

Mingling with Marg

Tonight the kiddies play while they may—with exam schedules threatening their happier moments...and week end parties brightening their social life...the Farm House will have a big Sweetheart dinner, and these "sweethearts" will be there: Marvin Kruse and Opal Hedlund; Bob Wheeler and Tri Delta Betty Dunn; Jess Skinner and Alpha Chi Edith Leisy... and we'll tell you more later... at the Fiji-Tau Evening Tussle will be Fiji Bob Goldsmith and Chi O Mary Ellen Cummerford; King-of-Lovers Laughlin and Delta Gamma Gen Harmon; Jack Ellsworth, Tau, and Theta Gwennie Orr (which is interesting, since Jack's brother, Tau Sid White is taking Flossie Moll, Alpha Phi, who is Jack's former)...and Fiji John Kerl with Kappa Marion Kramer; Fiji Bob Davenport and

Pi Phi Agnes Wanek; and Bucky Prime, ATO, with Delta Gamma Mary Elizabeth Stewart...at the Tri Delta party will be Betty Green and Delt Bud Rohde; Jane Allen and DU Jack McPhail; Rae Robertson and Jack Rohrbaugh... interesting combinations at the ZET Nursery party will be Jerry Milder and SDT Sarah Smeerin; Sam Davidson and Jean Naver from Kansas City...and another big party which will be tonight is the Alpha Zeta novelty party at the ag activities building...and as the list of parties grows and grows, we guess we'll check that up until they're all over and the bright spots make the big news...but in the line of scandal, we'd like to help the Kappa Delt's in their attempt to get candy from Gail Ferguson, Peg Mohrman, Ann Soukup, and Letha Pettit (who now has the Alpha Sigma Phi pin of Lloyd Jeffrey's)...and also to help the Delta Gamma's in the search for their door knob which was so blithely lost last week end—it's fixed so the poor kids can't get out to go to classes...and we might mention that coeds with tear-soaked eyes were seen coming from "Dark Victory"—and that the huge Kosmet Klub sign has mysteriously disappeared... and that the Tri Delta's spent their Thursday evening roller skating...and that the Beta's are having a terrific time keeping the people off their lawn, and stopping remarks about the "Beta Annex"—on East A...and that the Phi Delt drive is rapidly becoming car-crowded...and that this is just the kind of a day to encourage class-cutting...

Farm House has elected the following officers: Ray Cunningham, president; Will Pitner, business manager; Dean Lambert, treasurer; Montee Baker, secretary; John Lunnquist, scholarship chairman.

Kappa Sig announces the pledging of Kenneth Wittstruck, Lincoln, and Chris Peterson, Blair. Sigma Chi announces the pledging of Arthur Kleinhaus of Colby, Kas.

BULLETIN

Blue Print staff meeting previously scheduled for today has been indefinitely postponed due to conflicting activities, according to an announcement made yesterday by Vernon Paulson, editor of the publication.

No tanksterette meetings will be held until Thursday, April 27, at 5 o'clock in room 101 of Grant Memorial.

The Methodist Student Council will meet Saturday night at the Wesley Foundation at 7:30 o'clock. The annual election will be held and the spring retreat plans completed.

The Comenius club will gather for a business meeting this evening in the Temple at 7:30 in room 306. Various spring activities will be considered.

TISS ME TWICK

A forty odd inch chest is too large to emotionally encircle, Bob Elliott, Kosmet Klub's romco decided last night, when, hopelessly struggling in an embrace he found his hand could only reach Jim Minnick's sweet but sweaty back. Necessity bred invention; two pats on the back carried the same sentimental meaning.

NU geologists conduct tour

Condra directs study expedition thru state

Twenty-eight university and government men conducted a five day tour during spring vacation to study land use in relation to geology and soils. The group, under the supervision of G. E. Condra, dean and director of the conservation and survey division, traveled approximately 1,600 miles, making from 15 to 20 stops a day. The trip took them thru Columbus, Norfolk, Valentine, Neb.; Rapid City, S. D.; Guernsey, Wyo., and North Platte, Neb.

The Bad Lands, Black Hills, and Sand Hills were visited. The men also took time to look over power and irrigation projects, wild life preserves, lumber mills, and recreational centers. A study was made of the rocks and soil at various places and observations were made on such things as wind and water conditions. Each evening a group conference was held in which the activities of the day and the next day were discussed. Prominent local men spoke at these meetings.

E. Reed, assistant state geologist, Prof. H. Rhoades, Prof. F. Hayes, Prof. T. H. Gooding, government soil conservation men, and Mr. Jenkins who is making a government forest survey were among the group.

Sound-effects man out-moded by recordings

Columbia, Mo. (I.P.) Worship, drama organization of the University of Missouri, has replaced its sound-effects man with an entirely modern innovation.

It has adopted the latest technique in sound producing effects by using records to duplicate any sound wanted in a production. Inclement weather conditions are provided by records featuring slashing rain, rumbling thunder, the whine of a blinding snowstorm and other whims of nature.

A gang battle can be whipped into reality by the staccato cough of a machine gun combined with the shrieking of police sirens and the distorted howling of the mob.

Neihardt to address convo here

Poet to read, interpret his epic of white race's advance to west coast

At a university convocation April 25, John Neihardt, noted American poet and literary critic, will discuss the epic advance of early pioneers to the Pacific coast.

For 27 years Neihardt has been developing the story of the advance of the white race to the west coast. In his program here he will read and interpret his cycle of the west.

In 1936 the gold scroll medal of honor was awarded to Neihardt as the foremost poet of the nation at the National Poetry center, New York. In recognition of his literary achievements Nebraska university conferred upon him an honorary doctor of letters degree.

Among the most popular of his works are a series of collected poems, Indian tales, "The River and I," "The Song of Indian Wars," "The Song of the Three Friends," and "The Song of Hugh Glass." Publication of his epic of western advancement by the whites will be completed upon publishing the third volume, "The Song of Ted Smith."

No'western plans swanky new dorm

\$1,700,000 building to house 700 dwellers

EVANSTON, Ill. (I.P.) The new \$1,700,000 skyscraper dormitory, which is to be erected on the Chicago campus of Northwestern university will house 700 students in its 18 stories, and will be the tallest structure in the world used exclusively as a university dormitory.

Exercise facilities, including bowling alleys and squash courts will be available in the basement, and the ground floor will be devoted to lobbies and shops. On the second floor will be a library, a large lounge, a dining room accommodating 750 persons, the kitchens, three private dining rooms, and a lounge and a dining room for the faculty.

Military Engineers hear Cadet Captain Edwards

Cadet Captain Tom Edwards discussed his experiences in the ordnance department corps for R. O. T. C. cadet officers at a meeting of the Society of American Military Engineers last night.

Cadet Lieutenant Schroeder told of completed plans for the organization's participation in Engineers Night exhibits, and the support of all members was pledged to make real competition for other departments seeking the annual college award.

The society's spring inspection trip to Omaha will be held Saturday, May 13, two days after the next meeting which has been moved ahead one week.

Barbs to choose best waltzer, fastest dancer

Contests for speed dancing and waltzing will be held at the Barb dance this Saturday in the Union ballroom. A panel of judges will pick the winners who will be awarded prizes.

The dance, sponsored by the Barb Council, will last three hours beginning at 7:30. The council has secured the latest recordings for the occasion. Admission will be 10 cents per person.

AT THE HEAD OF THE CLASS

... of 1940

GRANT THOMAS.

Ol' J' P. Throckmorton cleaned up in Turkey with his towels...we don't know what Grant Thomas is going to clean up with all the soap he's taken as remembrances of his pleasant stays at hotels... anyway, in his less kleptomaniac moments, Grant, Sigma Chi, from Grand Island, keeps himself out of mischief with his duties in Kosmet Klub, Corn Cobs, this year's junior-senior prom committee, and junior class president. A junior in bizad college, Grant has distinguished himself during the past two years as star forward on Nebraska's basketball team. He says he likes to go on picnics just like the rest of us, and we say you really can have a picnic if you "get around" in the course of an evening to the
