Spring drills were resumed yesterday afternoon and will continue until April 20. The gridders had better get down to serious work again if they expect to make up for the inferior performance that they put on just before vacation. Nebraska weather has played havoc with coaches and players and has cut down outdoor workouts to a minimum. It has been Nebraska policy the last several years not to extend the practice period the number of days that they were forced inside even tho the conference agreement gives leeway for this.

Major Jones and the coaching staff feel that a prolonged spring practice causes unrest among gridders; that therefore it is best to quit in the specified time, rain or shine. Anyhow the farmers are benefitted.

Dr. John "Jock" Bain Sutherland, ex-Pittsburgh university football coach, sarcastically expressed his opinion of the new Pitt athletic program at a testimonial dinner given in his honor at Pittsburgh Tuesday evening.

The gist of his talk was that he could see no place "in this city (Pittsburgh) of dynamic poetry" for the "verse of daffodils and pink sunsets and milky moonlight and anemic idealism."

The "old master" can't seem to reconcile himself to the fact that Pittsburgh, under Chancellor John G. Bowman, will suddenly de-emphasize away athletics in favor of more intellectual pursuits for which universities are primarily founded.

Lack of outdoor practice has proved disastrous to Nebraska's traveling baseball team. Had the Huskers been given as much time to sharpen their batting eyes and get the feel of the diamond as their southern and western opponents, they would have fared much better than they have. Back home playing against teams of the conference and midwest, who have faced the same conditions, redeeming themselves should not be difficult. Lack of material is not bothering the diamonders this season as in previous years.

## Cindermen fall before K.U. 72-59

**Simmons, Wright, Owen, Dawson, Wibbels cop firsts in outdoor track**

Opening its outdoor track season against Kansas at Lawrence last Friday afternoon, Nebraska fell before the superior strength of the Kansans 72-59 despite the valiant efforts of Bob Simmons, senior quartermiler.

Simmons won the 220 yard low hurdles, the 440 yard dash, and came from behind in the anchor lap of the mile relay to give the Huskers this last event. Bob was spiked by a fellow teammate as he received the baton in the event, and his wound, tho not serious, may keep him out of the Minnesota meet Saturday.

**Wright takes sprints.**

Copping two other Nebraska firsts was Lloyd Wright who captured both sprint events. Paul Owen earned his initial win of his varsity career in the half mile, as he nosed out Ernie Klann of Kansas in a last second spurt.

Harwin Dawson and Edsel Wibbels contributed Nebraska's other first places with Dawson copping the broad jump and Wibbels his specialty, the discus.

Chief loss to the Huskers came in the shot put where Chester Friedland of Kansas beat Bob Bills and Edsel Wibbels with a heave of only 45 feet 1½ inches.

**Summaries:**

## Spoemer hits 79 to lead golf tryouts

Squad of four will meet Oklahoma here in opener Saturday

Wally Spoemer with 39-40 for a 79 led the candidates for Nebraska's golf team yesterday in the first of two qualifying rounds to determine the four man team, which will oppose Oklahoma in the conference opener here Saturday.

Seven men made the grade in this first round of competition. Bill Mowbray shot 38-42 for an 80, Don Anderson 38-42 for 80, Jim Beltzer 39-41 for 80, Paul Jones 38-42 for 80, Don Million, 40-40 for 80, and Don Likes 40-42 for an 82.

The play was under difficult weather conditions, according to coach Ed Newkirk, and the team should shape up better than the scores indicate. Oklahoma, defending Big Six champs will return with three lettermen Saturday, including Billy Craig, individual conference champion.

The second qualifying round for the team selection will be completed by Friday afternoon.

## NYA aids 13% more this year

87,886 receive checks during 1938-39 period

WASHINGTON, D. C. (I.P.) The College and Graduate Aid program of the National Youth Administration for 1938-39, it was announced here by Administrator Aubrey Williams, is reaching 13 1-2 percent more youths than during the preceding academic year.

Colleges and universities were assigned quotas of students on the basis of 9.3 percent of the total number of resident undergraduate and graduate students, 16 to 24 years of age inclusive, enrolled as of October 1, 1936.

For the current academic year 1938-1939, the national student quota is 87,886, as compared with a student quota of 75,993 during the year 1937-1938.

College students may not receive more than an average of \$15.00 per month and graduate students are restricted to an average of \$30.00 per month. However, because the applications for Student Aid far exceed the number who can receive assistance, the average payment has been reduced in order to assist as many students as possible.

In November, 1938, preliminary figures show that NYA paid an average wage of \$12.11 to 112,984 college and graduate students. The average wage of the undergraduates was \$11.94, while that of the graduate students was \$17.98.

The total allotment of College and Graduate Aid funds for the academic year 1938-39 amounts to \$11,838,555.

ing them to attend the program. In addition to those ranking in the upper 3 percent of their classes, students whose averages place them in the upper 10 percent will also be recognized, as will organizations having one-third of their membership on the honors list.

Classes will be dismissed from 10 to 12 o'clock Tuesday to allow students and faculty to participate in the program.

## NU nine takes California for first victims

Encounter at Berkley brings 10-3 victory as Schmadeke pitches

BERKELEY, Calif.—The University of Nebraska baseball team, barnstorming the west, won its first victory in six starts here when the Huskers took a 10 to 3 victory over the University of California last night.

Schmadeke, who went the route for Nebraska, gave up six hits while the Huskers clipped four Bear hurlers for 11. Making no errors, the Nebraska nine appeared for the first time on its trip to be getting into good form. After the Huskers piled up six runs in the first three innings, and three more in the sixth, LeMaster made a homer in the seventh. All California runs were scored on homers by Douzabou and Firpo.

Coach Wilbur Knight and his Husker squad will encounter Colorado U. at Boulder Friday and will return to the campus Saturday for its Big Six conference opener with Iowa State Monday.

## Baseball team meets defeat

Husker barnstorming trip brings five losses

Victory has eluded the grasp of Nebraska's barnstorming baseball team who have up to date lost all five of their scheduled games.

Arizona was the first nemesis of the Huskers, sweeping the three game series with wins of 6-1, 6-3, and 10-3. From Tucson the Nebraska nine traveled to San Francisco only to see victory elude their grasp as they lost to St. Mary's 9 to 3.

San Jose handed the Huskers their next setback on Tuesday in a hotly contested game which the Scarlet and Cream dropped 8 to 7.

Del Harris and Dow Wilson led the Husker hitters, but even their brilliant play could not save the ship. Too little outdoor practice sealed Nebraska's doom against the westerners who have been outdoors all spring.

## Players to present play for Delian Union Friday

A University Players cast will present a one-act drama for the weekly meeting of Delian Union literary society scheduled for Friday evening in 304 of the Temple. Miss Elladean Perry, accompanist, will also appear on the program.

## Rifle club awards trophies tonight

Fred Bodie to receive honors for best scores

Trophies and medals recognizing highest scoring men of the rifle club will be awarded when the gun men meet tonight at 5 o'clock in Nebraska hall.

Fred Bodie will be honored for the highest individual score of the season, cracking a 388 out of a possible 400 points. Bodie also had the highest average score for the season.

Election of officers for next year will be held, making it imperative that all members attend.

## Methodist groups hold Party in Union Friday

The spring Phi Tau Theta-Kappa Phi party will be held this Friday evening from 9 to 12 o'clock in the Union parlors X, Y, and Z. Ellis Dann is in charge of the arrangements, representing the Methodist fraternity, and Ruth Clark, the sorority. Dancing and games will furnish the evening's entertainment.
