

Wildcats thump NU track team, 77-54

As I See It by June Bierbower

Poor Bernie Bierman is again moaning about his Minnesota football team, saying after last week's scrimmage: "The squad hasn't shown much football so far." May 20 is the Gophers' annual open game, but according to the Minnesota Daily, the coach said he couldn't guarantee much of a show unless his team takes a very marked change for the better.

The Golfers will be green next year, and Bierman claims none of the newcomers except perhaps Bruce Smith, star triple threat back, have proved themselves to be of Big Ten calibre. However, the newcomers held the veterans to a 7-7 tie in a game two weeks ago.

Minnesota's spring practice, like the Huskers', has been held back by bad weather, which is probably one reason for the "sloppy ball handling, lack of downfield blocking, and... not too heads-up ball carrying" which featured the last game.

Bill Callihan, Husker fullback, came in for a hot time Tuesday night at the N-club initiation. Bill was working when he was to be initiated as a sophomore, and had never turned up at the initiation since then, so now, just as he's getting ready to finish school, he was inducted into the club with one of the best paddlings ever given a Husker. Moral—a stitch in time save nine or a good pair of pants.

The thrill what didn't come: Yours truly had skipped home to put on a coat because of the rain in yesterday's track meet... we hopped, skipped, ran and lunged over to the shot circle only to learn Elmer Hackney had just pushed out his 53 feet 4 1/2 mark in the shot, and we didn't get to see it... Jock Dodd will be the 18th man from Nebraska in attendance at the Drake Relays... Ed Weir was undecided about whether he'd take Dodd or Bob Chatt, but named the Husker grider after the K-State meet in which he finished third in the century.

Ralph Worden, conference diving champion, picked up a third

Nebraska team trails thruout entire meet; relay goes to K-State

Kansas State took an early lead and ran over the Nebraska tracksters 77 to 54 here yesterday afternoon as Elmer "One Man Gang" Hackney lived up to his name and heaved the shot 53 feet 4 1/2 inches, his best mark ever, and the best mark in the county this year.

Hackney shot the pill the farthest on his second preliminary heave and then sat back to watch the others fight it out for the remaining places.

The Wildcats got off to their early advantage by sweeping the mile and the high hurdles. Nebraska came back in the pole vault with all three places.

Simmons Eases Thru. Bob Simmons had little compe-

tion in the 440 event as Toole, top K-State quartermiler laid out in favor of the 100 and 220 yard dashes in which he placed first and second respectively. Paul Brown former quartermiler of the Kansas came through in the halfmile to give the winners more points while Charles Mitchell incorporated got first and second in the two mile run with Delman Moore being the only Husker to place. Simmons came through again this time to win the 220 yard low hurdles with Ralph Worden sophomore find from Alliance copping third place. Lloyd Wright shared dash honors with Toole of K-State, as he captured second place in the 100 and first in the 220. Mehafeff of the visitors captured first spot in the high jump with a leap of 5 feet 10 inches. Bud Tallman, Nebraska, tied with Day for second place. Ed Wibbels took first place in the javelin with a heave of 187 feet 2 inches and in the discus which he won with a distance of 140 feet 5 1/2 inches. Honors in the broad jump went to Harwin Dawson, whose gritty third lap of the mile relay, in which he picked up 30 yards on his opponent after having to pick up the baton, drew the approbation of the crowd. Results: One mile run: First, Clingman (KS); second, Mitchell (KS); third, Leland (KS). Time 4:26.5. 440 yard dash: First, Simmons (N); second, Gibson (KS); third, Robinson (KS). Time 1:49.9. 100 yard dash: First, Toole (KS); second, Wright (N); third, Dodd (N). Time 1:10.2. 120 yard high hurdles: First, Hotchkiss (KS); second, D. Dodger (KS); third, T. Dodge (KS). Two mile run: First, Mitchell (KS); second, High (KS); third, Moore (KS). Time 9:38.1. 220 yard low hurdles: First, Simmons (N); second, D. Dodge (KS); third, Worden (N). Time 2:4.8. One mile relay: First, Kansas State; second, Nebraska. Time 3:30. Pole vault: First, Neumann (N). Tie for second and third between Legate (N) and Scott (N). Height 12 feet 6 1/2 inches. Father O'Conner, prominent sports figure around here, says he's trying to get the girls' national A. A. U. track meet at Lincoln for a couple years hence... What would Fred Ware say to that... O'Conner, who played football at Nebraska, was born on the corner where the tennis courts south of Bessey Hall are now... he's one of the Huskers' most faithful followers... maybe Fred Ware would be interested in this, too: A member of the K-State track team (we won't, for fairly obvious reasons, mention his name) was a bit worried whether or not he'd make it back to Manhattan in time for a 9 o'clock date last night.

K-State star

Pictured above is Kansas State's Elmer Hackney, whose 53-4 1/2 heave of the shot yesterday bettered his old conference mark of 51-11. Hackney's toss is the best made by any collegian since Sam Francis got 53-5 1/2 in the 1936 national collegiates.

Jim Beltzer leads golfers with 74 score

Mowbray gets 75, Paul Jones has 77 in tryouts for meet

Jim Beltzer, Grand Island, turned in the lowest practice score for the Iowa State meet this week end, shooting a 74 at the Country Club yesterday.

Bill Mowbray, captain of the team, won on Beltzer's heels with a 74, and Paul Jones got a 77. Scores were good considering the drizzly weather.

Millon beats Spomer.

In qualifying matches, Don Millon finished one up on Wally Spomer, and one up on Don Anderson. Anderson and Spomer were tied today, and will finish their 36 hole match Friday.

Iowa State, who burned up the conference in pre-conference meet play last year, but fell down in the championships, is a strong golf school, a new golf course recently having been added to the Ames campus, Billy Hall, who finished third in the Big Six championships last year, is captain of the team.

18 Huskers go to Drake

Simmons, Wibbels, Mills lead NU

Eighteen tracksters and the coaching staff leave this afternoon for Des Moines, Ia., where they will enter the Drake Relays, which will draw track stars from all over the nation.

Nebraska's hopes lie mainly in the 100, 220 and 440 yard dashes and the weight events. Lloyd Wright and Bob Simmons carry the Husker colors in the dashes while Bob Mills and Edsel Wibbels will shoulder the weight chances. Mills' hopes for a win took an upward bound yesterday when Elmer Hackney, Kansas State star announced that he was passing up the Drake meet in favor of the Colorado Relays.

Grote stars.

Another example of the potency of Nebraska's freshman track material was exhibited Tuesday when Herb Grote, former Benson high star, threw the javelin 210 feet in a frosh meet.

These men are making the Drake trip: Harwin Dawson, Bob Simmons, Lloyd Wright, Paul
