

Phi Gams nip Beta's, 4-3, in softball

Five intramural tilts run off yesterday in intramural tourney

Two Barb and three fraternity games were played yesterday in intramural softball. Two Greek teams forfeited while two more failed to show up for their game. In the tightest game of the day, a Greek League 4 affair, the Beta's lost a 4-3 tilt to the Phi Gams. Gerald Spahn pitched for the winners, and Elton Wiley caught. Battery of the losing team was Jack Hyland and Charles Pillsbury. The winners scored two each in the second and third while the Beta's scored once in each of the first three innings.

SAM wins.

Sigma Alpha Mu beat Beta Sigma Psi, 5-2, in the other League 4 encounter. Phil Bordy pitched for the winners, the runs scored against him coming in the fourth. The winners scored once each in the first, second and fourth innings and twice in the final frame. Oelrich and Boye pitched and caught respectively for the losers.

League 3 teams had a black day to their credit as the Deltas and Phi Psi's failed to show up for their games. Chi Phi won over Zeta Beta Tau by forfeit, as did the ATO's over the Kappa Sig's. Slogums bow.

Gately's nosed out Slogum House 8-7 in a Barb League 2 game, scoring five of their runs in the fourth inning. The losers tallied five times in the fifth. Sam Salerno pitched for the winning team.

In another Barb League 2 contest, the Cornhuskers beat the 33 Club, 13-3, their big innings being the first and last when they scored four runs in each. Batteries were Landegren and Wiebusch for the Cornhuskers, and Dineen and Lyle for the losers.

Scores run high.

Three barb games and one Greek tilt were played Wednesday. All four games were high scoring affairs.

Sigma Chi edged out Zeta Beta Tau 12-11, in the only fraternity game of the day. It was a League 3 game.

All the Barb games were in Barb League 2 as the dark horse team went on a scoring rampage to win over Blue Heaven 23-3. The YMCA dropped a 10-6 tilt to the Brown Derbies, while the Commanders walloped the LL Club, 17-7.

Illinois frats adopt new rushing rules

Have fewer pledges due to preferential system

URBANA, Ill. (IP). The preferential rushing system, used by campus fraternities of the University of Illinois for the past two years, has been abolished by the Interfraternity council.

At the same time, councilmen, acting upon the wishes of the members of their chapters, rejected proposals to permit rushees to reside in fraternity houses during rush week, and to reinstate the 2 to 5 p. m. rushing date, which was dropped with the advent of the preferential system.

The council tossed out the preferential system in adopting a new set of rushing and pledging rules for 1939-40. Proponents of the move to abolish preferential pledging blamed the system as partly responsible for the decrease in the number of pledges last fall, and maintained that the change will make rushing procedures much more simplified.

It is provided that "a rushee must keep all dates during the rushing and pledging periods until he is pledged unless he obtains a written release from the fraternity in question, said release to be signed by the president of the fraternity. Fraternities may pledge a rushee only during a regularly scheduled pledging date with that rushee."

Alpha Phi wins

Alpha Phi was victorious over the Kappa Deltas in the girls intramural archery tournament last night. They won by a score of 237 to 234. The Tri Deltas won from Delta Gammis at the same time by a score of 344 to 306.

R.O.T.C. units parade this afternoon at 5

All basic and advanced students of the R.O.T.C. unit will parade this afternoon at 5 o'clock. Competitors will form in the hall south of Andrews and will march to their customary stations in front of the coliseum. First call will be blown at 4:50 o'clock.

Virginia Fleetwood, honorary colonel and the staff of company sponsors will be in the reviewing stand to inspect the regiment prior to the national inspection and compet coming next month. Excuses will be made only upon the presentation of notices from employers prior to the time of the parade.

24 men work out in spring cage drills

Work includes both offensive, defensive maneuvers practice

by Stanley Breuer.

With the lesson taught by last season's disappointments fresh in mind, Coach Browne wound up the fourth week of spring basketball practice last night drilling 24 hopefuls on defensive work as means of offense.

Fast breaking in both defensive and offensive maneuvers was stressed, with Browne moving the men around rapidly, feeling out several men for each position.

Thoughts of glory.

Inspired by the thoughts of moments of glory next fall, these 24 men trek over to the coliseum every Monday and Thursday night—there to work and sweat with the bore of deadly repetition of movements. There is no noise of the crowd, there is no inspiration; only the thud of cushioned feet, the slap of the ball, the brusque commands of the coach, and the shouts of teammates. They know only that if they work hard and are lucky, they will make the team and share the glory.

The constant changing and sifting has thrown certain of them to the top as likeliest for the honor. Hartmann Goetze of St. Joseph, Mo., Sid Held of Lincoln, and Jerry Dutcher of Omaha look the most promising of the first year men. Dutcher has been outstanding despite knee injuries sustained in frosh football practice which come back to pester him at times.

Several return.

Returning from last season's lineup and still definitely in the lead, are Harry Pitcaithley, Irvin Yaffe, Don Fitz, Al Randall and Bob Therien. Grant Thomas is out of things indefinitely with a heart ailment.

Other aspirants include Leonard Van Buskirk, Don Schulz, Leonard Dunker, Fred Uhlman, Bruce Duncan, John Hay, Walt Nye, Lyle King, Charles Vacanti, Allen Canfield, Ray Rhoades, Bob Garey, Don Pollock, Les Livingston and Herb Grote.

Lewis Anderson to head A.S.M.E. here next fall

Lewis Anderson was elected chairman of the Nebraska chapter of the American Society of Mechanical Engineers at a meeting held Wednesday. He will take over office next fall.

Other members named were: Gaius Cadwell, vice-chairman; Robert Schluckebier, secretary, and Paul Weber, treasurer.

Sing

in alphabetical order. The attention will be paid to appearance, selection of songs, tone quality, balance of parts, and interpretation of the piece as displayed by style, phrasing, shading and diction, the deciding factor in the contest will be the efforts made by the various competing groups.

Interest is aroused this year as the Betas and Thetas will try to win the third consecutive contest and take the Kosmet Klub trophies home for keeps.
