Horace Launches His Career

Horace just told me that he thought Nebraska's showing against Indiana kind of convinced him that Nebraska is going to beat Oklahoma Saturday ... and I just told Horace that I didn't know but what he was right.

Horace and I have been friends for a long, long time, and finally he has consented to impart some of his wisdom at various times, with the promise that I mention his name in this column.

Horace is an ardent observer of the Cornhusker athletic teams and says that if he had the money he would set up a training table for breakfasts for the team now that the Big Six has okayed the evening table.

Horace isn't very big, and really is quite indescribable, but he's sure a smart little fellow. Everything he says somehow or other seems to make sense.

Horace really thinks, tho, that Nebraska is capable of turning the tables of Tom Stidham's high-

Varsity Lineup Remains Intact

Active Scrimmage Play, Frosh Using Oklahoma Tactics, Features Work

Still intact was Biff Jones' first string lineup when his squad worked out last night on a chilly field as the fahrenheit dipped to 57 degrees. Active scrimmage plays were run against freshmen, and frosh were given Oklahoma plays, which they pitted against the varsity line. Shivering in sweat suits were the Biffer's three mainstays, Jack Dodd, Bill Callihan, and Charlie Brock, who are taking no chances on injuries before Saturday's game at Norman.

In Brock's place was Bob Burreuss, with Theos Thompson running Dodd's position and Eldon Neurnberger filling in for Callihan. Harry Hopp was at quarterback

On the line, from end to end were Prochaska, Behm, Mills, Iverson, Muskin, Mills and Seeman.

This lineup first worked against frosh Oklahoma plays, later working on offense. The following lineup worked on offense first, later switching to defense:

Ashburn and Shindo, ends; Guager and Schwartzkopf, tackles; Dobson and Klum, guards; Meier, center; Anderson, Phelps, Plock, and Petsch.

Frosh guard Hub Monsky was put out of commission for a few days in blocking contact with Vic Schleich, turning his ankle.

Aiding greatly in blocking and offensive line play was the new seven cushioned blocking dummy built for the Huskers last week. Strong, fashioned with springs that don't give under less than a real impact of a 200 pound lineman, the device should be a real stimulant to the Husker line play and even open field blocking.

Completion of one Oklahoma pass by frosh offenders was about the only success the yearlings had, with Muskin, Behm, Mills, and Burreuss combining to pile up most frosh attempts.

Third stringers, several of whom were listed as first stringers at the beginning of the season have built themselves into a strong combination, evidently in an effort to gain back lost prestige.

One frosh lineman commented that "those guys are tougher now than the first string."

Dodd, Callihan, Brock Try Ping Pong--"Sissies"

All of which goes to show that football doesn't make men most famous. Three big, husky, swaggering students tripped into the Union yesterday, timidly asked at the desk for ping-pong paddles and balls, one of them fished around for 20 minutes finding a nickel to complete the ten cent rental fee... and they headed down into the cellar, to the now famed ping-pong resort... and played for some 15 minutes, finally emerging, sweating, eyes popping from their heads, legs wobbly and in a general state of physical disability.

Mr. Dodd, Mr. Callihan, and Mr. Brock...you're just a bunch of "sissies"...when it comes to ping-pong.

Future Farmers Honor Hartnell

Former Ag Student Gains Distinction

Bill Hartnell, former university student from Tekamah, was awarded the honor of American Farmer at the National Future Farmers of America convention in Kansas City. Another Nebraskan, George Rafferty, jr., of Kearney, was also awarded the honor.

Young Hartnell is 19 and attended the college of agriculture last year. Altho he expects to finish school, he is engaged in farming this year with his two younger brother near Tekamah. Their farm is 200 acres. Hartnell is past president of the state Future Farmers and has earned \$1,500 dollars during the past five years on project work.

Rafferty is also 19. He reported a \$2,500 earning on project work during the past five years. He is engaged in raising purebred Hampshire hogs, dairy cows, and Leghorn hens.

Mills to Lead Team Saturday

Senior Tackle Captains Huskers at Norman

Game captain for the Nebraska-Oklahoma fray at Norman for the Cornhuskers Saturday will be Bob Mills, senior tackle.

Mills, weighing 210, has apparently won a starting position on the Biffer's team altho he was demoted to the second string earlier in the season.

A product of Lincoln high Mills won all-state honors there in his last year while playing end. He shifted to tackle after coming to the university. Bob has played two years as understudy for Fred Shirey.

Modern Dance Group Practices

Orchesis Hold Initial Meeting This Evening

This year's first meeting of Orchesis, women's dancing group, will be held tonight from 7 to 8 o'clock at the west gymnasium.

Those joining the group will be given instruction in modern dancing. The classes now being started will continue until the last part of November, when tryouts will be held in order to select members to the organization.

Members of Orchesis present a modern dance recital each spring. All interested in taking part in such future programs are urged to attend tonight's meet.

Tournev Round Closes Tonight

In order to prevent their names from being struck from the pairing lists, contestants in the Union ping pong tournament are hurrying to play their second and third round matches before the deadline at 10:30 tonight.

Pairings for all classes of competition are now posted in the ping pong room. It is urgent that all players check the lists as some of the pairings were lost and had to be redone.

It has been announced that ping pong tables will be set up in the ballroom for the final match in the top flight. This match will be played as an exhibition match to which the public will be invited.

PFEILER ADDRESSES PBK

(Continued from Page 1.) It dates from 1896 to 1938. This will be mailed to all members on the mailing list.

Officers in charge of the chapter and programs for the year are: Prof. J. W. Wadsworth, president; J. O. Hertzler, vice president; Clifford M. Hicks, secretary; Margaret Cannel, treasurer and Mrs. A. W. Williams, historian.

Miller's Notes

BE wise as an owl, and do your shopping where fashions have the zip and pep for which every college miss strives.

WE predict it won't be 90 degrees at the next football game, and likely as not you'll enjoy the comfort as well as the smart lines found in these casual coats—\$38. Second Floor.

ON the night when ghosts walk and go a-partying, and in our Stationery section you'll find masks, costumes and table decorations.

If you're lucky enough to be buying a fur coat have it made in our fur factory. It's the way to get perfect fit, superior workmanship, and the exact style you want.

SWEATERS and skirts are typical campus clothes, but there's a variety of styles in the clever combinations you can make with those found in our sportswear section. Each—2.98 and up, second floor.

YOU'VE reason to strut like a turkey when your clothes are right. Accessories are mighty important, for they can add or subtract to your charm. Consult our ACCES. SORY shop, second floor.
