Loyal Nebraskans all remember the fine football team that represented Nebraska last fall. Likewise, the basketball team and the various teams. But how many of these same sport addicts have ever heard of the intramurals? This is apparently the forgotten sport of the campus.

This sport has more participants than any other in the entire university. At present basketball is in the limelight and approximately 40 teams are represented by the Frats alone. This division of the athletic curriculum is frowned upon by many on the basis that it keeps the student from his studies. However the powers that be evidently look at it from a different angle, for annually they invest more than \$1,000 for its continuation, as it gives every student a chance to compete in the sport that he prefers. Only a gifted few are able to make the grade on a varsity team, and the remainder would have but little chance for organized competition if it were not for this lower scale of sport.

The R. O. T. C. branch of the intramurals also offers the non-affiliated men an excellent chance to compete. These teams are divided by their respective companies, and last fall hundreds of men turned out for touch football. Further interest was added by awarding gold medals to the players in the winning company. This department also offers to the men volleyball, tennis, water polo, kitten ball in the spring, and numerous other sports.

There are also various athletic divisions for the fairer sex. The swimming pool is open to all students who were able to pass the medical examination. The university is assessed around \$400 each year, and the students were required to pay a fee toward the construction of the pool, and so they should feel free to take advantage of it.

Nebraska has one of the best intramural departments in the country and it should receive the whole-hearted support of the students, faculty and all of the other departments to keep it thus.

**Frosh Hold Dual Telegraphic Meet Thursday With Gopher Yearlings.**

Two meets have been scheduled for the Nebraska trackmen this week, one for the varsity and one for the frosh. The varsity goes to Minnesota Saturday for a dual meet with the Gophers. On Thursday, the freshmen will hold a dual telegraphic meet with the Minnesota yearlings.

The varsity exceeded pre-season expectations last Saturday. The only indication of Minnesota's strength comes from loss to the Iowa State cindermen last week. Iowa State lost its only Big Six meet to Missouri.

Held in connection with the Minnesota telegraphic will be a frosh tri-color meet, the third of the year. The three best performers in each event will be relayed to Minnesota to be entered in the telegraphic meet.

**Brownemen Hit Victory Stride Against Iowa State As Parsons Tallies 17 Points to Annex Individual Scoring Honors.**

Nebraska's Cornhusker basketball team blasted their way back into the first division of the Big Six conference last night when they soundly trounced the Iowa State Cyclones 50 to 23. About 5,500 fans attended.

The game was too one-sided to be a fan thriller and was slowed down by the calling of frequent fouls on both teams. Thirty-one fouls were called during the game, 17 on Nebraska and 14 on Iowa State.

As the game opened Nebraska shot into the lead when Bob Parsons, guard, turned on the steam to cage three field goals in less than five minutes while the Cyclones made 1 point on a free throw. Then Werner and Kovanda dunked a couple from around the foul circle to raise the Scarlet lead to 9 points. The game was just ten minutes old when Menze of Iowa State made the Cyclones' first field goal. Free tosses by Blahnik and Bliss shortly before gave the Cyclones 5 points to the Husker's 12.

The half ended with Nebraska well out in the lead by a 20 to 11 count.

Iowa State drew up to within 6 points of the Huskers shortly after the second half opened. It was as close as she got. With Parsons, Werner and Kovanda swishing the net from anywhere the Scarlet drew quickly away and ran their score up twenty-five points to reach the fifty mark while their opponents took advantage of a couple of gift throws to raise their total to 21.

The game ended with the Cyclones popping at the hoop from far out-court without any success. Blahnik and Ryan sank two free throws for the visitors taking it 50-23.

Bob Parsons, veteran guard, again led the scoring for the evening with a total of 17 points to his credit. Bill Kovanda, ball ruzzling Husker forward, came next with 12 points. Iowa State's high scoring guard, Bob Blahnik, was sewed up all night from the field managing to get two shots through the hoop. He took advantage of his four shots and boosted his total to ten to lead the Iowa State scoring.

**Adams Blames Inexperience, Radical Climate Change For Ill-Luck.**

The Husker matmen returned to Lincoln Saturday after a road trip in which they entered four dual meets in four days. The Nebraska men won from Denver U and lost to Kansas State, Colorado U and Colorado State.

The first meet was held last Tuesday at Kansas State, in which a 21½ to 4½ defeat was hung on the Huskers. Wednesday the Huskers dropped a 24 to 6 decision to Colorado U, and on Thursday night lost to Colorado State, defending Rocky Mountain conference champ, by a close 15½ to 14½ margin. Nebraska almost won this meet. Heavyweight Johnson having his man in a pinning position when the final gong sounded. A fall would have given the meet to Nebraska.
