The Reason Why. .

Quite a few people know why It is called St. Patrick's day and at the same time quite a few don't. So we shall cross up the daisies, and tell. St. Patrick was a legendary figure who was raised to sainthood for chasing all the snakes out of Ireland. Dr. Pool of the botany department would probably point out that in chasing the snakes out of Ireland St. Patrick should have been prosecuted for upsetting the balance of nature. However, the belief that snake chasing was a beneficial act lasted long enough to attract the attention of greeting card manufacturers. This assured the longevity of the holiday, because once a greeting card manufacturer sinks his books into a holiday or tradition, that holiday or tradition is there to stay.

St. Patrick was a fellow with extraordinary powers of foresight, we are sure of that. He chased the snakes out of Ireland on the 17th day of March, right smack on St. Patrick's day, when he could have chosen 364 others. That took fore-
