Eldon Frank Puts Hope in Huskers, Amasses 14 Points

The man who kept Nebraska's hopes high until the finish of the Big Six track meet held yesterday was Eldon Frank of St. Paul. Frank amassed a total of 14 points to be the high scorer of the meet by scoring firsts in the high and low hurdles and second in the javelin.

Early in the afternoon Frank won the high hurdles in a close finish by a final sprint after stepping over the last hurdle. Next came the javelin in which he placed second, and then into the dressing room to have his bad leg fixed. Late in the afternoon he again appeared on the track to run the low hurdles. This event he won by a very close finish as his bad leg gave away going over the last hurdle and he almost walked to the finish. Nebraska will miss Eldon Frank next year as he expects to graduate this spring.

Sophomores Dominate.

This year's meet was all but dominated by sophomores as Munski of Missouri, the miler that is expected to take Glenn Cunningham's place in the Big Six, won the mile as expected and placed

second in the half mile in a hair-line finish.

Hackney of Kansas State also lived up to expectations as he broke the old shot put record set by Sam Francis last year. Another record breaker was Waldram of Missouri, broke the javelin record with a heave of over 209 feet. The last of this list of headaches to the Cornhuskers is Shirk of Oklahoma who won the discus with a throw of 145 feet 1 inch. It certainly looks like a dreary coming year for the boys competing in these events.
