

SOCIAL-LITES by Margaret Krause and Dixie Davis

dearer than our honor we shall disclose some of the members. The charter members are Jana Cook and Ginny Wheeler, Delta Gam's, and Fred Phi Psi Stiner. Additional members are Maxine Kingsbury and Marge Krause, more D. G.'s and Bob Miller, another Phi Psi. The only pledge at the time is Beta's Bill Gish who will take the final step soon. The members are so engrossed in the club that they plan an expansion plan in the near future. There is already a chapter at Boulder which is really going places, so claim these insurgent youths.

And for the social events of the week, Friday night, the Sig Ep's are throwing an open house party. Nothing like good free entertainment is there, boys? And at the D. U. house party on the same night, Alpha Phi's have replaced the D. G.'s and Alpha Chi's in prominence. Avery Forkie is taking Dot Askey; Ed May, Pat Prime; Neal Felber, Marney Brenners; Ralph Reed, Marie Vogt; Johnny Adkins, Margaret Randall; from the Fee Fee house, Evelyn Levitt will be with Bill Lyman; Dorothy Wind, ACO, with Dick Luther; Mary DDD, Guyer with Jim Shelley; Mary Ellen Comerford Chi O with Tommy Phillips; Louise Malmberg with Bob Hunt; and Charlotte Utt, AO Pi, with Jack Nelson.

The house will be decorated with sorority crests gilded. Colored spot lights will revolve around flashing on them. Ken Nelson's band will furnish music. This party is given by the actives in honor of the freshmen.

Saturday night, Alpha Phi's are having their first house party which is open. The Phi's claim that it is going to be just as good if not better, than Herbie Kay. Likewise, the Phi Gam's and Pee Fee's are having open house parties.

Pl. K. A.'s have the "dream girl" of Lincoln. In fact it is a 1929 Lincoln, seven passenger bus. The big disadvantage is that it takes a gallon for every ten miles, but then look how many people it carries, and besides someone has to make money in this world.

Not long back when the Phi pledges snuck, they left the house without, and we mean without everything, so the actives send Pat Prime, Jeannie Baker, and Pat Jensen to the Tau house to get some silverware and the necessities for devouring victuals. The girls didn't return and didn't return, so finally the gals began to wonder just how reliable their delegates were. It turned out that they had stayed for supper and of all things had to sing for it and help serve. Next time the pledges sneak, the whole chapter will probably pay the Tau house a visit.

Joe Elliott, Phi Gam, has parted with his jewelry to Alemita Barney who is not in school. However, this is no allowance, and tubing is in order.

Eddie Krasne, SDT, who is not in school this year has been coming down to school for the football games, came last Saturday and went home on Wednesday. We'd like to know the point in her going home at all with most of her time spent down here. Incidentally she attends the games with Dave Kavich, Sammie.

About this time of year national officers begin to make their appearance. The Chi Phi's had their national president, Luther Z. Rooser, justice on the supreme court of Georgia, and national secretary, Hugh Dorsey, also of Georgia, for dinner Wednesday evening. Also the Sig Ep's had one of their national officers for dinner the same evening.

RELIGION, LIFE WORK COMMITTEE MEETS

Religion and Life Work committee will meet this afternoon at Westminster Foundation at 5 o'clock. Chairman of the executive committee is Rev. R. B. Henry, pastor of the University Presbyterian church. Under the leadership of Dr. C. H. Potters, the committee of speakers, a subcommittee of the executive committee, will meet earlier, at 4 o'clock, at the Westminster Foundation.

two rallies will again be brought into use for the entertainment of the crowd.

Speakers who will deliver short talks on the stand to be erected by Corn Cobs will probably include Herbert Yenne, speech department faculty member; Jack Dodd, captain of the Cornhuskers against the Hoosiers tomorrow, and members of the coaching staff.

Yell leaders will lead the crowd in several Nebraska yells and the university band will play school songs in efforts to bring student enthusiasm to the highest pitch of the season. Added feature to this rally will be the appearance of the university glee club, whose selections should complete one of the most elaborate rallies ever staged.

Dairy Team Goes to Ohio

Judging Group Leaves Monday for Cleveland

The Nebraska College of Agriculture daily products judging team will compete next Monday with teams from other states at the Dairy Industries Exposition at Cleveland, Ohio, Prof. H. P. Davis, chairman of the dairy department, announced.

Members of the team include Floyd Mechem, Grand Island, Winfred Jacobsen, Tecumseh and Palmer Welsh, Seward, with Harry Kivett, Imperial, as alternate, Dr. P. A. Downs will accompany the group as coach, and will attend a meeting of the contest committee of the American Dairy Science Association, which has direct supervision over the competition. He is also a member of the joint committee on research projects of the American Dairy Science Association and the Dairy and Ice Cream Machinery and Supply Association.

Institutions represented by the teams winning first, second and third place will each receive a \$500 scholarship for graduate work, to be awarded an eligible team member. The University of Nebraska received one of these scholarships in 1932. Competition will include seven samples each of butter, milk, cheese and ice cream. Enroute to Cleveland, the Nebraska team will make stops at Iowa State College, the University of Illinois, Purdue University and Ohio State College. Prof. E. L. Reichart of the Nebraska dairy husbandry department will address the International Association of Ice Cream Manufacturers at Cleveland Saturday, October 22, on "The Use of Frozen, Condensed Skim Milk in Ice Cream."

BARITONE THOMAS

(Continued from Page 1.) The school of medicine and the music conservatory on the same day—and he still studies medicine. Commenting on his programs, the baritone said that he always tries to choose songs that will appeal to every class and personality. He believes that radio has enhanced the appreciation of good music and more interested music groups have been formed as a result. Only on the second week of a tour closing Dec. 14 after 29 concerts, Thomas is already looking forward to his month's vacation in the southern waters before returning to the Metropolitan Opera company.

The Greeks Had a Word for It!

Yes, the Greeks had a word for it... the way that blonde Harriet Wood, freshman at the Alpha Xi house, has been dated up since the very beginning of school! Harriet, from Sturgis, South Dakota, being a music major, spends much of her time at the School of Music... of course, only during the day... the rest of the time she is being taken around the campus (we mean weekends)... like tonight when Harriet will be seen with Frosty Wilson at the Sig Ep house party. You'll recognize Harriet easily... a perky doll's hat sets off her blonde hair... a black wool skirt striped with blue, rust, and gray is topped by a black velvet jacket with puffed sleeves and trimmed with the same stripes. What with Harriet getting around on the campus as she does we suggest that she drop in with a friend some Friday or Saturday at the CAPITAL COFFEE LOUNGE for a malted milk... thick, rich, and creamy, and... on the house!
