Kosmet Klub Shifts Fall Revue Date

Selects Thanksgiving Day for Show; Oct. 18 New Skit Deadline

Kosmet Klub will hold its annual fall revue on Thanksgiving morning, Thursday, Nov. 24, according to the new date submitted by the Klub and approved by the faculty committee on student affairs yesterday afternoon.

"Inasmuch as there is no school on the 24th, and the Kansas State-Nebraska football game is scheduled for that afternoon, we feel that this new date will prove more desirable than the one originally announced," stated Don Moss, the Klub president. Earlier Nov. 10 had been selected for this year's show. For years, the revue came traditionally on Thanksgiving morning, and it has been only in the last few years that other dates have been selected.

Extend Skit Deadline. In view of the later time of the 1938 show, the deadline for filing skits has been extended up to 5 o'clock of next Tuesday afternoon, Oct. 18. Any organized group is eligible to compete for a place on the program. The filing should include an idea of the theme of the skit, the appropriate number and names of persons participating, and the name and telephone number of the skitmaster.

A number of filings have already been made by various groups, and the Klub expects several additional entries before the deadline. Groups may submit either a full stage act or a curtain act, the latter necessarily to be shorter in duration. Filings may be made at the Kosmet Klub office in the Student Union.

Y. W. Drive Extended

Group Hopes to Reach \$1,000 Goal by Oct. 17

Still leading in the Y. W. finance drive is the sorority division headed by Mary Arblman. High individually in yesterday's total receipts were Marian Stone and Irene Hollenbeck. Josephine Rubnitz, director of the entire campaign, announced that the drive would be extended to Monday, Oct. 17, so that the goal of \$1,000 may be reached.

Seeking the year's funds from two sources including a two dollar membership fee which entitles participation in the organization for four years and contributions from members or other interested persons, the 100 workers in this week's drive are contacting all women students on the campus.

To facilitate canvassing, the work has been divided into four major divisions. Mary Arblman and Helen Kovanda are co-executives of the sorority division. Pat Sternberg and Jeanette Swenson supervise the dormitory and co-operative houses group. In charge of reaching all Lincoln girls who are unaffiliated is Maxine Lake while Doris De Long heads the Ag campus drive.

Priscilla Wicks and Selma Hill are general assistants for the campaign. Margaret Galbraith, Elizabeth Hanson, and Gertrude Michaels will assist in the dormitory division.

University Players Iron Out Rough Spots in 'Judgment Day' Performance

Dick Rider, Ray Brown Grace Hill Standouts

BY ROWENA BEADLE.

With an appreciative audience applauding their third performance, the University Players gave a stirring portrayal of "Judgment Day" last night. The play has improved a great deal since the opening Tuesday night; it moved faster, was much more vivid, and several actors showed marked improvement.

Dick Rider took over the stage the moment he appeared, and as the Minister of Culture and Public Enlightenment, he gave an excellent performance. Raymond Brown also was noticeably good in the role of the chief judge, Dr. Michael Viora, for he did a piece of really good acting. Although

Corn Cobs To Form 'N'

Rally Includes Torchlight Formation

Feature activities of Corn Cobs, men's pep club, for this week-end will include their torchlight "N" formation in the rally tonight and their sale of pennants, field glasses, and other novelties before and after the game tomorrow.

Workers selected to participate in the "N" formation have been practicing since Wednesday evening, and will practice again tonight at 5 o'clock to assure a successful operation of the stunt. Workers are also requested to be present this afternoon at 2 o'clock at the west stadium to prepare the fireworks display for this evening's rally. Others will accompany Tassels in a canvassing of fraternity and sorority houses at dinner time tonight, urging students to turn out for the rally.

All workers and actives have been invited to attend the rally program being held at the Stuart theater tonight at 11 o'clock. They will be admitted upon wearing of the official red sweaters and presentation of identification cards.

Sweaters for workers, delayed in shipment from the east on account of truck strike complications, have arrived and are available at Magee's now. All workers must have the official garb for the rally tonight.

Workers intending to sell novelties for tomorrow's game will meet at 9:30 tomorrow morning (Continued on Page 2.)

Cigarette Stub Fires Union Sofa

Fire started by a carelessly discarded cigarette burned a sofa in the main lounge of the Student Union following the matinee dance Wednesday afternoon.

The covering of the piece was so badly scorched that it will be necessary to replace it, according to Kenneth Van Sant, union director. He estimated the loss at about \$150.

"In view of the numerous ash trays scattered thruout the building, such damage is needless," stated Mr. Van Sant. He urged all students to exercise great care to avoid any recurrence of the incident.

Baritone Thomas Studies Boat Races, Fishes—Sings

Personality to Appear With Symphony Tonite

Accomplishments and fame never halt or hinder education. That is the opinion of John Charles Thomas, noted throat America for his splendid concert baritone voice, but who still studies—medicine.

Arriving in Lincoln Thursday morning for an appearance with the Lincoln Symphony orchestra Friday night, Thomas went immediately to his hotel room where he intended to rest all day.

One glance at John Charles Thomas and one would know that he was a baritone. His robust figure, deep voice, and double jaw eminate the art for which he is famous. His young face, modern ideas are in contrast to his thinning hair. His handclasp proves that all his time has not been taken by a conservatory.

An Outdoor Man. Thomas is very much an outdoor man. He fishes in the deep sea, would rather race a speed boat than dress or eat, and when

the wind breezes thru the rigging of his yacht, the baritone gives up everything but singing.

The life of John Charles Thomas, as the personality himself points out, was one of question—music or medicine? He enrolled in

Men's Point Board Meets

Eligibility System Enforcement Begins

Extra curricular minded men will no longer be permitted to have their fingers in one of every two activities on the campus, it was announced Thursday afternoon after a meeting of the men's student activities board.

The first meeting of the board was designed to define its purpose and lay plans for immediate enforcement of the new men's activity point system. As provided by the board's constitution, the president of Innocents society is to serve as chairman. Stanley Brewster is heading the board, with Morris Lipp, editor of the Daily Nebraskan, as vice chairman.

George Rosen was elected secretary-treasurer, and Don Moss will serve as file chairman. The men's student activities board was created in conjunction with the men's activity point system by the Student Council late last year. Functions of the board will be the enforcement of the point system, formulation of new activity pointing, and the hearing of appeals on any questions of the system.

Eligibility Rules. "It will be the duty of every man in any single activity on the campus to see that our records of him are complete," Chairman Brewster stated. "If our records are not complete at the time for an election or promotion, this board will have the power to declare that man ineligible."

The constitution of the board stipulates that the body shall be composed of the following: President of Innocents society, Daily Nebraskan editor, president of

'Brainy' Yearbookies Voice Answer to Rag Challenge

Cornhusker Staff Takes Life in Hands

Regardless of the fact that eight injured mainstays of the Yearbook's nine man football team have been on the bench during the last week watching Captain Horn have stiff scrimmages with himself, they will accept the challenge of the beefy "Ragsters" to indulge in 60 minutes of grueling football.

According to 1st Captain "Tooter" Horn, the Yearbookies will not rely upon beef and brawn to win the game. They feel sure that although they are unmighty, brain work of the finest degree will win the fracas for them by at least one-half point.

Biff Trust. Workout has been conducted during the past week in one of the bigger closets in old University Hall, under the supervision of "Biff" Jones. Jones, in an exclusive interview, stated that his "biff" trust is bound to come thru and win by an unlarge margin. 2nd Captain "Sizzler" Steiner, of the yearbookers, says, "Weir out to win."

Lineup for the yearbook boys is as follows: 1st captain, "Tooter" Horn, 2nd captain, "Sizzler" Steiner, 3rd captain, "Hangover" Hanger, 4th captain, "Dazzler" Dunk-

er, 5th captain, "Ripper" Reed, 6th captain, "Plunger" Proffitt, 7th captain, "Prowling" Prowly, 8th captain, "Shrapnel" Sherman, 9th captain, "Blowtorch" Bradley. The honorary captain will be Patricia "Link" Lahr.

During yesterday's practice session, 5th captain "Ripper" Reed was seriously injured when he made a pass at one of the female members of the Cornhusker staff. He will probably watch the game from the sidelines.

Referee Problem. "Link" Lahr, honorary captain, will substitute in case of injuries. Being a former Tit-Tat-Toe shark, she should be a valuable asset to the team according to "Tooter" Horn.

The Yearbookies will be willing to cover all bets set forth upon the battle. They will be willing to accept all stipulations set forth by the "ragmen" with one exception; that of choosing a referee. Captain Horn feels that a referee such as "Gunner" Geister of the AWGWA would make all decisions neutral. He also suggests that "Mickey" Ginnis, biz manager of the magazine, be waterboy.

The team has managed to keep in shape by helping the pillars in the basement of University Hall hold up the first floor.

Mention should go to Grace Hill, who, as the defendant Lydia Kuday significance, shows the injustice of a trial held in a state where such a form of government exists. The five judges, the prosecuting attorney, the witnesses, and even the defense attorney, are hired by the state. Robert Johnston, as the prosecuting attorney, Dr. Bathory, was at times sarcastic, at times eloquent. His performance was vivid and energetic. Don Meier, as the defendant's brother who had come from the United States to aid her, and Darrell Peters, as the state's defense attorney, lacked the first which Johnston put into his lines.

Several clever lines were aimed against the United States, as when one of the judges asked the American lawyer, "Do you belong to the republican, or one of those other radical parties?"

Whole Cast Improves. Jack Bittner, as the cafe owner Vassili Bassaraba, almost stole the show. Claudine Burt, also in a relatively small part, made a charming—and convincing—Italian opera singer, and added a great deal of life to this courtroom play. The five judges, Raymond Brown, La Rue Sorrell, John Gaeth, Verne Geisinger and Paul Bradley, all deserve mention. Paul Bogan, as the crazed Kurt Schneider, again turned in a fine piece of work, as did Bob Alexander, who took the part of George Khitov, man of the people, on trial for attempting to assassinate the dictator.

Although the play at times moved a little slowly, it was on the whole very good. Since the play depends almost entirely upon lines, picking up cues fast, and creating a tense atmosphere without using much action, "Judgment Day" is a hard play to give. Several clever lines, two comedy parts, and dramatic intensity all make the play interesting.

Fans Gather Before Union This Evening

Parade Starts at 7:30; Entertainment Includes Fireworks, Glee Club

To perish the thought of losing three straight games for the first time in 39 years and to whip up enough enthusiasm to instill the Cornhusker football squad with a real will and reason to win, Nebraska students will gather tonight at 7:30 o'clock on the steps of the Student Union to begin what should be the most spectacular, enthusiastic, and boisterous rally of the year.

Twenty-four Corn Cobs, carrying torchlights in an "N" formation will lead the parade along with the band and the Tassels.

The route to be followed tonight will be the same as last week, with the parade heading East on R. St. to 16th, then north to Vine, and from there, west to the east stadium. The band will form at the head of the procession, with the "N" formation of Corn Cobs immediately back of it, followed by the Tassels.

No Cars. All students and others who will march in the parade are requested by the rally committee to remain back of the Tassels and are asked not to disrupt the order of the parade by mixing in with either the band or the two pep groups.

No cars will be allowed in the parade, as a result of the carelessness developing from former use of autos in rallies. Last week's rally saw one of the most successful rally parades minus automobiles, and the procedure will be repeated.

After reaching the east stadium, the 24 Corn Cobs in the "N" will
