

Council Votes Class Dismissal for K-State Rally

Building Program Also Considered

Recommendation that classes be dismissed at 11 o'clock Wednesday morning in order that students may participate in a football rally was made by the Student Council in a special session called by President Harold Benn yesterday afternoon.

Inasmuch as Dean T. J. Thompson, dean of student affairs, had already given his approval to the scheme with the proviso that favorable action also be taken by the council, passage of the proposal by the student governing body was tantamount to putting it into effect.

This will be the first rally of the year to be held during the day and will realize the hopes expressed by countless students to the Council.

White Names Long Cup Teams

Frosh Debaters Argue Munich Problem Dec. 1

Assignments for the freshman Long cup debate tourney, to be held Dec. 1, were announced Saturday by Debate Coach H. A. White.

Upholding the affirmative side of the subject, "We approve of the settlement of the demands made by Germany according to the Munich conference," will be Gerald Allen, Roger W. Crampton, Harvey Davis, Ben Novicoff and Jack Stewart.

Entrants who will argue the negative are Howard Bessire, Timothy Higgins, Jacob Levine and William Sterling.

Each year the Long cup is given to the winner of the contest, which any freshman student may enter. Those entering after the announcement of this list will be assigned, alternately, to either side, starting with the negative.

Unattached Males Explain Aversions to Pin-Hanging

Campus Men Quote, 'Variety Is Spice'

How some of our N. S. (non-steady) men stay that way and why are two questions which have long puzzled Nebraska coeds. The girls have tried every method of breaking down the resistant armor of these N. S. men but without success.

Some of these gentlemen have worked up some hole-proof arguments for their side:

Committee Quashes Cut in Ball Price

Present Plans Move On Without Alteration As Ticket Sales Lag

The faculty committee on student social affairs met today and quashed all prospects for a reduction in the present \$2.00 price of Military ball tickets. According to Prof. Herbert P. Davis, acting chairman, the committee approved present plans for the ball, including the regular \$2.00 general admission price and \$1.25 tickets for R.O.T.C. officers and basic students in uniform.

Colonel Oury was present at the meeting to explain the present policies of the Military ball committee. Due to lack of time, said Professor Davis, the policies were not discussed in detail, but Colonel Oury was asked to prepare a complete report covering all aspects of the ball for the next meeting of the committee sometime in January.

Earlier in the day, when asked about a story in the Sunday Daily Nebraskan which stated that there might be a reduction in the price of general admission tickets from \$2.00 to \$1.25, Colonel Oury stated, "I am ready to co-operate with the authorities in the matter."

Ag Judges To Witness Chicago Show

International Stock Exhibit Begins Nov. 26

Members of the meat judging committee, the senior judging committee and the judging committee that recently competed in Kansas City will travel to Chicago Nov. 26 for the 39th international livestock exposition to be held the week ending Dec. 3rd.

The University, breeder of last year's grand champion steer, will exhibit Shorthorn, Angus and Herford cattle with many Nebraska stockmen taking part in the programs and in the contests.

Among the 276 boys and girls from 15 states who will exhibit steers, lambs and pigs in the exposition's junior contest will be Gene Gailbraith of Cuming county and Lester Lutt of Wayne county. Both will show baby beeves.

One of the largest conventions of its kind, this exposition in concurrence with a national 4-H club congress will attract students and farm youths from 45 states, Canada, Hawaii and Puerto Rico.

While they are not busy with their own demonstrations and contests, the delegates will be treated to educational industrial tours, banquets, and varied entertainment. One of the popular features of the exposition's horse show is the parade of all the club congress participants in the International Amphitheatre arena, concluded with ceremonies announcing the winners and conferring the awards.

4-H club members from the leading livestock producing states will take an active part in the exposition itself in a competitive exhibition of cattle, sheep and swine of their own raising, a feature of the opening weekend. College scholarships will be awarded to many of the winners.

W.A.A. Schedules Competition Dec. 4

Members of the University Horseback Riding club, a sports group sponsored by the W. A. A., will tryout this week for the Horse Show to be presented Sunday afternoon Dec. 4 at Shreve's riding academy.

Only members of the club will be allowed in the competition, but girls wishing to enroll in the club and take part in the exhibitions may still do so, according to Marian Kidd, president and sports head of the group.

There will be three classes in the competition, beginners, intermediate, advanced and a five-gait exhibition class. During the show there will be a judging exhibition put on by one of the Ak-Sar-Ben winners.

Judges for the contest will be Ross Miller, an instructor on the Ag campus, and Charles Davis, a Lincoln business man. These two will choose the winners in each of the classes and present them with awards at the close of the show.

Those girls who are interested in trying out for the horse show are requested to get in touch with Marian Kidd or the W. A. A. office for additional information about tryouts and membership in the club.

Women's Team Meets Nebraska Men Nov. 23

University debaters will compete against Drake women's team in a session Wednesday, Nov. 23, when Drake debaters come to Lincoln on a 6,000 mile tour to the western coast. A second team will meet the Drake men's squad.

Milton Gustafson and Don Neetz, Husker speakers will argue with Drake's two feminine debaters, Jane Gibson and Ruth Frisby, on the affirmative of this year's national collegiate debate question: "Resolved: that the United States should cease to use public funds for the purpose of stimulating business."

Another team of Nebraskan debaters, Harold Turkel and Sam Kirschenbaum will compete against the Drake men's team composed of John Simmons and William Wisdon. The Nebraska men will take the negative side of the resolution.

The Drake squad is traveling thru 12 states on their debate tour and will participate in debates with 14 colleges and universities besides giving exhibition matches before several high school audiences.

In traveling, the group goes by auto and is accompanied by John H. Gabrielson, debate coach and Mrs. Gabrielson. The team meets the University of Denver, Brigham Young university, Northwest Nazarene college, Whitman college, Willamette university, University of California, University of Arizona, University of California at Los Angeles, University of New Mexico, Texas Technical college, and the University of Oklahoma.

Phalanx will meet this evening at seven o'clock in the Union. Major Boschult, Field Artillery Reserve, will speak.

Eight senior students of the University were elected into the Phi Beta Kappa, nation scholastic fraternity, at a banquet highlighted by an address on the T. V. A. by Dr. Harold Stoke of the University political science department, in the Union, last night.

Dr. James R. Wadsworth, president of the local chapter, introduced the following students as new members in the honorary fraternity: Patricia Cain, Lincoln, Irene Eden, Burr; Evan Evans, Kenesaw; Patricia Lahr, Lincoln; Helen Pascoe, Fremont; Jane Pennington, Wynmore; Walter Schroder, Omaha; and Kathryn Werner, Lincoln. This is the first time, since 1902, that first semester seniors have been elected to membership in the society. These seniors have completed all their arts and science college requirements and have maintained an average of at least 90 in all of their courses for the three and half years.

"The T. V. A. is a great act of faith. Whether it is justified or not, our generation cannot say," Dr. Stoke told the hundred members who attended the banquet. Stoke spent a year as educational supervisor for the project in the Tennessee valley, last year.

"This project is one of the finest examples of the American capacity to plunge," he said. "We were not

Library Shows War Collection

Exhibit Displays 1918 Bronze Medals

Memoirs of 1914-1918, cast in bronze in symbolic designs are on display in the case second floor of the library in a collection of commemorative medals of the World war.

Of the prodigious output of medallist art that the war invoked, French medals are most numerous, exceeding the German in imagination and delicate design as well. America's entrance into the war was the occasion for a medal showing a shield which bears, in concentrated symbolism, and skilled accuracy, the insignia of all the allies.

Central in the exhibit is the Wilson medal, also produced when America joined France. One side bears a bust of President Wilson above the American eagle. On the opposite side are three female figures representing England, France and America rainbowing by slogan, "Right is more precious than peace."

Also shown are bronze discs commemorating the battles of Verdun, Marne and Alsace-Lorraine, as well as several books showing British and Italian medals, most of which record the heads of famous military men. The display is one of a series being arranged under the supervision of Reference Librarian Clara Craig.

N. U. Riflemen Visit Iowa City

Officers Inspect Neighbor Company

Maj. John A. Shaw, national advisor of Pershing Rifles, Wade Raser, national commander of the organization, and Robert Nelson, captain of the Nebraska company, returned late Sunday from an inspection trip to Company B-2 of the Pershing Rifles at Iowa City.

The group left national headquarters at Nebraska Friday afternoon and held inspection Saturday morning at 10 o'clock with a field inspection followed by close order drill. Raser said the company was rated "Good."

Captain of the Iowa company is Jonathan Walcott, former member of Beta Theta Pi fraternity at Nebraska. The company is not so large as the Nebraska organization, having between 60 and 70 members, said Raser.

Inspection was followed by a luncheon with the Iowa officers in the Iowa student union building. Raser enthusiastically acclaimed the Iowa Union, remarking that it houses offices of many campus organizations.
