

IT CAN BE DONE

Early this week the baseball team showed us that it could win a ball game. Not only did it win one game but it won two in a row Jayhawks, who didn't score until scainst the team that was plan- the ninth. Harris Andrews, first against the team that was planing spark for their own victory series. In the first game, Nebraska took the lead in the first inning and reached first as Catcher took the lead in the first inning and never relinquished it althouthed to the control of the control and never relinquished it altho the Jays attempted a ninth inning field, but Eddie George belted one

man gave not a single hit to the Kansans while the Huskers drove home another run in the visitors' half of the ninth, It was Borman who saved the day Monday when the Huskers won 6-3. Nebraska had gone on a batting spree in the sixth frame and before Kloppenberg, a relief hurler, could retire the Huskers six runs had crossed the plate. In the Jays' half of the ninth they attempted a rally when Wiley clouted a homer with two men on. Schmadeke had pitched a fine game but was tired and could not stem the tide, but Borman went in to retire the side and save

Since the first few games of the season, Coach Wilbur Knight has been using Borman only as a hurier. In the first home game of the season, Ivan made his bow as a pitcher and the next day he was behind the bat where he was hanand by using an entirely different peg. Since that time, however, he has been performing solely on the drunkard, a victim of chairties. dicapped by not being able to see mound with the corresponding improvement of his pitching.

Nebraska will meet lowa State at the last meeting of Le Cercle in a four game series. Two of the Francais for the year. The group games will be played here in Linwill convene in room 319 of Morwill convene in room 319 of Morcoln Friday and Saturday and the remaining two games will be played at Ames the following

SMART

The New Palm Beach Suits

Men are talking about "soft tailoring" ...but Palm Beach deserves credit for inventing comfortable, unlined, unpadded clothes. The new lounge models are masterpieces of the British Drape school...with broader shoulders, slimmer waists, a trimmer look, a smarter air than ever before. You can choose from plain or sport back models...in whites, Airtones or deep shades of blue, gray and brown. All easily cleaned or washed, wrinkle-resisting-and the answer to "what'll I wear"-now, and all next summer. See them today at your favorite clothier.

\$17.75

And be sure to look over the new Palm Beach slacks at \$5.50
