

Beta's rim ATO's for ping pong title

Winners cop every game of final round matches

Clipping the ATO's with five love matches and an undefeated record, the Beta paddle team took the initial position in the 1939 intramural ping pong tourney last night in the Coliseum. DU contestants, chagrined by the defeat before the Beta team on the preceding evening, rallied with a 4-1 victory over the Pi KA's and a third place ranking in the tournament.

Following the DU conquest of the Pi KA paddlers, a challenge was thrown out to the second place ATO team for an unofficial five man match later in the week. ATO contestants accepted the challenge.

Being forced to play two matches the same evening without intervening rest, and being nudged out by the Beta champs only by a small margin, the DU paddle team expresses the hopes of a ready ATO defeat. Whatever the results of the post-tourney match, the ATO team will hold the second place intramural title, DU the third and Pi KA the fourth.

Nye challenges Tallman.

Honors go to John Brownlee, Kermit Hansen, Ted Weldon, George Cockle and Frank Tallman for placing the Beta colors at the top ranking position. With challenges and bets the order of the evening Walt Nye, opposing the Beta Frank Tallman on Tuesday evening, declares 100 to 1 odds at whatever amount Tallman wants to wager open that the latter can never place two 21-10 tallies against him again.

The ATO second place team comprises Wendell Basye, Francis Leik, Bill Davis, Joe Laughlin and Jim Davison.

Pi-KA—DU match play wherein the team of Kenneth Smith, James Leffler, Carl Rapp, Bill Horn and Wilbur Simmons bowed before Harry Ankeny, John DePutron, Walt Nye, Ed May and Leonard Dunker finished in 2-0 games for each winner. Results of the post-tourney challenge will be announced later in the week.

Definite announcement of the dates and events of the intramural track meet brought to mind an incident at Kansas State. The Manhattan school held its usual indoor intramural meet, and, lo and behold, one Gene Soit high jumped 6' 1 1/2" to win that event. Mr. Soit was immediately pounced upon by Track Coach Ward Haylett, and now he's a member of the State varsity team.

I M indoor meet set for April 4, 5

Seven events scheduled for first compet of its kind; slate two-lap relay

Tuesday and Wednesday nights, April 4 and 5, have been set as the dates for the first annual indoor interfraternity track and field championships under the east stadium. Preliminaries are on the first night, while finals are Wednesday evening. Starting time for both is 7:30.

Seven events are scheduled for the meet, with competition in the shot put, high jump, broad jump, 60 yard lows, 40 yard dash, 75 yard dash, and a two-lap relay. Four men will compete on each team in the latter event, which will be run off Wednesday. Each performer will run half way around the indoor track.

Rule on entry points.

To win entrance points, a fraternity must compete at least one man in each event. A man can enter as many events as he wishes, but each fraternity is limited to three men in one event.

Varsity track men are not eligible to compete in the meet, and entries of men out for spring football practice can not be accepted because of Biff Jones' ruling that they not compete.

Six places will be awarded in each event, with first scoring 6, second 5, third 4, fourth 3, fifth 2, and sixth 1. Thirty-five points are given for entrance points to be figured in intramural standings, while the team winning first in the meet gets an additional 65 points. Teams winning second, third and fourth, get 50, 35 and 25 points respectively.

Heavyweights signed up for the meet are Dick Robinson, Bob Childs and footballers Royal Kahler and Vic Schleich.

Tommy Myers, Ray Gahan, Fred Coogan, Lin Trueblood, Tim Finley, Albert Tone and Duane Jones, all Sooner mainstays, have been ill... speaking of flu, it seems to be picking on the coaches... first it was Biff Jones... now Creighton's Marche Schwartz is under the weather.

I M office prepares for softball season

Questionnaires regarding men's intramural softball have been sent to houses concerning their entries in the sport which begins after spring vacation. Inquiry is being made into the possibility of playing 4 p. m. games, and Saturday games, both in the morning and in the afternoon.

Entries for Barb intramural softball have been slow in coming in, so the time limit for entering has been extended one week by the I. M. office.

the Huskers last year. However, because of the need for a first class second sacker, and because Sophomore Bernie LeMaster looks like too good shortstop material to be left off the starting lineup, Wilson has been shifted to second.

He posted a batting average of .385 last year to be one of the heaviest hitters on the squad, and will be counted on again this year to do much of the stickwork for Wilbur Knight's Huskers.

Wilson, whose grandparents live in Lincoln, stayed out of school for two years before enrolling at Nebraska. He attended high school in Dow City, Ia., his freshman and sophomore years, and finished at San Mateo in California.

Has played third base, shortstop. Only sport in which he competed at Dow City was basketball, while he was in baseball, track and basketball at San Mateo. Wilson played third base and shortstop in high school, altho he has never played second base before this year.

Last winter he was a member of the basketball squad, and won a "B" team award, but didn't go out for the sport this year, with the exception of one game in which he filled in at the end of the season.

For the information of those interested in vital statistics, etc., Dow is 21 years of age, a junior in the college of business administration, 5 feet 11 inches tall, weighs 160, and is a member of Delta Tau Delta fraternity.
