

**Teachers File Names**

Any teacher now attending the summer school session whose name does not appear on the Active Duty file of the State department of public instruction is urged to secure the blank forms at the office of the summer school director, Professor R. D. Moritz, according to announcement received yesterday.

Report from Charles W. Taylor, state superintendent, states that these files now contain names of 12,400 active teachers. However, the department believes that there are a few teachers who have not filled out questionnaires calling for the desired information to complete the files.

**NEW YORK UNIVERSITY OFFERS FELLOWSHIPS**

**Research Scholarships Given as One Part of National Safety Project.**

Attention of teachers interested in the teaching of safety is directed to the statement by Chancellor Harry W. Chase of New York university that 18 research fellowships in safety education will be offered to graduate students in the university's school of education during the academic year 1938-39. The stipends range from \$400 to \$1,200 each.

The fellowships are a part of a project which is establishing at New York university the first national center for safety instruction. Applications for fellowships can be secured from the Fellowship Committee on Safety Education, Division of General Education, New York University, New York, N. Y. They must be filed with the committee by July 25, 1938. Further information may be secured at the office of Dr. D. A. Worcester.

**CHANCELLOR RESIGNS**

(Continued from Page 1.)

rector of the experiment station. In the reorganization of colleges in 1909 he became the first dean of the college of agriculture, a position he held until 1928. In 1927 following Dr. Samuel Avery's retirement from the chancellorship he was made acting chancellor of the University of Nebraska, a position he held until March 3, 1928, when he was made chancellor.

During his decade of administration the university took over the school of music and developed it into one of the academic schools of the university. To meet present conditions the graduate school of social work was inaugurated in 1937. A number of major buildings were erected during the 11 year period. The University of Nebraska Foundation, to secure and administer gifts to the university, was the result of one of the chancellor's dreams.

Dr. L. W. Lancaster is conducting courses in local government and continental Europe at Syracuse university during the summer session.

**TWO OPTIONS OFFERED FOR MASTER'S DEGREE**

**Plans Differ According to Students' Purpose and Future Plans.**

Attention of candidates for Master of Arts and Master of Science degrees has been called to the two options under which these degrees may be obtained. The option chosen depends upon the type of training in which the student is interested and upon his future plans, and must have the approval of his adviser, according to information released by the office of the registrar, and also contained in the summer bulletin for the graduate college. Special provisions are made in the Graduate School of Social Work.

**Thirty Hours Plus Thesis.**

Option I for Master of Arts or Master of Science degree requires a minimum of thirty semester hours of resident graduate work, including a thesis. For those who plan to continue in graduate work for the degree of Doctor of Philosophy this option is recommended. Those intending to enter college or university teaching or who are preparing for a career in research and scholarly work are advised to follow this plan.

Option II requires a minimum of 36 semester hours in courses of graduate grade distributed according to the interests of the student. A thesis is not required. For students preparing to teach in the secondary schools or in junior colleges this option is intended, as well as for those entering business, civil service and the like.

**For Altered Plans.**

Students who have taken the master's degree under Option II and later elect to continue in graduate work for the Doctor's degree must give evidence of ability to do independent research, the report states. The time required for the obtaining of a Doctor's degree may in this instance be increased.

The Master of Science in Social Work is offered in the Graduate School of Social Work and has special requirements. Details for the obtaining of this degree may be obtained in the special bulletin of the graduate school. Details of the two options for the Master of Arts and Master of Science degrees may be obtained in the summer bulletin.

**MAJOR SPEER TRANSFERS**

Official orders were received at the military office of the university announcing the transfer of Major Charles Edward Speer from his position on the university's military faculty to Waterbury, Conn., where he will become instructor of the 102 infantry of the Connecticut national guard. Major Paul R. Hudson, instructor at the Virginia National Guard, Richmond, has been ordered to report for duty here September 1.

**RUMANIAN PROFESSOR VISITS AT AG COLLEGE**

**Educator Holds Numerous Prominent Positions In Native Land.**

Prof. Agrippa Popescu of Bucharest, Rumania, was a recent visitor at the college of agriculture. On the faculty of the agricultural university of Cluj, director of a tobacco factory, and general director of state monopolies of that city, Prof. Popescu was returning home from a Rotary international convention at San Francisco.

Prof. H. P. Davis, chairman of the dairy department, met him at the train and explained experimental work at the college. In addition to his other duties, the Rumanian visitor is responsible for the administration of seven tracts of farm and forest lands totaling around 24,000 acres. He explained how in summer he goes from one farm to another by airplane. He voiced particular interest in rural construction and experimental work with tractors.

**TEACHERS GET POSITIONS**

**Department Reveals 29 Recent Replacements.**

The following teaching placements were reported to the department of educational service of the university:

- Louise Thygeson, Beatrice.
- Janet Olson, Valley.
- Edward Vacek, Hamburg, Ia.
- Elsie Sutterfield, Independence, Mo.
- Mildred Prochaska, Tobias.
- Edna Stone, Beatrice.
- Heleen Luhrs, Humboldt.

**PUBLICATIONS OFFICES MOVE TO STUDENT U**

Prof. Gayle C. Walker, director of the school of journalism, will take part of the summer to install the various student publications in their new quarters in the Union building. The revised business and editorial procedure which he has in mind was suggested by a tour that he made a year ago to more than a dozen universities in the middle-west, where he studied the manner of student publication supervision.

**Worcester to Assist at Hazen Conference**

Following the summer school here, Dr. D. A. Worcester of Teachers college will have charge of the morning session each day at the Hazen conference at Estes park.
