsbury is the stricken young man, so don't ex-pect to see those two free lancing or some time now. All of which just goes to lessen the once lengthy list of the foot loose around and about this here place. Looks like the ground hog really proved his salt, cause the spring time is the time for—well, almost

Heard on rather doubtful authority that Delt Dow Wilson and Lucile Anderson might go the way of all Theta pledges, and single time it for a while. It's a shame to waste such wonderful dencine on waste such wonderful dancing on one person, tho. So why don't some of the rest of you try to bat in that league? (Two bits Oolle won't speak to me today.)

As one of the gals who knew him in high school remarked, Bob Martin is certainly looking a little moth-caten these days. When she last knew him he was quite the mun. Could collitch life be doing this to him? or maybe it's Sig -violets you know.

And speaking of violets reminds me that one night last weekend we stopped to talk to Janet Lau, and someone asked her whom she was waiting for, "Oh, the spook," was her reply, and just then up walked Web Mills.

Wagers are running high about who the next prom girl will be. So now's the chance to put in your bid for a few good odds. I've heard that quite a number of juniors are filing this year, which is contrary to all custom, but possibly a good
